

Lancaster Choice Energy

33% RPS Compliance Report

Reporting RPS Compliance Status for the First Compliance Period (2011-2013)

Narrative Reporting Requirements:

1. Development status update (siting and permitting) for projects that have not yet attained their commercial on-line dates.
 - Western Antelope Dry Ranch, LLC (10 MW, PV Solar; Lancaster, CA): under development, on schedule; pertinent siting and permitting requirements are being satisfied, per schedule.
2. LCE notes that the Commission's reporting instructions, as reflected in the compliance reporting template ("Instructions" worksheet), requested information related to 2013 operations. Because LCE did not commence operations (i.e., commencement of service to retail electricity customers within the City of Lancaster, California) until May 2015, it has no information to report in relation to the 2013 compliance year. However, LCE is voluntarily providing information in the following table regarding procurement from eligible renewable energy sources located outside California and within the WECC during the 2015 compliance year.

Facility Name	Location (City, State)	Quantity (MWh)
Kettle Falls Woodwaste Plant	Kettle Falls, WA	18,291
Monroe Street HED	Spokane, WA	5,037
Nine Mile HED	Nine Mile Falls, WA	748
Nine Mile HED 2	Nine Mile Falls, WA	12,571
Upper Falls HED	Spokane, WA	6,531
Vansycle II Wind Energy Center	Athena, OR	5,628
Total		48,806

3. LCE notes that the Commission’s reporting instructions, as reflected in the compliance reporting template (“Instructions” worksheet), requested information related to 2013 operations. Because LCE did not commence operations (i.e., commencement of service to retail electricity customers within the City of Lancaster, California) until May 2015, it has no information to report in relation to the 2013 compliance year. However, LCE is voluntarily providing information in the following table regarding procurement of unbundled renewable energy credits (RECs) during the 2015 compliance year.

Facility Name	Location (City, State)	Quantity (MWh)
Monroe Street HED	Spokane, WA	5,037
Nine Mile HED	Nine Mile Falls, WA	748
Nine Mile HED 2	Nine Mile Falls, WA	12,571
Upper Falls HED	Spokane, WA	6,531
Total		24,887

4. LCE has no recommendations at this point in time.
