1pm to 4pm**

To All Interested Parties:

In an on-going effort to encourage water and energy conservation, the California Public Utilities Commission (CPUC) and the Low-Income Oversight Board (LIOB) will hold a panel discussion on water and energy conservation issues. This event will provide interested parties the opportunity to listen to presentations and discussion by both public and private water and energy utilities and to ask questions of the panel members regarding these very important issues.

Panel 1

1. Current Water and Energy Conservation Programs That Provide Both Direct and Indirect Savings for Each Product.
2. Coordinated Conservation Efforts Between Public And Private Entities.
3. Assessment of Effectiveness of Conservation Programs.
4. Funding Mechanisms for These Programs.

Panel 2

1. Proposed Water and Energy Conservation Programs that Provide both Direct and Indirect Savings for Each Product.
2. Coordinated Conservation Efforts between Public and Private Entities.
3. Determination of How New Conservation Programs Are Chosen.
4. Potential Funding Mechanisms for These Programs.

Questions about the panel discussion may be addressed to Sean Wilson of the Water Division (415-703-1818; e-mail: smw@cpuc.ca.gov).
