FIRST AMENDMENT  
TO  
POWER PURCHASE AGREEMENT  
BETWEEN  
PACIFIC GAS AND ELECTRIC COMPANY  
AND  
ORANGE COVE IRRIGATION DISTRICT

On August 19, 1985, Pacific Gas and Electric Company and Orange Cove Irrigation District entered into a Standard Offer No. 4 power purchase agreement (Agreement) for the 1,800 kW Kings River Siphon Hydroelectric Project. Seller wishes to reduce the project size of the Facility.

THEREFORE, the parties agree to amend the Agreement as follows:

Article 3(b) is hereby amended to read:

"Seller shall provide capacity and energy from its 1,000 kW (generator nameplate) Facility located at the upstream side of the siphon for the Friant-Kern Canal at the Kings River, Fresno County, California."

All other provisions of the Agreement remain unchanged.  
This Amendment is effective as of the last date set forth  
below.
