Second Compliance Period (2014-2016)**

Pursuant to Public Utilities Code Section 399.13(a)(3), Calpine PowerAmerica-CA, LLC
("CPA") provides the following narrative information with its 2014 Preliminary Annual 33%
Compliance Report:

- 1. The status of any necessary siting and permitting approvals from federal, state, and local agencies for those eligible renewable energy resources procured by the retail seller that have not yet attained their commercial on-line dates.**

CPA has no procurement from any facilities that have not yet attained their commercial
on-line dates.

- 2. Identification of all procurement from eligible renewable energy resources located outside California and within the WECC during the period covered by the report.**

CPA has procured from the following sources located outside California and within the
WECC during the period covered by this report:

Contract	Facility Name	Quantity
2014 Powerex Wind	Harvest Wind Project, Dokie Wind Energy Project, H.W. Hill Landfill Gas, Wheat Field Wind Project, Quality Wind Project	125,000 MWh – Category 2

3. Identification of all procurement of unbundled renewable energy credits (RECs) during the period covered by the report.

CPA has not procured unbundled renewable energy credits (RECs) during the period covered by this report.

4. Recommendations to remove impediments to making progress toward achieving the renewable energy resources procurement requirements established by statute and implemented by Commission decision.

CPA has no recommendations at this time.
