This letter agreement (Extension Agreement) sets forth the Parties' agreement to extend the Second Amendment executed on 9/21/2011 between Pacific Gas and Electric Company and Thermal Energy Development Partnership LP for two (2) months (the Extension Period).

Section 2 of the Second Amendment provides PG&E with two (2) unilateral options to extend the Amendment Term. Although PG&E has decided not to exercise these options, the Parties have agreed to a single 2 month extension of the Amendment from the current expiration date of 00:00:00 on September 1, 2014 through 23:59:59 on October 31, 2014.

Please note that all other provisions of the Second Amendment that are not specifically changed by this Extension Agreement remain unmodified and in full effect.
