("KWI"), and Meridian, and as assigned by KWI to WPP 93, and as amended by Amendment No. 1 to Power Purchase Trust Agreement and Declaration of Trust dated as of March 29, 1994 (as so amended, the "Trust Agreement"). AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and obligations stated herein, the Parties agree as follows:

1. CONTRACT AMENDMENT

1.1 Subject to the condition subsequent of CPUC approval of this Agreement in accordance with the provisions of Section 3 below, the Contract is hereby amended, effective as of June 1, 1996, as follows:

1.1.1 The last sentence of Section 1.11 of the Contract is amended to read as follows:
 Weighted average Contract Capacity price to be utilized for payment of capacity for balance of contract term: \$126.00/kW-yr (Firm Capacity).

1.1.2 Section 4.4.15 of the Contract is deleted in its entirety.

2. WITHDRAWAL OF DERATION

Subject to the condition subsequent of CPUC approval of this Agreement in accordance with the provisions of Section 3 below:

2.1 Edison hereby withdraws (i) its letter dated November 1, 1995 to KWI, which notified WPP 93 that the Contract Capacity had been derated to zero; and (ii) its invoice for \$ 798,379.06 rendered in connection with the deration.

2.2 The Contract Capacity of 2,549 kW is hereby reinstated retroactively so that there is no reduction in capacity pursuant to Edison's letter dated November 1, 1995.

3. CPUC APPROVAL

The continued effectiveness of this Agreement is conditioned upon the Parties obtaining an approval hereof in a decision by the CPUC that becomes final, is no longer subject to appeal, and satisfies all of the conditions of this Section 3 (a "CPUC Decision"). The procedures by which such CPUC approval shall be obtained, and the required contents of the approval, are as follows:

3.1 CPUC approval of this Agreement shall be obtained through an application to be prepared and filed by Edison (the "Application"). Edison shall determine the final form of the Application.

3.2 Wintec, WPP 93, the Trustee, and Edison shall each use its good faith efforts to obtain CPUC approval of the Application. If requested by Edison, Wintec and WPP 93 shall support the Application by promptly providing written testimony and providing witnesses to support such testimony. Wintec, WPP 93, and Edison shall each address in its testimony all matters in sufficient detail, as reasonably requested by Edison, in order to facilitate the CPUC approval of the Application.

3.3 To satisfy the condition subsequent created by this Paragraph 3, the CPUC Decision must (i) approve this Agreement in full and in the form presented; (ii) expressly find that the settlement effectuated by this Agreement shall amend the Contract; (iii) expressly find that Edison shall recover all payments to be made under the Contract, as amended by this Agreement, subject only to Edison's prudent administration of that Contract, as amended herein; and (iv) not impose any

conditions on the present or future effectiveness of this Agreement or any of the terms hereof, or otherwise qualify or condition its approval of this Agreement.

3.4 Except as set forth under Paragraph 3.5 below, this Agreement shall be rescinded in its entirety and the Parties restored to their respective positions as of June 1, 1996 if the CPUC Decision on the Application does not satisfy each of the conditions set forth in Paragraph 3.3 above.

3.5 Upon rescission under Paragraph 3.4 above, the following shall occur:

3.5.1 WPP 93, Wintec, and Edison shall promptly meet in a good faith attempt to negotiate a new settlement agreement. These negotiations shall commence no later than 10 days after the date the CPUC Decision on the Application becomes final and is no longer subject to appeal.

3.5.2 If within 60 days after the date the CPUC Decision on the Application becomes final and is no longer subject to appeal, no new settlement agreement has been executed, then the following shall promptly occur:

3.5.2.1 Edison shall refund, with interest at the published Federal Reserve Board three month prime commercial paper rate, any capacity payments that were not made to the Trustee as a result of the capacity price reduction reflected in this Agreement. Interest shall be calculated on each payment from the date that payment would have first become due and payable but for this Agreement.

3.5.2.2. The Parties shall each be restored to the position it held prior to the execution of this Agreement, and shall be entitled to assert whatever remedies and/or defenses available to them with respect to the issues in dispute. The Parties also agree that the statute of limitations on any claim between them arising out of or relating to Section 4.4.15 of the Contract will be tolled for the period between June 1, 1996 and the expiration of the 60 day period described in the first sentence of section 3.5.2.

3.6 At any time prior to the conclusion of the negotiations described in section 3.5.1 above (including, but not limited to, any time before the issuance of the CPUC Decision), Edison may, in its sole discretion, waive the condition precedent of CPUC approval under this Agreement by giving the Trustee written notice thereof, in which case the condition of CPUC approval shall be deemed satisfied on the date of such notice.

3.7 At no time before the expiration of the 60 day period described in the first sentence of Section 3.5.2 shall Edison take any action, before the CPUC, the California Legislature, or otherwise, with respect to any other party which is inconsistent with this Agreement. At no time before the expiration of the 60 day period described in the first sentence of Section 3.5.2 shall the Trustee, WPP 93, or Wintec take any action, before the CPUC, the California Legislature, or otherwise, with respect to Edison which is inconsistent with this Agreement.

5. RELEASES AND INDEMNITIES

5.1 Effective upon the CPUC Decision approving the Agreement and that CPUC Decision becoming final and non-appealable in accordance with Section 3 above, WPP 93, Wintec, and the Trustee on the one hand, and Edison on the other hand, each on behalf of themselves, their predecessors, successors, and assigns, shall release the other, as well as the other's employees, attorneys, officers, directors, shareholders, partners, member partners, agents, predecessors, successors, assigns, and subsidiaries, from any and all obligations, claims, rights, demands, damages, debts, accounts, costs, expenses, attorneys fees, liens, liabilities, actions, and causes of action of any nature whatsoever, known or unknown, whether in law or in equity, accrued or unaccrued, matured or unmatured, past, present, or future, liquidated or unliquidated, fixed, contingent, or otherwise, that arise from Section 4.4.15 of the Contract, or any Demonstration Test conducted pursuant to Section 4.4.15 of the Contract, including, without limitation, any right of Edison to derate the Contract Capacity pursuant to Section 4.4.15, or any obligation of Wintec, WPP 93 and/or the Trustee to pay any sum to Edison in connection with such deration.

5.1.1 Each Party acknowledges that it may hereafter discover facts in addition to or different from those which it now believes concerning the subject matter of this Agreement, and that notwithstanding any such new or different facts, the releases contained herein shall remain effective. Each party acknowledges and agrees that these releases are an essential and material term of this Agreement. Each party has been advised by its legal counsel regarding its release, and

understands and acknowledges the significance and consequences of such release.

5.2 The Parties acknowledge and agree that this is a compromise and settlement which is not in any respect nor for any purpose to be deemed or construed to be, or in any way to be used as evidence of, any admission or concession of any liability whatsoever on the part of any of them or any other person or entity whatsoever. This Agreement may be pleaded as a full and complete defense to, and the Parties consent that it may be used as the basis for an injunction against, any action, suit, or other proceedings inconsistent with the provisions of this Agreement. The Parties further acknowledge that this settlement is the product of the unique facts and circumstances of the present dispute between the Parties and their individual concessions, and therefore shall not establish a precedent applicable to any other contracts, disputes, or parties. Without limiting the foregoing, neither the terms of, nor Edison's entry into, this Agreement (i) shall constitute or be construed as acceptance by Edison of, or agreement with, the position of Wintec, WPP 93 and/or the Trustee that the absence of sufficient wind velocity constitutes an Uncontrollable Force under the Contract, (ii) shall constitute or be construed as acceptance by Edison of, or agreement with, the position of Wintec, WPP 93 and/or the Trustee that the absence of sufficient wind velocity negates the validity of a properly administered capacity demonstration test (which test is eliminated for the Contract by this Agreement), or (iii) shall affect or diminish in any manner the obligations of Wintec, WPP 93 and/or the Trustee under Section 9 of the Contract.

5.3 In addition to the release provided in Paragraph 5.1 above, Edison on the one hand, and WPP 93 and Wintec on the other hand, shall each indemnify and hold the other, and that other's respective employees, attorneys, officers, directors, shareholders, partners, member partners, agents, predecessors, successors, assigns, and subsidiaries, harmless from and against any obligation, claim, right, demand, damage, debt, account, cost, expense, attorneys fee, lien, liability, action, or cause of action of any nature suffered or incurred as a result of any breach of any of the indemnifying party's representations, covenants, or warranties provided in this Agreement.

6. PREVIOUS COMMUNICATIONS

This Agreement contains the entire agreement and understanding between the Parties as to the subject matter of the Agreement and supersedes all prior agreements, representations, and discussions between the Parties concerning that subject matter. Each Party represents that in entering into this Agreement, it has not relied on any promise, inducement,

representation, warranty, agreement, or other statement not set forth in this Agreement.

7. COST AND FEES

Each Party shall pay its own costs and attorneys fees in connection with the preparation and execution of this Agreement and any related documents, and in connection with any proceeding to obtain CPUC approval of this Agreement; except that to the extent WPP 93 and Wintec have previously agreed in the Trust Agreement to pay the costs and attorneys fees of the Trustee, such agreement shall be controlling as between WPP 93 and Wintec.

8. NON-WAIVER

None of the provisions of this Agreement shall be considered waived by a Party unless such waiver is given in writing. The failure of a Party to insist in any one or more instances upon strict performance of any of the provisions of this Agreement or to take advantage of any of its rights under this Agreement shall not be construed as a waiver of any such provisions or the relinquishment of any such rights for the future, but the same shall continue and remain in full force and effect.

9. EFFECT OF SUBJECT HEADINGS

Subject headings in this Agreement are inserted for convenience only, and shall not be construed as interpretations of text.

10. GOVERNING LAW
