

**DECLARATION OF HARRIS ROSEN IN SUPPORT OF CLAIMS OF  
CONFIDENTIALITY OF LIBERTY POWER HOLDINGS LLC**

I, Harris Rosen, declare as follows:

1. I am employed by Liberty Power Holdings LLC (“Liberty Power”) in the position of Vice President of Legal.
2. I have reviewed, or caused to be reviewed, the August 31, 2016 RPS Compliance Report of Liberty Power.
3. The statements in this declaration are based on my knowledge, information, or belief.
4. I am authorized to make this declaration on behalf of Liberty Power.
5. Those portions of Liberty Power’s RPS Compliance Report identified in Table 1 below are eligible for confidentiality protection pursuant to Decision (“D.”) 06-06-066 and D.08-04-023 and the Matrix of Allowed Confidential Treatment for Energy Service Provider Data (“ESP Matrix”) attached as Appendix B to the latter decision.
6. The data for which Liberty Power requests confidentiality and thereby protection from public disclosure are of the types and correspond to the category (or categories) in the ESP Matrix specified below:

**TABLE 1: IDENTIFICATION OF CONFIDENTIAL INFORMATION**

<b><i>RPS Compliance Report Worksheet Location</i></b>	<b><i>Type of Data</i></b>	<b><i>Matrix Category</i></b>
Worksheet “33% RPS Progress Summary”, 2011-2020 Compliance Summary and Charts, Cells G10:K10, G12:K12, F13:L13	Retail Sales (MWh) 2015-2019, Annual RPS Target MWh 2015-2019, Procurement Quantity Requirements 2014-2016 and 2017-2020	I – Renewables Portfolio Standard (RPS) Information. A) RPS compliance filings required by CPUC, by ESP: data redacted because disclosure of first three years of forecast retail sales and resource mix data (MWh) and of historical retail sales and supply data (MWh) for prior year would reveal entire net short of ESP. B) Annual RPS compliance filings, by ESP: data redacted because disclosure of first three years of forecast retail sales and resource mix data (MWh) and historical retail sales and supply data would reveal the entire net short of ESP.

<b>TABLE 1: IDENTIFICATION OF CONFIDENTIAL INFORMATION</b>		
<b><i>RPS Compliance Report Worksheet Location</i></b>	<b><i>Type of Data</i></b>	<b><i>Matrix Category</i></b>
Worksheet “Annual RPS Compliance Report: Compliance Status”, Annual RPS Procurement and Percentages (MWh) Table: Cells G18:K18, G21:K21	Annual Retail Sales MWh 2015-2019; Annual RPS Procurement Percentage 2015-2019	I – Renewables Portfolio Standard (RPS) Information. A) RPS compliance filings required by CPUC, by ESP: data redacted because disclosure of first three years of forecast retail sales and resource mix data (MWh) and of historical retail sales and supply data (MWh) for prior year would reveal entire net short of ESP. B) Annual RPS compliance filings, by ESP: data redacted because disclosure of first three years of forecast retail sales and resource mix data (MWh) and historical retail sales and supply data would reveal the entire net short of ESP.
Worksheet “Annual RPS Compliance Report: Compliance Status”, Procurement Quantity Requirement (MWh) Table: Cells F26:L26, G32:K32	Procurement Quantity Requirements (PQR) MWh 2014-2016 and 2017-2020, RECs as Percentage of Retail Sales 2015-2019	I – Renewables Portfolio Standard (RPS) Information. A) RPS compliance filings required by CPUC, by ESP: data redacted because disclosure of first three years of forecast retail sales and resource mix data (MWh) and of historical retail sales and supply data (MWh) for prior year would reveal entire net short of ESP. B) Annual RPS compliance filings, by ESP: data redacted because disclosure of first three years of forecast retail sales and resource mix data (MWh) and historical retail sales and supply data would reveal the entire net short of ESP.

7. The data for which Liberty Power is claiming confidentiality is not already public.
8. The confidentiality of the data for which Liberty Power is claiming confidentiality would not be compromised if it were first aggregated with the equivalent data of all other load serving entities before being made public. Other than by the aforesaid process, the data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.
9. Liberty Power’s customers may be harmed by the loss of confidentiality insofar as members of the public not eligible to review the data as non-market participating

parties—primarily other market participants such as other ESPs or wholesale suppliers or RPS supplies—can use this data to derive Liberty Power-specific RPS procurement requirements (net short) and Liberty Power's current compliance position, particularly in light of the relative scarcity of such resources eligible for the product content category one resources.

Declared under penalty of perjury that the aforesaid is true of my own knowledge, except as to matters that are stated on information or belief and as to those matters I believe them to be true.

Dated: August 31, 2016

A handwritten signature in black ink, reading "Harris M. Rosen", is written over a horizontal line.
