PREAMBLE

This Renewable Power Purchase and Sale Agreement, together with the exhibits and attachments (collectively, the “Agreement”) is made and effective as of the following date: January 7, 2011 (“Effective Date”).

This Agreement is entered into between:

- (i) **Southern California Edison Company** (“SCE”), a California corporation, whose principal place of business is at 2244 Walnut Grove Avenue, Rosemead, California 91770, and

RECITALS

Seller is willing to construct, own, and Operate a Generating Facility which qualifies as of the Effective Date as an ERR, and to sell the Product to SCE pursuant to the terms and conditions set forth in this Agreement; and

SCE is willing to purchase the Product from Seller pursuant to the terms and conditions set forth in this Agreement.

ARTICLE ONE. SPECIAL CONDITIONS

1.01 Generating Facility.

- (a) Name: Solar Star California XIII, LLC (Quinto).
- (b) Location of Site: McCabe Road and Whitworth Road, Los Banos, California 93635, as further described in Exhibit B-1.
- (c) Description: As described in Exhibit B-1.
- (d) Product: All electric energy produced by the Generating Facility throughout the Delivery Term, net of Station Use; and all Green Attributes, Capacity Attributes, and Resource Adequacy Benefits generated by, associated with or attributable to the Generating Facility throughout the Delivery Term.
- (e) Interconnection Point: The switchyard on the Los Banos-Westley 230 kV transmission line, approximately 5 miles north of the Los Banos Substation.
- (f) Delivery Point: The first point of interconnection with the CAISO Controlled Grid.
- (g) ERR Type: Solar Photovoltaic.
- (h) Contract Capacity: 110 MW, subject to modification as set forth in this Section 1.01(h) or Section 3.06(g).
 - (i) If the Construction Permits grant Seller the authority to develop and construct some but not all of the requested 110 MW of Contract Capacity (such grant of authority, the “Reduced Capacity Authority to Construct”) and the failure to obtain authority to construct the entire Contract Capacity of 110 MW is not due to any action or inaction on Seller’s part, and Seller has timely completed all of its obligations and taken all necessary actions to obtain Construction Permits for the entire Contract Capacity of 110 MW, then Seller shall have a one time right, upon Notice (the “Capacity Permit Reduction Notice”) to SCE given within thirty (30) days after Seller’s receipt of the Reduced Capacity Authority to Construct, but in no event later than December 1, 2012, to reduce the Contract Capacity to the Permit Adjusted Contract Capacity. Seller’s receipt of the Reduced Capacity Authority to Construct shall not, in and of itself, be deemed to be a failure to obtain Permit Approval for the purposes of Section 2.04(a)(ii).

 - (1) The Contract Capacity in this Section 1.01(h) will be deemed reduced to the Permit Adjusted Contract Capacity (subject to further modification as set forth in Section 3.06(g));
 - (2) The Installed DC Rating set forth in Section 1.01(i) will be deemed reduced to the number in kW_{PDC}, as specified in the Capacity Permit Reduction Notice;
 - (3) So long as the provisions of Section 3.09(a) have been satisfied, Exhibit B-1 will be deemed replaced by the revised Exhibit B-1 included in the Capacity Permit Reduction Notice; and
 - (4) The Permit Capacity Reduction Amount will be retained, and the Development Security will be adjusted, in accordance with Section 3.06(h).
- (v) If the Contract Capacity is reduced pursuant to this Section 1.01(h), neither Party will have any liability for failure to purchase or deliver Product associated with or attributable to the Capacity Permit Reduction Quantity, *provided*, that the Capacity Permit Reduction Quantity will be subject to the restrictions set forth in Section 3.06(i).

If Seller terminates this Agreement, as provided in Section 2.04(a) or Section 5.05 (based on a Force Majeure as to which Seller is the Claiming Party), or if SCE terminates this Agreement as provided in Section 3.06(d) or as a result of an Event of Default by Seller occurring prior to the Commercial Operation Deadline, neither Seller nor Seller's Affiliates may sell, or enter into a contract to sell, electric energy, Green Attributes, Capacity Attributes, or Resource Adequacy Benefits, generated by, associated with or attributable to a generating facility installed at the Site to a party other than SCE for a period of two (2) years following the effective date of such termination (the "Restricted Period").

This prohibition on contracting and sale will not apply if, before entering into such contract or making a sale to a party other than SCE, Seller or Seller's Affiliate provides SCE with a written offer to sell the electric energy, Green Attributes, Capacity Attributes and Resource Adequacy Benefits to SCE:

- (i) at the Product Price and on other terms and conditions materially similar to the terms and conditions contained in this Agreement and SCE fails to accept such offer within forty-five (45) days after SCE's receipt thereof; or
- (ii) If Seller is ineligible for the Federal Investment Tax Credit selected under Section 1.12 solely because Seller terminates this Agreement as provided in Section 2.04(a)(i)(2) (CEC Pre-Certification), Section 2.04(a)(ii) (Permit Approval) or Section 5.05 (based on a Force Majeure as to which Seller is the Claiming Party), or solely because SCE terminates this Agreement as provided in Section 3.06(d), on terms and conditions materially similar to the terms and conditions contained in this Agreement, except that the Product Price may be adjusted to account for the loss or reduction of the Federal Investment Tax Credit; *provided*, Seller must provide documentation establishing to SCE's reasonable satisfaction that the adjustment corresponds directly to and is the minimum adjustment needed to address the loss or reduction of the Federal Investment Tax Credit.

Neither Seller nor Seller's Affiliates may sell or transfer the Generating Facility, or any part thereof, or land rights or interests in the Site (including

the Interconnection Queue Position) during the Restricted Period so long as the limitations contained in this Section 2.06(b) apply, unless the transferee agrees to be bound by the terms set forth in this Section 2.06(b) pursuant to a written agreement reasonably approved by SCE. Upon termination of this Agreement pursuant to the Sections referenced in the first paragraph of this Section 2.06(b), Seller shall deliver a Notice of SCE's Rights in respect of the Site, in the form attached hereto as Exhibit U, that SCE may record giving notice of SCE's rights under this Section 2.06(b).

In accordance with Section 10.03(b), Seller shall indemnify and hold SCE harmless from all benefits lost and other damages sustained by SCE as a result of any breach of the covenants contained within this Section 2.06(b).

- (b) Green Attributes. Seller hereby provides and conveys all Green Attributes associated with all electricity generation from the Project to Buyer as part of the Product being delivered. Seller represents and warrants that Seller holds the rights to all Green Attributes from the Project, and Seller agrees to convey and hereby conveys all such Green Attributes to Buyer as included in the delivery of the Product from the Project.
- (c) Capacity Attributes and Resource Adequacy Benefits. Seller shall dedicate and convey any and all Capacity Attributes and Resource Adequacy Benefits generated by, associated with or attributable to the Generating Facility throughout the Delivery Term to SCE and SCE shall be given sole title to all such Capacity Attributes and Resource Adequacy Benefits.
- (d) Further Action by Seller. Commencing at least six (6) months before the Initial Synchronization Date and throughout the Delivery Term, Seller shall, at its own cost, take all actions and execute all documents or instruments necessary to effectuate the use of the Green Attributes, Capacity Attributes and Resource Adequacy Benefits for SCE's sole benefit throughout the Delivery Term, which actions include:

Generating Facility, and so long as Seller has taken all necessary steps to be taken on its part to cause and allow SCE to be the “Qualified Reporting Entity” and “Account Holder,” and Seller takes no actions that prevent SCE from becoming and remaining the “Qualified Reporting Entity” and “Account Holder,” SCE shall otherwise be responsible for establishing and maintaining its status as a Qualified Reporting Entity and Account Holder); and

- (v) Committing to SCE the full output of the Generating Facility.
- (e) Other Sales of Product. From the Effective Date throughout the Delivery Term, Seller shall not sell the Product (or any portion thereof) to any entity other than SCE.

3.02 Resource Adequacy Rulings.

Seller grants, pledges, assigns and otherwise commits to SCE the generating capacity of the Generating Facility throughout the Delivery Term in order for SCE to meet its resource adequacy obligations under any Resource Adequacy Rulings.

Seller represents, warrants and covenants to SCE that:

- (a) Seller has not used, granted, pledged, assigned or otherwise committed any portion of the generating capacity of the Generating Facility to meet the resource adequacy requirements of, or to confer Resource Adequacy Benefits on, any entity other than SCE; and
- (b) Throughout the Delivery Term, Seller will not use, grant, pledge, assign or otherwise commit any portion of the generating capacity of the Generating Facility to meet the resource adequacy requirements of, or to confer Resource Adequacy Benefits on, any entity other than SCE.

3.03 Maintenance as ERR.

Seller covenants that, except where there has been a change in law after the Effective Date and Seller has used commercially reasonable efforts to comply with such change in law in accordance with Sections 10.02(b), 10.02(c) and 10.02(d): (i) prior to Initial Synchronization and before commencement of the Term, the Project is qualified and pre-certified by the CEC as an Eligible Renewable Energy Resource (“ERR”) as such term is defined in Public Utilities Code Section 399.12 or Section 399.16; (ii) throughout the Term the Project is qualified and certified by the CEC as an ERR; and (iii) throughout the Delivery Term, the Project’s output delivered to Buyer qualifies under the requirements of the California Renewables Portfolio Standard.

3.04 Allocation of Availability Incentive Payments and Non-Availability Charges.

If the Generating Facility is subject to the terms of the Availability Standards, Non-Availability Charges, and Availability Incentive Payments as contemplated under Section 40.9 of the CAISO Tariff, any Availability Incentive Payments will be for the

benefit of Seller and for Seller's account and any Non-Availability Charges will be the responsibility of Seller and for Seller's account.

3.05 Permits, Interconnection and Transmission Service Agreements, and CAISO Tariff Compliance.

- (a) Seller shall obtain and maintain throughout the Delivery Term any and all interconnection and transmission service rights and Permits required to effect delivery of the electric energy from the Generating Facility to the Delivery Point.
- (b) Seller shall be responsible for all costs and charges directly caused by, associated with, or allocated to the interconnection of the Generating Facility to the Transmission Provider's electric system and transmission of electric energy from the Generating Facility to the Transmission Provider's electric system.
- (c) Seller shall comply with the CAISO Tariff, including securing and maintaining in full force all required CAISO agreements, certifications and approvals.
- (d) Seller shall secure through the CAISO the CAISO Resource ID that is to be used solely for this Generating Facility.

3.06 Development Security.

(a) Amount.

Seller shall post and thereafter maintain a development fee ("Development Security") equal to thirty dollars (\$30) for each kilowatt of Contract Capacity.

(b) Posting Requirements.

Seller shall post the Development Security in accordance with the following terms and conditions:

- (i) Seller shall post one-half of the Development Security within thirty (30) days following the Effective Date, with the remainder to be posted within thirty (30) days after CPUC Approval is obtained or waived by SCE in its sole discretion;
- (ii) The Development Security shall be held by SCE as security for Seller's meeting the Commercial Operation Deadline and installing and demonstrating the Contract Capacity by the Firm Operation Date;
- (iii) The Development Security must be in the form of either a cash deposit or a Letter of Credit;
- (iv) If Seller posts any Development Security in cash, Seller will receive Simple Interest Payments in accordance with the procedure specified in Section 4.07 of this Agreement;

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (v) If Seller establishes the Development Security by means of a Letter of Credit, such Letter of Credit must be provided substantially in the form of Exhibit N and shall be subject to all of the requirements set forth in Section 8.02(b); and
 - (vi) So long as there is no Event of Default, or Potential Event of Default, with respect to Seller, then upon thirty (30) days advance written Notice to SCE Seller may substitute Development Security with a replacement Letter of Credit, or cash, or any combination of the two, subject to SCE's prior reasonable approval, *provided, however*, that any replacement Development Security must meet all the requirements of Development Security under this Agreement.
- (c) Daily Delay Liquidated Damages to Extend Commercial Operation Deadline.

Seller may extend the Commercial Operation Deadline by paying to SCE damages in an amount equal to one percent (1%) of the Development Security per day for each day (or portion thereof) from and including the Commercial Operation Deadline to and excluding the Commercial Operation Date ("Daily Delay Liquidated Damages").

To extend the Commercial Operation Deadline, Seller must, at the earliest possible time, but no later than 6 a.m. on the first day of the proposed Commercial Operation Deadline extension, provide SCE with Notice of Seller's election to extend the Commercial Operation Deadline along with Seller's estimate of the duration of the extension and its payment of Daily Delay Liquidated Damages for the full estimated Commercial Operation Deadline extension period.

Seller may further extend the Commercial Operation Deadline beyond the original Commercial Operation Deadline extension period subject to the same terms applicable to the original Commercial Operation Deadline extension.

The Daily Delay Liquidated Damages payments applicable to days included in any Commercial Operation Deadline extension are nonrefundable and are in addition to, and not a part of, the Development Security.

Seller will be entitled to a refund (without interest) of any estimated Daily Delay Liquidated Damages payments paid by Seller which exceed the amount required to cover the number of days by which the Commercial Operation Deadline was actually extended.

In no event may Seller extend the Commercial Operation Deadline for more than a total of two hundred (200) days by the payment of Daily Delay Liquidated Damages.

(d) Failure to Meet Commercial Operation Deadline; Milestone Amount.

(i) Subject to Seller's right to extend the Commercial Operation Deadline as provided in Section 3.06(c), Section 1.04, and Section 5.03 (for Force Majeure where Seller is the Claiming Party), if the Commercial Operation Date does not occur on or before the Commercial Operation Deadline, or Seller and SCE mutually agree in writing that the Commercial Operation Date will not occur on or before the Commercial Operation Deadline, or if this Agreement is terminated due to an Event of Default by Seller occurring prior to the Commercial Operation Deadline, then SCE shall be entitled to:

- (A) Retain the entire Development Security and Milestone Amount (if any), including the right to draw on and retain for SCE's sole benefit any Letter of Credit and the proceeds thereof, as well as any cash, posted as Development Security; and
- (B) Terminate this Agreement (if not already terminated by SCE as a result of the Event of Default by Seller).

If this Agreement is terminated under this Section 3.06(d)(i) or due to an Event of Default by Seller occurring prior to the Commercial Operation Deadline, the Development Security required under this Agreement and the Milestone Amount (if any) will constitute the amount of the Forward Settlement Amount owed to SCE by Seller for such termination, and Seller shall remain liable for any amounts owed as of the termination date and any obligations Seller may have in accordance with Section 2.06(a).

In addition, subject to Section 2.06(b), neither Party shall have liability for damages for failure to deliver or purchase Product after the effective date of termination under this Section 3.06(d).

(ii) If Seller fails to meet any of the following Milestone Schedule deadlines (after the application of any extension of the Commercial Operation Date in accordance with Sections 1.04(a) or 1.04(b)): (1) groundbreaking for the Generating Facility does not occur within four (4) calendar months after the applicable date set forth in the Milestone Schedule; (2) the procurement of arrays for the Generating Facility does not occur within six (6) calendar months after the applicable date set forth in the Milestone Schedule; or (3) close of construction financing for the Generating Facility is not completed within five (5) calendar months after the applicable date set forth in the Milestone Schedule,

then SCE shall be entitled to draw on any Letter of Credit and retain

for its sole benefit, such proceeds or any other cash posted by Seller, in an amount equal to fifty percent (50%) of the Development Security (such fifty percent of the Development Security, the “Milestone Amount”); *provided, however*, SCE shall be entitled to only one such draw for the Milestone Amount regardless of whether Seller fails to meet one of the aforementioned Milestone Schedule deadlines or two or more of the aforementioned Milestone Schedule deadlines.

If SCE draws against any Letter of Credit or retains any posted cash pursuant to this Section 3.06(d)(ii), Seller shall replenish the Letter of Credit or cash collateral to the full Development Security amount as set forth in Section 3.06(a) within three (3) Business Days after such draw or retention; *provided*, SCE shall retain the full Milestone Amount, in addition to the full Development Security amount, if Seller fails to meet the Commercial Operation Deadline in accordance with Section 1.04 and Section 3.06(d)(i); *provided, however*, Seller shall be entitled to the return of the full Milestone Amount (in addition to any portion of the Development Security that may otherwise be returned to Seller as provided in this Section 3.06) in accordance with Exhibit L if Seller meets the Commercial Operation Deadline in accordance with Section 1.04.

(e) Full Return of Development Security.

The Development Security and Milestone Amount (if any) will be returned to Seller in accordance with the procedure set forth in Exhibit L in each of the following circumstances:

- (i) Subject to the Commercial Operation Date occurring on or before the Commercial Operation Deadline or any extended Commercial Operation Deadline as provided in this Agreement, if Seller demonstrates the full Contract Capacity in accordance with the procedure set forth in Exhibit L on or before the Firm Operation Date; or
- (ii) If this Agreement is terminated in accordance with Sections 2.04(a) or 5.05; *provided*, that a termination under Section 5.05 only entitles Seller to a return of the Development Security and Milestone Amount (if any) if the termination is based on a Force Majeure that prevents the Commercial Operation Date from occurring on or before the Commercial Operation Deadline or prevents Seller from demonstrating full Contract Capacity by the Firm Operation Date.

(f) Partial Return of the Development Security.

If the Commercial Operation Date occurs on or before the Commercial Operation Deadline, but Seller is only able to demonstrate a portion of the Contract Capacity (as may have been adjusted in accordance with

The contents of this document are subject to restrictions on disclosure as set forth herein.

Section 1.01(h)(1) if applicable) in accordance with the procedure set forth in Exhibit L by the Firm Operation Date, then Seller will be entitled to a return of (i) only a portion of the Development Security equal to the product of thirty dollars (\$30) per kilowatt times the kilowatts of Demonstrated Contract Capacity plus (ii) the Milestone Amount (if any).

(g) Modification of Special Conditions.

As of the Firm Operation Date:

- (i) If the Contract Capacity, as adjusted pursuant to Section 1.01(h)(1), if applicable, is greater than the Demonstrated Contract Capacity,
 - (1) The Contract Capacity will be reduced to an amount equal to the Demonstrated Contract Capacity;
 - (2) The Curtailment Cap will be recalculated by multiplying the adjusted Contract Capacity by fifty (50) hours per Term Year.
 - (3) The Expected Annual Net Energy Production will be recalculated using the Installed DC Rating pursuant to the procedures in Exhibit L; and
 - (4) The Performance Assurance Amount for the Performance Assurance required to be posted and maintained pursuant to Section 8.02 will be recalculated using such adjusted Contract Capacity, and any amount of Performance Assurance in excess of that required for the adjusted Contract Capacity will be returned to Seller.
- (ii) Neither Party will have any liability for failure to purchase or deliver Product associated with or attributable to capacity in excess of the Demonstrated Contract Capacity (“Unincluded Capacity”), subject to Section 3.06(i).

(h) Partial Retention of Development Security for Reduction in Contract Capacity.

If Seller elects to exercise its rights to reduce the Contract Capacity in accordance with Section 1.01(h), then, concurrently with its Capacity Permit Reduction Notice, Seller shall provide SCE with a written request for return of Development Security in the amount equal to the product of fifteen dollars (\$15) per kilowatt times the kilowatts of Capacity Permit Reduction Quantity.

Upon SCE’s receipt and acceptance of a Capacity Permit Reduction Notice in accordance with Section 1.01(h)(iii):

- (i) SCE shall retain for its sole benefit, free from any claim or right of any nature whatsoever of Seller, including any equity or right of purchase or redemption by Seller, the quantity of Development Security that is

- equal to the product of fifteen dollars (\$15) per kilowatt times the kilowatts of Capacity Permit Reduction Quantity (the “Permit Capacity Reduction Amount”);
- (ii) If there is no Event of Default or Potential Event of Default with respect to Seller, SCE shall return to Seller, within five (5) Business Days after the later of SCE’s receipt of the written request or its acceptance of Capacity Permit Reduction Notice, Development Security held by SCE as of the date of the Capacity Permit Reduction Notice equal to the product of fifteen dollars (\$15) per kilowatt times the kilowatts of Capacity Permit Reduction Quantity; and
 - (iii) The amount of Development Security required under this Agreement shall be recalculated with the adjusted Contract Capacity.
- (i) Restrictions on Sales Related to Unincluded Capacity, Capacity Permit Reduction Quantity and Additional Capacity.
- (i) Neither Seller nor Seller’s Affiliates may sell or enter into an agreement to sell, to a party other than SCE, from any generating facility installed at the Site, electric energy, Green Attributes, Capacity Attributes or Resource Adequacy Benefits associated with or attributable to (a) Unincluded Capacity for a period of two (2) years following SCE’s Notice to Seller of Seller’s partial forfeiture of the Development Security pursuant to Exhibit L; (b) Capacity Permit Reduction Quantity for a period of two (2) years following Capacity Permit Reduction Notice; or (c) Additional Capacity for a period of two (2) years following the Firm Operation Date.
 - (ii) With respect to Seller’s Affiliates, the prohibition on contracting and sale as set forth in Section 3.06(i)(i) will not apply if, before entering into the contract or making a sale to a party other than SCE, any Seller’s Affiliate wishing to enter into a contract or sale provides SCE with a written offer to sell the electric energy, Green Attributes, Capacity Attributes and Resource Adequacy Benefits related to Unincluded Capacity, Capacity Permit Reduction Quantity, or Additional Capacity to SCE on terms and conditions materially similar to or no less favorable to SCE than the terms and conditions contained in this Agreement and SCE fails to accept such offer within forty-five (45) days after SCE’s receipt thereof; *provided*, any Seller’s Affiliate wishing to enter into a contract or sale must:
 - (1) Build a new generating facility physically separate from the Site and Generating Facility to produce such additional electric energy and associated attributes;
 - (2) Establish an entity other than Seller to act as the seller for such additional electric energy and associated attributes;

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (3) Meter such additional generating capacity separately from the Generating Facility, to SCE's sole satisfaction; and
- (4) Install a separate step-up transformer to interconnect such additional generating capacity to the Transmission Provider, to SCE's sole satisfaction.

If the preceding conditions are met, Seller's Affiliates (but not Seller) will be free to sell the Unincluded Capacity, Capacity Permit Reduction Quantity, or Additional Capacity, as applicable, to third parties.

3.07 Seller's Energy Delivery Obligation.

On the commencement of the first Term Year and for every Term Year thereafter, Seller is subject to the electric energy delivery requirements and damages for failure to perform as set forth in this Section 3.07, *provided, however*, the performance obligations of this Section 3.07 shall not apply to the final Term Year of the Curtailment Return Term if Seller fulfills its return obligation (*i.e.*, supplies three (3) times the Banked Curtailed Energy) before the end of the final Term Year of the Curtailed Return Term.

(a) Performance Requirements.

(i) Seller's Energy Delivery Obligation.

Seller's Energy Delivery Obligation for the applicable Calculation Period equals eighty five percent (85%) of the sum of the Expected Annual Net Energy Production for the Term Years in the applicable Calculation Period.

(ii) Event of Deficient Energy Deliveries.

At the end of each Term Year commencing with the end of the second Term Year, if the sum of the Qualified Amounts plus any Lost Output (calculated in accordance with Exhibit M) in the applicable Calculation Period does not equal or exceed Seller's Energy Delivery Obligation, then an Event of Deficient Energy Deliveries will be deemed to have occurred.

(b) Product Replacement Damage Amount.

- (i) If an Event of Deficient Energy Deliveries occurs, as determined in accordance with Section 3.07(a)(ii) above, the Parties acknowledge that the damages sustained by SCE associated with Seller's failure to meet Seller's Energy Delivery Obligation would be difficult or impossible to determine, or that obtaining an adequate remedy would be unreasonably time consuming or expensive, and therefore agree that Seller shall pay SCE as liquidated damages an amount which is intended to compensate SCE for Seller's failure to perform,

irrespective of whether SCE actually purchased such replacement electric energy by reason of Seller's failure to perform (the "Product Replacement Damage Amount").

- (ii) Within ninety (90) days after the end of the applicable Term Year, SCE shall calculate any Product Replacement Damage Amount as set forth in Exhibit F, and shall provide Notice to Seller of any Product Replacement Damage Amount owing, including a detailed explanation of, and rationale for, its calculation methodology, annotated work papers and source data.
 - (iii) Seller shall have thirty (30) days after receipt of SCE's Notice to review SCE's calculation and either pay the entire Product Replacement Damage Amount claimed by SCE or pay any undisputed portion and provide Notice to SCE of the portion Seller disputes along with a detailed explanation of, and rationale for, Seller's calculation methodology, annotated work papers and source data.
 - (iv) The Parties shall negotiate in good faith to resolve any disputed portion of the Product Replacement Damage Amount and shall, as part of such good faith negotiations, promptly provide information or data relevant to the dispute as each Party may possess which is requested by the other Party.
 - (v) If the Parties are unable to resolve a dispute regarding any Product Replacement Damage Amount within thirty (30) days after the sending of a Notice of dispute by Seller, either Party may submit the dispute to mediation and arbitration as provided in Article Twelve.
- (c) Continuing Obligations of Seller.

Notwithstanding any payment of a Product Replacement Damage Amount, all of Seller's obligations under Sections 3.01 and 3.02 continue to apply.

3.08 Metering, Communications, Telemetry and Meteorological Station(s).

- (a) CAISO Approved Meter.

Seller shall, at its own cost, install, maintain and test all CAISO Approved Meters pursuant to the CAISO Tariff.

- (b) Check Meter.

Seller will permit SCE to furnish and install one Check Meter on the high voltage side of the step-up transformer, substation, or any other location associated with the Generating Facility, in compliance with the applicable load serving entity and electric service provider electric service requirements. Each Check Meter must be interconnected with SCE's communication network to permit:

- (i) Periodic, remote collection of revenue quality meter data; and
 - (ii) Back-up real time transmission of operating-quality meter data.
- (c) SCE's Access to Meters.
- (i) Subject to Section 3.19, Seller hereby grants SCE reasonable access to all CAISO Approved Meters and Check Meters for meter readings and any purpose necessary to effectuate this Agreement.
 - (ii) Seller shall promptly provide SCE access to all meter data and data acquisition services both in real-time, and at later times, as SCE may reasonably request.
 - (iii) Prior to Initial Synchronization, Seller shall provide instructions to the CAISO granting authorizations or other documentation sufficient to provide SCE with access to the CAISO Approved Meter and to Seller's settlement data on OMAR.
- (d) CAISO Approved Meter Maintenance.
- (i) Seller shall test and calibrate the CAISO Approved Meter, as necessary, but in no event will the period between testing and calibration dates be greater than twelve (12) months.
 - (ii) Seller shall bear its own costs for any meter check or recertification of the CAISO Approved Meter.
 - (iii) Seller shall replace the CAISO Approved Meter battery at least once every thirty-six (36) months or such shorter period as may be recommended by the battery manufacturer.

Notwithstanding the foregoing, if the CAISO Approved Meter battery fails, Seller shall replace such battery within two (2) days after becoming aware of its failure.
 - (iv) Seller shall use certified test and calibration technicians to perform any work associated with the CAISO Approved Meter.
 - (v) Seller shall inform SCE of test and calibration dates, provide SCE with access to observe and witness such testing and calibration, and provide SCE certified results of tests and calibrations within thirty (30) days after completion.
- (e) SCADA and Telemetry System.

All communication, metering, telemetry, and associated generation operation equipment will be centralized into the Generating Facility's SCADA. Seller shall configure the SCADA so that SCE may access it via the GMS from the GOC. Seller shall link the systems via an approved SCE communication network, utilizing existing industry standard network protocol, as approved by SCE. The connection will be bidirectional in nature and used by the Parties to

exchange all data points to and from the GOC. Seller shall be responsible for the costs of installing, configuring, maintaining and operating the SCADA and internal site links for the Generating Facility.

Seller shall be responsible for designing, furnishing, installing, operating, maintaining and testing a real time Telemetry System capable of interconnecting the GMS, the CAISO-Approved Meter(s) and the Generating Facility's control system with the CAISO's Energy Communication Network.

The Telemetry System shall be designed in accordance with the CAISO monitoring and communication requirements and must be capable of:

- (i) Reporting data from each CAISO-Approved Meter;
- (ii) Providing the status of key control points from the Generating Facility's control system;
- (iii) Routing generating unit set points to the Generating Facility's control system; and
- (iv) Communicating availability of the Generating Facility pursuant to Section 3.08(g).

The Telemetry System must include a data processing gateway, internet connection, interconnecting cabling and all service agreements required for accessing the CAISO's Energy Communications Network.

The above mentioned connections and data transfer must be included in the systems engineering tasks as a part of the construction of the Generating Facility, and must be fully functional sixty (60) days before Initial Synchronization.

(f) Meteorological Station(s) and Reporting Requirements.

Seller, at its own expense, shall install and maintain one (1) or more stand-alone meteorological stations at the Generating Facility in accordance with Exhibit T to monitor and report weather data to both the CAISO and the existing SCE weather station data collection system.

The station(s) must be installed at least sixty (60) days before Initial Synchronization.

The station(s) must be equipped with the Meteorological Equipment, as may be modified by Seller at SCE's direction from time to time to reflect the CAISO's PIRP protocol and the requirements of Exhibit M.

The station(s) must be designed to collect and record data in accordance with CAISO's PIRP protocols and the requirements of Exhibit M.

Data reports must be formatted in a manner consistent with the CAISO requirements published on the CAISO internet website.

Telemetry equipment must be designed to function in accordance with CAISO's PIRP protocols.

The station(s) must be equipped to measure and record the minimum data required by the CAISO, in the manner specified by the CAISO.

Seller shall submit to SCE for review and approval as to compatibility with SCE's weather collection system, Seller's technical specifications for the meteorological station(s) in conjunction with the site plan showing the location of the station(s), Photovoltaic Modules, Current Inverters, and other prominent features, as applicable. If Seller makes a change to the Site Plan or the Generating Facility that may impact the location or required specifications for the meteorological station(s), Seller must re-submit Seller's technical specifications for the meteorological station(s) for SCE's review and approval, and SCE shall have ten (10) Business Days to approve such change in specifications in writing.

(g) Real-Time Communication of Availability.

- (i) Sixty (60) days prior to Initial Synchronization, Seller shall install a telecommunication system and demonstrate to SCE's reasonable satisfaction that the system interfaces with the Web Client and the GMS to provide SCE with Seller's Real-Time Availability.
- (ii) Seller shall maintain the telecommunications path, the hardware, and software to provide quality data to SCE throughout the Delivery Term.
- (iii) Upon Notice from SCE, Seller shall repair or have corrected as soon as commercially reasonable, but in no event later than five (5) days of receipt of such Notice of any:
 - (1) Inoperable telecommunications path;
 - (2) Inoperable software; or
 - (3) Faulty instrumentation.
- (iv) Seller shall submit an Actual Availability Report pursuant to Section 3.24 for any month in which Seller's telecommunications system was not available or did not provide quality data for longer than twenty-four (24) continuous hours.

3.09 Site Location and Control.

- (a) This Agreement is Site specific as set forth in Section 1.01(b) and Exhibit B-1. Seller may change the Site only upon SCE's prior written consent, which consent is in SCE's sole discretion. However, Seller may change the layout of the arrays within the Site at any time up to one hundred twenty days (120) prior to Initial Synchronization, so long as within thirty (30) days of the date the layout was changed (i) Seller provides SCE with

Notice and an updated Exhibit B-1 showing the new layout, (ii) Seller provides SCE with revised specifications as required under Sections 3.11(d); and (iii) Seller provides SCE with revised meteorological specifications as required under Section 3.08(f) and SCE provides its approval as described in Section 3.08(f).

- (b) As between Seller and SCE, Seller shall be liable for all penalties assessed by NERC (through WECC or otherwise) for violations of the NERC Reliability Standards by the Generating Facility or Seller, as Generator Operator or other applicable category.

However, if Seller learns that NERC (through WECC or otherwise) is considering or intends to assess Seller with a penalty that Seller believes is attributable to SCE's actions or inactions as SC as described in the document entitled "NERC Reliability Standards - Responsibilities of the Generator Operator, Scheduling Coordinator, CAISO, and Reliability Coordinator" on the CAISO website at <http://www.caiso.com/2776/2776e59021220.html>, under Generator Reliability Communication Protocol or other successor description or document in effect at the time of the potential assessment, Seller shall provide SCE with sufficient notice to allow SCE to take part in administrative processes, discussions or settlement negotiations with NERC, WECC or other entity arising from or related to the alleged violation or possible penalty. If the penalty is nonetheless assessed in spite of SCE's participation in the processes, discussions or settlement negotiations, or SCE waives its right to take part in the processes, discussion or settlement negotiations, or Seller gives SCE advance Notice of Seller's mitigation plan and Seller and SCE mutually agree that Seller, or Seller and SCE (at SCE's sole discretion), shall implement the mitigation plan, then SCE shall reimburse Seller for the penalty or the agreed upon mitigation costs to the extent that:

- (i) The sole cause of Seller's violation and the potential penalty was SCE's actions or inactions as SC as described on the CAISO website at <http://www.caiso.com/2776/2776e59021220.html>, under Generator Reliability Communication Protocol or other successor description or document in effect at the time of the violation, and Seller was not able, despite its reasonable efforts, to avoid the effect of SCE's actions or inactions as SC; and
- (ii) Seller can establish to SCE's reasonable satisfaction that the penalty was actually assessed against Seller by NERC or WECC and paid by Seller to NERC or Seller actually incurred reasonable mitigation costs consistent with the mutually agreed upon mitigation plan; and

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (iii) If Seller seeks reimbursement for mitigation costs, such costs do not exceed the lesser of the agreed upon costs under the agreed upon mitigation plan or the possible penalty.

SCE's participation in the administrative process, discussions or settlement negotiations shall not preclude Seller from disputing any violation or penalty, whether assessed or proposed, against Seller; *provided, however*, that Seller shall be solely responsible for any incremental increase in the amount of an assessed penalty where such increase is solely the result of Seller's conduct in disputing any violation or penalty.

3.27 Application of Prevailing Wage.

To the extent applicable, Seller shall comply with the prevailing wage requirements of Public Utilities Code Section 399.14, subdivision (h).

ARTICLE FOUR. SCE's OBLIGATIONS**4.01 Obligation to Pay and Invoice.**

- (a) SCE shall provide information to Seller regarding CAISO Revenues, CAISO Costs, CAISO Sanctions, and SCE Penalties and shall pay Seller, all in accordance with Exhibit E.
- (b) Throughout the Delivery Term, SCE shall purchase Product generated by the Generating Facility and delivered at the Delivery Point in accordance with this Agreement, the CAISO Tariff Protocols and Applicable Law, *provided*, subject to Section 4.02, SCE has no obligation to purchase from Seller any Product that is not or cannot be delivered to the Delivery Point as a result of any circumstance, including:
 - (i) An outage of the Generating Facility;
 - (ii) A Force Majeure under Article Five; or
 - (iii) A reduction or curtailment of deliveries in accordance with Section 3.12(f).
- (c) SCE will not be obligated to pay Seller for any Product that Seller delivers in violation of Section 3.12(f), including but not limited to any energy Seller delivers in excess of the amount specified in any OSGC Order or RTOSGC Order, and Seller shall pay all CAISO Sanctions and CAISO Costs, and SCE shall retain all CAISO Revenues, associated with such Product.

4.02 Obligations Under MRTU or Equivalent Successor Market.

- (a) If SCE Bids all or a portion of the Forecast-Derived Energy into the Day-Ahead Market and the CAISO awards a Schedule as a result of that Bid:
 - (i) subject to Section 4.02(a)(ii), SCE shall pay Seller for the Metered Amounts in accordance with Exhibit E; and
 - (ii) SCE shall have the right, but not the obligation, to order Seller to curtail the delivery of energy (an "Over-Schedule Generation Curtailment Order" or "OSGC Order") in excess of a Schedule awarded pursuant to this Section 4.02(a) (the "Over-Schedule Generation Curtailment Quantity" or "OSGC Quantity"). SCE shall pay Seller the Product Price, as adjusted by the Product Payment Allocation Factor, for the OSGC Quantity Seller would have been able to deliver but for the fact that SCE issued an OSGC Order. (The amount of energy that could have been delivered will be determined in accordance with Section 3.23 (Lost Output) and Exhibit M, "Sellers Estimate of Lost Output".) The OSGC Quantity is not Curtailed Product.

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (b) If no Schedule is awarded for the Forecast-Derived Energy in the Day-Ahead Market, (unless a Schedule is awarded in the Real-Time Market in response to a Bid under Section 4.02(c) or Section 4.02(d)) then, so long as Seller's Actual Availability establishes that the Generating Facility would have been able to deliver but for the fact a Schedule was not awarded (or with respect to any RTOSGC Quantity):
 - (i) For any non-On-Peak hours (as set forth in Exhibit K), if the Day-Ahead Price is zero dollars (\$0) or greater than zero dollars (\$0) (a positive price), then SCE will pay Seller the Product Price, as adjusted by the Product Payment Allocation Factor, for the Curtailed Product; or
 - (ii) For any non-On-Peak hours (as set forth in Exhibit K), if the Day-Ahead Price is less than zero dollars (\$0) (a negative price), then:
 - (1) if the total amount of Curtailed Product in a Term Year is less than the Curtailment Cap, SCE shall have no payment obligation to Seller for Curtailed Product in that Term Year; or
 - (2) if the total amount of Curtailed Product in a Term Year is greater than the Curtailment Cap, SCE will pay Seller the Product Price, as adjusted by the Product Payment Allocation Factor, for the amount of Curtailed Product greater than the Curtailment Cap in that Term Year. The amount of Curtailed Product paid for by SCE under this Section 4.02(b)(ii)(2) will be included in Banked Curtailed Energy.
 - (iii) For any On-Peak hours (as set forth in Exhibit K), SCE will pay Seller the Product Price, as adjusted by the Product Payment Allocation Factor, for the amount of such Curtailed Product.
 - (1) If the Day-Ahead Price is zero dollars (\$0) or greater than zero dollars (\$0) (a positive price), the amount of Curtailed Product paid for by SCE under this Section 4.02(b)(iii) will not apply toward the Curtailment Cap, and will not be included in Banked Curtailed Energy; or
 - (2) If the Day-Ahead Price is less than zero dollars (\$0) (a negative price), the amount of Curtailed Product paid for by SCE under this Section 4.02(b)(iii) will not apply toward the Curtailment Cap, but will be included in Banked Curtailed Energy.
- (c) Seller may instruct SCE to submit a Bid in the Real-Time Market for the Unawarded Energy; *provided*,
 - (i) Seller's instructions must be submitted prior to 6:00 p.m. PPT on the day before the operating day, and

- (ii) such instructions will specify for each hour of the applicable operating day either:
 - (1) a single price in dollars per MWh for each hour, or
 - (2) that SCE shall Bid the Unawarded Energy as Price Taker.

If a Schedule is awarded by CAISO for that Bid, then Seller shall generate and deliver energy to the Delivery Point and:

- (iii) if the Real-Time Price for the energy delivered under this Section 4.02(c) is zero dollars (\$0) or greater than zero dollars (\$0) (a positive price), then SCE shall pay Seller for the Metered Amounts in accordance with Exhibit E; or
 - (iv) if the Real-Time Price for the energy delivered under this Section 4.02(c) is less than zero dollars (\$0) (a negative price), then SCE shall pay Seller for the Metered Amounts in accordance with Exhibit E and Seller shall pay any CAISO Costs associated with that negative price.
- (d) Notwithstanding an instruction from Seller pursuant to Section 4.02(c) to Bid the Unawarded Energy in the Real-Time Market, SCE shall have the right to Bid the Unawarded Energy at a price lower than the price specified by Seller pursuant to Section 4.02(c)(ii)(1). If Seller does not instruct SCE to Bid the Unawarded Energy in accordance with Section 4.02(c), then SCE may Bid all or a portion of the Unawarded Energy in the Real-Time Market. If a Bid submitted by SCE pursuant to the conditions set forth in either of the two preceding sentences is awarded a Schedule:
- (i) Seller shall generate and deliver energy to SCE at the Delivery Point. SCE shall, subject to Section 4.02(d)(ii), pay Seller for the Metered Amounts in accordance with Exhibit E, and SCE shall pay any CAISO Costs associated with the quantity of energy that was Scheduled and delivered under this Section 4.02(d); and
 - (ii) SCE shall have the right, but not the obligation, to order Seller to curtail the delivery of energy (a “Real-Time Over-Schedule Generation Curtailment Order” or “RTOSGC Order”) in excess of a Schedule awarded pursuant to this Section 4.02(d) (the “Real-Time Over-Schedule Generation Curtailment Quantity” or “RTOSGC Quantity”). The RTOSGC Quantity is Curtailed Product, and SCE shall pay Seller for such Curtailed Product as set forth in Section 4.02(b).

4.03 SCE’s Check Meter.

- (a) Providing Access to Seller.

Before Initial Synchronization, SCE shall provide to Seller remote access to the Check Meter through a website as specified by SCE. SCE may change the website and protocols from time to time.

(b) Testing of Check Meter.

SCE shall test and recalibrate the Check Meter at least once every Term Year. The Check Meter will be locked or sealed, and the lock or seal will be broken, only by a SCE representative. Seller has the right to be present whenever such lock or seal is broken. SCE shall replace the Check Meter battery at least once every 36 months; *provided*, if the Check Meter battery fails, SCE shall promptly replace such battery.

(c) Use of Check Meter for Back-Up Purposes.

(i) SCE shall routinely compare the Check Meter data to the CAISO Approved Meter data after adjusting the Check Meter for any compensation introduced by the CAISO into the CAISO Approved Meter.

(ii) If the deviation between the CAISO Approved Meter data and the Check Meter data for any comparison is greater than 0.3%, SCE shall provide Notice to Seller of such deviation and the Parties will mutually arrange for a meter check or recertification of the Check Meter or CAISO Approved Meter, as applicable.

(iii) SCE will bear its own costs for any meter check or recertification of the Check Meter.

(d) Testing procedures and standards for the Check Meter will be the same as for a comparable SCE-owned revenue-grade meter. Seller has the right to have representatives present during all such tests.

4.04 Scheduling Coordinator.

Commencing on Initial Synchronization, SCE shall act as Seller's Scheduling Coordinator and carry out all duties as Scheduling Coordinator in accordance with CAISO Tariff protocols.

4.05 Termination of Scheduling Coordinator.

SCE shall submit a letter to the CAISO identifying the date on which SCE resigns as Seller's Scheduling Coordinator on the first to occur of the following:

(a) Thirty (30) days before the end of the Term; *provided*, the effective date of resignation provided by SCE to the CAISO shall be the last day of the end of the Term, so long as there is no Event of Default or Potential Event of Default with respect to Seller;

(b) The date of any Notice from Seller of suspension of its performance pursuant to Section 6.02; or

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (c) The date of any early termination of this Agreement.

4.06 Exclusive Rights to Product and Cost Responsibility.

- (a) SCE has the exclusive right, at any time or from time to time throughout the Delivery Term, to sell, assign, convey, transfer, allocate, designate, award, report or otherwise provide any and all such Green Attributes, Capacity Attributes or Resource Adequacy Benefits to third parties; *provided*, no such action constitutes a transfer of, or a release of SCE of, its obligations under this Agreement.
- (b) Subject to Seller's obligations under this Agreement, including Sections 3.01, 3.02, 3.08, 3.12 and 3.20, SCE shall be responsible for any costs arising from or directly related to SCE's accounting for or otherwise claiming Green Attributes, Capacity Attributes and Resource Adequacy Benefits.

4.07 Interest Payments on Cash Deposits.

- (a) SCE shall make monthly Simple Interest Payments, calculated using the Federal Funds Effective Rate, to Seller on cash amounts posted for the:
 - (i) Development Security; and
 - (ii) Performance Assurance.
- (b) Upon receipt of a monthly invoice (provided by Seller to SCE's Manager of Credit and Collateral as set forth in Exhibit C) that sets forth the calculation of the Simple Interest Payment amount due, SCE shall make payment thereof by the third (3rd) Local Business Day of the first month after the last month to which the invoice relates so long as such date is after the day on which such invoice is received; *provided*,
 - (i) No Event of Default has occurred and is continuing with respect to Seller; and
 - (ii) No Early Termination Date for which any unsatisfied payment obligation of Seller exists, has occurred or has been designated as the result of an Event of Default by Seller.
- (c) On or after the occurrence of an Event of Default by Seller or an Early Termination Date as a result of an Event of Default by Seller, SCE will retain any such Simple Interest Payment amount as an additional Development Security amount or a Performance Assurance amount hereunder until:
 - (i) In the case of an Early Termination Date, the obligations of Seller under this Agreement have been satisfied; or
 - (ii) In the case of an Event of Default, for so long as such Event of Default is continuing.

ARTICLE FIVE. FORCE MAJEURE

5.01 No Default for Force Majeure.

Neither Party will be considered to be in default in the performance of any of its obligations set forth in this Agreement (except for obligations to pay money) when and to the extent failure of performance is caused by Force Majeure.

5.02 Requirements Applicable to the Claiming Party.

If a Party, because of Force Majeure, is rendered wholly or partly unable to perform its obligations when due under this Agreement, that Party (the “Claiming Party”), will be excused from whatever performance is affected by the Force Majeure to the extent so affected, *provided*, the Claiming Party must have complied with (a) and (b) directly below.

In order to be excused from its performance obligations hereunder by reason of Force Majeure:

- (a) The Claiming Party must give the other Party Notice describing the particulars of the occurrence within fourteen (14) days after the earlier of:
 - (i) The initial occurrence of the claimed Force Majeure; or
 - (ii) The first day that the Claiming Party knew or should have known that the claimed Force Majeure could or was reasonably likely to, in whole or in part, delay the Claiming Party’s performance under this Agreement, cause the Claiming Party to be unable to perform its obligations, or prevent the Claiming Party from complying with or satisfying the conditions of this Agreement; and
- (b) The Claiming Party must provide timely evidence reasonably sufficient to establish that the occurrence constitutes Force Majeure as defined in this Agreement.

The suspension of the Claiming Party’s performance due to Force Majeure will be of no greater scope and of no longer duration than is required by the Force Majeure.

In addition, the Claiming Party shall use commercially reasonable and diligent efforts to remedy its inability to perform.

This Section does not require the settlement of any strike, walkout, lockout or other labor dispute on terms which, in the sole judgment of the Claiming Party, are contrary to its interest. It is understood and agreed that the settlement of strikes, walkouts, lockouts or other labor disputes will be at the sole discretion of the Claiming Party.

When the Claiming Party is able to resume performance of its obligations under this Agreement, the Claiming Party shall give the other Party prompt Notice to that effect.

5.03 Commercial Operation Deadline Extension.

If the Commercial Operation Date does not occur on or before the Commercial Operation Deadline as the result of a Force Majeure occurring before the Commercial Operation Deadline, then the Commercial Operation Deadline will, subject to Sections 1.04 and 5.05 and Seller's compliance with its obligations as the Claiming Party under Section 5.02, be extended on a day-for-day basis for the duration of the Force Majeure.

5.04 Firm Operation Date Extension.

If Force Majeure occurs at any time after commencement of the Term, but before the Firm Operation Date, which prevents Seller from demonstrating the Contract Capacity as provided in Sections 3.06(e) or 3.06(f), then the Firm Operation Date will, subject to Seller's compliance with its obligations as the Claiming Party under Sections 5.02 and 5.05, be extended on a day-for-day basis for the duration of the Force Majeure.

5.05 Termination.

Either Party may terminate this Agreement on Notice, which will be effective five (5) Business Days after such Notice is provided, if:

- (a) except to the extent addressed in subsections (b) and (c) below as separate events of Force Majeure, an event of Force Majeure extends for more than three hundred sixty-five (365) consecutive days which materially and adversely affects the operations of the Claiming Party; *provided, however*, if the Generating Facility suffers an event constituting a Force Majeure which materially and adversely affects the operations of the Generating Facility, and Seller has not, in SCE's reasonable opinion, been able to repair the Generating Facility within three hundred sixty-five (365) days in spite of diligent, good faith efforts, then Seller may have an additional period of time as determined by SCE in consultation with a Licensed Professional Engineer, but in no event longer than 180 days, to complete the repairs to the Generating Facility; or
- (b) the Generating Facility is destroyed or rendered inoperable by a Force Majeure caused by a catastrophic natural disaster and a Licensed Professional Engineer determines in writing that the Generating Facility cannot be repaired or replaced within an aggregate period of twenty-four (24) months after the first day of the catastrophic natural disaster;
- (c) an event of Force Majeure for which SCE is the claiming Party extends for more than six months and the Force Majeure has prevented SCE from complying with its obligations as Schedule Coordinator under this Agreement for such six (6) month period; or

- (d) an event of Force Majeure claimed by Seller pursuant to this Article Five extends the Commercial Operation Deadline beyond May 24, 2018.

No later than forty-five (45) days after Seller provides SCE with Notice of Force Majeure pursuant to Section 5.05(a) and (b) above, Seller shall provide SCE with a list of potential Licensed Professional Engineers for SCE's review and approval.

Seller shall reimburse SCE for the cost of the Licensed Professional Engineer.

ARTICLE SEVEN. LIMITATIONS OF LIABILITIES

EXCEPT AS SET FORTH HEREIN, THERE ARE NO WARRANTIES BY EITHER PARTY UNDER THIS AGREEMENT, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY AND ALL IMPLIED WARRANTIES ARE DISCLAIMED. THE PARTIES CONFIRM THAT THE EXPRESS REMEDIES AND MEASURES OF DAMAGES PROVIDED IN THIS AGREEMENT SATISFY THE ESSENTIAL PURPOSES HEREOF.

FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY OR MEASURE OF DAMAGES IS PROVIDED, SUCH EXPRESS REMEDY OR MEASURE OF DAMAGES WILL BE THE SOLE AND EXCLUSIVE REMEDY, THE OBLIGOR'S LIABILITY WILL BE LIMITED AS SET FORTH IN SUCH PROVISION AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED, UNLESS THE PROVISION IN QUESTION PROVIDES THAT THE EXPRESS REMEDIES ARE IN ADDITION TO OTHER REMEDIES THAT MAY BE AVAILABLE.

SUBJECT TO SECTION 12.04, IF NO REMEDY OR MEASURE OF DAMAGES IS EXPRESSLY PROVIDED HEREIN, THE OBLIGOR'S LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, SUCH DIRECT ACTUAL DAMAGES WILL BE THE SOLE AND EXCLUSIVE REMEDY AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED.

WITH RESPECT TO SELLER, DIRECT DAMAGES INCLUDE THE VALUE OF ANY FEDERAL INVESTMENT TAX CREDITS, DETERMINED ON AN AFTER-TAX BASIS, THAT ARE LOST BY SELLER DUE TO AN EVENT OF DEFAULT BY SCE WHERE SELLER PROVIDED NOTICE OF EARLY TERMINATION TO SCE IN ACCORDANCE WITH SECTION 6.02(a) AND SELLER HAS NOT BEEN ABLE TO MITIGATE THAT LOSS AFTER USE OF REASONABLE EFFORTS. WITH RESPECT TO SCE, DIRECT DAMAGES INCLUDE THE VALUE OF GREEN ATTRIBUTES, CAPACITY ATTRIBUTES, RESOURCE ADEQUACY BENEFITS AND BANKED CURTAILED ENERGY.

UNLESS EXPRESSLY PROVIDED IN THIS AGREEMENT, INCLUDING WITHOUT LIMITATION THE PROVISIONS OF SECTION 10.03 (INDEMNITY), NEITHER PARTY WILL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE.

IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE.

TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE DAMAGES CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

NOTHING IN THIS ARTICLE PREVENTS, OR IS INTENDED TO PREVENT SCE FROM PROCEEDING AGAINST OR EXERCISING ITS RIGHTS WITH RESPECT TO ANY DEVELOPMENT SECURITY, OR PERFORMANCE ASSURANCE.

ARTICLE EIGHT. CREDIT AND COLLATERAL REQUIREMENTS**8.01 Financial Information.**

- (c) For purposes of the requirement set forth in Section 8.01(a):

 - (ii) Should any such financial statements not be available on a timely basis due to a delay in preparation or certification, that delay will not be an Event of Default so long as the producing party diligently pursues the preparation, certification and delivery of the statements.

8.02 Performance Assurance.

(a) Posting Performance Assurance.

On or before the Commercial Operation Date, Seller shall post Performance Assurance with SCE.

The Performance Assurance Amount due to SCE by Seller will be as set forth in Section 1.08.

The Performance Assurance Amount shall be posted to SCE and maintained at all times during the Term and thereafter until such time as Seller has satisfied all monetary obligations which survive any termination of this Agreement, not to exceed one year following the end of the Term.

The Performance Assurance Amount must be either in the form of cash or Letter of Credit acceptable to SCE, *provided*, on the commencement of the Term, if Seller has posted the Development Security in the form of cash or a Letter of Credit and SCE has not either returned the Development Security to Seller or given Seller Notice, pursuant to Exhibit L, of its determination regarding the disposition of the Development Security by such date, then Seller may withhold the portion of the Performance Assurance Amount equal to the Development Security or any portion thereof held by SCE at that time until three (3) Business Days following the later of Seller's receipt or forfeiture of the Development Security or any portion thereof pursuant to Section 3.06 and Exhibit L, after which Seller shall be obligated to post the full Performance Assurance Amount.

In *lieu* of cash or a Letter of Credit, SCE may accept a Guaranty Agreement, in accordance with Section 8.02(c), from a Guarantor acceptable to SCE, to satisfy Seller's Performance Assurance obligation.

(b) Letters of Credit.

Performance Assurance or Development Security provided in the form of a Letter of Credit must be subject to the following provisions:

- (i) Each Letter of Credit must be maintained for the benefit of SCE;
- (ii) Seller shall:
 - (1) Renew or cause the renewal of each outstanding Letter of Credit on a timely basis as provided in the relevant Letter of Credit;
 - (2) If the bank that issued an outstanding Letter of Credit has indicated its intent not to renew such Letter of Credit, provide alternative Performance Assurance or Development Security acceptable to SCE at least twenty (20) Business Days before the expiration of the outstanding Letter of Credit; and

- (3) If the bank issuing a Letter of Credit fails to honor SCE's properly documented request to draw on an outstanding Letter of Credit, provide alternative Performance Assurance or Development Security acceptable to SCE within three (3) Business Days after such refusal;
- (iii) Upon the occurrence of a Letter of Credit Default, Seller shall provide to SCE either a substitute Letter of Credit or alternative Performance Assurance or Development Security acceptable to SCE, in each case on or before the first Business Day after the occurrence thereof. Upon the occurrence of Letter of Credit Derating, Seller shall provide to SCE either a substitute Letter of Credit or alternative Performance Assurance or Development Security acceptable to SCE, in each case on or before the fifth (5th) Business Day after the occurrence of the Letter of Credit Derating;
- (iv) Upon, or at any time after, the occurrence and continuation of an Event of Default by Seller, or if an Early Termination Date has occurred or been designated as a result of an Event of Default by Seller for which there exist any unsatisfied payment obligations, then SCE may draw on any undrawn portion of any outstanding Letter of Credit upon submission to the bank issuing such Letter of Credit of one or more certificates specifying that such Event of Default or Early Termination Date has occurred and is continuing.

In addition, SCE will have the right to draw on the Letter of Credit for any of the following reasons:

- (1) The Letter of Credit will expire in fewer than twenty (20) Local Business Days and Seller has not provided SCE alternative Performance Assurance or Development Security acceptable to SCE.
- (2) The Seller or the issuer of the Letter of Credit has provided written notice to SCE of either Seller's or the issuer's intent not to renew the Letter of Credit following the present Expiration Date thereof ("Notice of Non-Renewal"), and Seller has failed to provide SCE with a replacement letter of credit satisfactory to SCE in its sole discretion within thirty (30) days following the date of the Notice of Non-Renewal.
- (3) SCE has not been paid any or all of Seller's payment obligations due and payable under the Agreement.

Cash proceeds received by SCE from drawing upon the Letter of Credit pursuant to this Section 8.02(b)(iv)(except item (3) above for payment obligations due and payable) will be deemed Performance Assurance or Development Security (as applicable) as security for

Seller's obligations to SCE and SCE will have the rights and remedies set forth in Section 8.03 with respect to such cash proceeds.

Notwithstanding SCE's receipt of cash proceeds of a drawing under the Letter of Credit, Seller shall remain liable for any:

- (1) Failure to provide or maintain sufficient Performance Assurance or Development Security (including failure to replenish a Letter of Credit to the full Performance Assurance Amount or Development Security in the event that SCE draws against the Letter of Credit for any reason other than to satisfy a Termination Payment); or
 - (2) Any amounts owing to SCE and remaining unpaid after the application of the amounts so drawn by SCE; and
 - (v) In all cases, the costs and expenses of establishing, renewing, replenishing, substituting, canceling, and increasing the amount of any and all Letters of Credit will be borne by Seller.
- (c) Guaranty Agreement.

Any Guaranty Agreement must be in the form of Exhibit I executed by the Guarantor or other party acceptable to SCE meeting the Credit Rating requirements for the Guarantor set forth immediately below. The Guarantor shall maintain a Credit Rating of at least:

- (i) "BBB-" from S&P or Fitch and "Baa3" from Moody's, if it is rated by S&P and Moody's or Fitch and Moody's; or
- (ii) "BBB-" from S&P or Fitch or "Baa3" from Moody's if it is rated by only one of S&P, Moody's or Fitch.

If at any time the Guarantor fails to maintain such Credit Ratings, Seller shall provide to SCE Performance Assurance in the form of cash or a Letter of Credit, or a replacement Guaranty Agreement from a party acceptable to SCE, within five (5) Business Days.

8.03 First Priority Security Interest in Cash or Cash Equivalent Collateral.

To secure its obligations under this Agreement, and until released as provided herein, Seller hereby grants to SCE a present and continuing first-priority security interest ("Security Interest") in, and lien on (and right to net against), and assignment of the Development Security, Performance Assurance, Milestone Amount (if any), any other cash collateral and cash equivalent collateral posted pursuant to Sections 3.06 and 8.02 and any and all interest thereon or proceeds resulting therefrom or from the liquidation thereof, whether now or hereafter held by, on behalf of, or for the benefit of SCE, and Seller agrees to take all action as SCE reasonably requires in order to perfect SCE's Security Interest in, and lien on (and right to net against), such collateral and any and all proceeds resulting therefrom or from the liquidation thereof.

The contents of this document are subject to restrictions on disclosure as set forth herein.

Upon or any time after the occurrence of, and during the continuation of, an Event of Default caused by Seller, an Early Termination Date resulting from an Event of Default caused by Seller, or an occasion provided for in this Agreement where SCE is authorized to retain all or a portion of the Performance Assurance or Development Security, SCE may do any one or more of the following:

- (a) Exercise any of its rights and remedies with respect to the Development Security, Milestone Amount and Performance Assurance, including any such rights and remedies under law then in effect;
- (b) Draw on any outstanding Letter of Credit issued for its benefit; and
- (c) Liquidate all Development Security or Performance Assurance (as applicable) then held by or for the benefit of SCE free from any claim or right of any nature whatsoever of Seller, including any equity or right of purchase or redemption by Seller.

SCE shall apply the proceeds of the collateral realized upon the exercise of any such rights or remedies to reduce Seller's obligations under this Agreement (Seller remains liable for any amounts owing to SCE after such application), subject to SCE's obligation to return any surplus proceeds remaining after these obligations are satisfied in full.

8.04 Credit and Collateral Covenants.

- (a) Seller shall, from time to time as requested by SCE, execute, acknowledge, record, register, deliver and file all such notices, statements, instruments and other documents as may be necessary or advisable to render fully valid and enforceable under all Applicable Laws the rights, liens and priorities of SCE with respect to the Security Interest provided for herein and therein.
- (b) Seller may not cause or permit the stock, equity ownership interest in Seller or assets of Seller to be pledged or assigned as collateral or otherwise to any party other than Lender.
- (c) Seller may not create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable for, contingently or otherwise, any Seller's Debt, or issue any Disqualified Stock, in each case, other than Seller's Debt incurred, issued, assumed or guaranteed, or Disqualified Stock issued, in connection with the funding of the development, construction or Operation of the Generating Facility.
- (d) Other than to a Lender, Seller may not create, incur, assume or suffer to be created by it or any subcontractor, employee, laborer, materialman, other supplier of goods or services or any other person, any lien on Seller's interest (or any part thereof) in this Agreement, the Site or the Generating Facility, other than a lien to secure payment that will be discharged in the normal course of constructing, operating or maintaining the Generating Facility.

The contents of this document are subject to restrictions on disclosure as set forth herein.

Seller will, within fifteen (15) days of notice of a lien, promptly remove (i) by paying or discharging, (ii) causing its contractors to promptly pay and discharge, and discharge of record, (iii) reaching a settlement regarding; or (iv) furnishing a release bond or deposit under Applicable Law for, any such lien for labor, materials, supplies or other obligations upon Seller's interest in the Site, the Generating Facility, or any part thereof or interest therein, unless Seller is disputing any such lien in good faith and only for so long as it does not create an imminent risk of a sale or transfer of the Generating Facility or a material part thereof.

Seller shall promptly notify SCE of any attachment or imposition of any lien against Seller's interest (or any part thereof) in the Site, the Generating Facility, or any part thereof or interest therein.

- (e) Seller may not hold any material assets, become liable for any material obligations or engage in any material business activities other than the development, construction and Operation of the Generating Facility.
- (f) Seller may not own, form or acquire, or otherwise conduct any of its activities through, any direct or indirect subsidiary.
- (g) During any period during which Seller is a Defaulting Party, Seller may not:
 - (i) Declare or pay any dividend, or make any other distribution or payment, on account of any equity interest in Seller; or
 - (ii) Otherwise make any distribution or payment to any Affiliate of Seller.

8.05 Commercial Code Waiver.

This Agreement sets forth the entirety of the agreement of the Parties regarding credit, collateral and adequate assurances. Except as expressly set forth in Article Eight of this Agreement, neither Party:

- (a) Has or will have any obligation to post margin, provide letters of credit, pay deposits, make any other prepayments or provide any other financial assurances, in any form whatsoever; or
- (b) Will have reasonable grounds for insecurity with respect to the creditworthiness of a Party that is complying with the relevant provisions of Article Eight of this Agreement;

and all implied rights relating to financial assurances arising from Section 2609 of the California Commercial Code or case law applying similar doctrines, are hereby waived.

8.06 Substitution of Performance Assurance.

So long as there is no Event of Default as to Seller, Performance Assurance may be substituted:

- (a) Once every two (2) years during the Term upon thirty (30) days prior written Notice to SCE; or
- (b) As part of a Change of Control (concurrently with the Change of Control when it results in a new Seller or the same Seller with a new name; otherwise, upon written Notice given within sixty (60) days of the Change of Control); or
- (c) At any time when Seller is replacing a Guaranty Agreement with a Letter of Credit or cash deposit or a combination of both Letter of Credit and cash deposit;

Provided however, if a Potential Event of Default has occurred, any substitution of Performance Assurance under this Section 8.06 must take place within the cure periods, if any, set forth in Section 6.01.

With respect to 8.06(a) and (b) above, Seller may replace one form of Performance Assurance with (i) another form of Performance Assurance; or (ii) a combination of both forms of Performance Assurance.

Any replacement Performance Assurance under this Section 8.06 is subject to SCE's prior approval and all requirements of this Agreement.

ARTICLE NINE. GOVERNMENTAL CHARGES

9.01 Cooperation to Minimize Tax Liabilities.

Each Party shall use reasonable efforts to implement the provisions of and to administer this Agreement in accordance with the intent of the Parties to minimize all taxes, so long as neither Party is materially adversely affected by such efforts.

9.02 Governmental Charges.

Seller shall pay or cause to be paid all taxes imposed by any Governmental Authority (“Governmental Charges”) on or with respect to the Metered Amounts (and any contract associated with the Metered Amounts) arising before the Delivery Point, including ad valorem taxes and other taxes attributable to the Generating Facility, land, land rights or interests in land for the Generating Facility.

SCE shall pay or cause to be paid all Governmental Charges on or with respect to the Metered Amounts at and from the Delivery Point. If Seller is required by law or regulation to remit or pay Governmental Charges which are SCE’s responsibility hereunder, SCE shall promptly reimburse Seller for such Governmental Charges.

If SCE is required by law or regulation to remit or pay Governmental Charges which are Seller’s responsibility hereunder, SCE may deduct such amounts from monthly Product Payments to Seller made pursuant to Exhibit E.

If SCE elects not to deduct such amounts from Seller’s monthly Product Payments, Seller shall promptly reimburse SCE for such amounts upon SCE’s Payment Invoice request. Nothing shall obligate or cause a Party to pay or be liable to pay any Governmental Charges for which that Party is exempt under the law.

9.03 Providing Information to Taxing Authorities.

Seller or SCE, as necessary, shall provide information concerning the Generating Facility to any requesting taxing authority.

10.03 Indemnity.

(a) SCE’s Indemnification Obligations.

In addition to any other indemnification obligations SCE may have elsewhere in this Agreement, which are hereby incorporated in this Section 10.03(a), SCE releases, and shall indemnify, defend and hold harmless Seller, and Seller’s directors, officers, employees, agents, assigns, and successors in interest, from and against any and all loss, liability, damage, claim, cost, charge, demand, fine, penalty or expense of any kind or nature (including attorneys’ fees (including cost of in-house counsel) and other costs of litigation, arbitration and mediation, and in the case of third-party claims only, indirect and consequential loss or damage), arising out of or in connection with:

- (i) any breach made by SCE of its representations and warranties in Section 10.01; and
- (ii) so long as Seller has fully complied with the Generator Operator Obligations and Generator Owner Obligations, any NERC Standards Non-Compliance Penalties which are solely due to SCE’s negligence in performing its role as Seller’s Scheduling Coordinator throughout the Delivery Term, subject to limitations set forth in Section 3.26.

This indemnity applies notwithstanding Seller’s active or passive negligence. However, Seller will not be indemnified hereunder for its loss, liability,

damage, claim, cost, charge, demand or expense to the extent caused by its gross negligence or willful misconduct.

(b) Seller's Indemnification Obligations.

In addition to any other indemnification obligations Seller may have elsewhere in this Agreement, which are hereby incorporated in this Section, Seller releases, and shall indemnify, defend and hold harmless SCE, and SCE's directors, officers, employees, agents, assigns, and successors in interest, from and against any and all loss, liability, damage, claim, cost, charge, demand, penalty, fine or expense of any kind or nature (including attorneys' fees (including cost of in-house counsel) and other costs of litigation, arbitration or mediation, and in the case of third-party claims only, including claims arising from a breach of Section 10.02(b), indirect or consequential loss or damage), arising out of or in connection with:

- (i) any breach made by Seller of its representations and warranties in Sections 10.01 and 10.02;
- (ii) Seller's failure to fulfill its obligations regarding Resource Adequacy Benefits as set forth in Sections 3.01 and 3.02;
- (iii) NERC Standards Non-Compliance Penalties or an attempt by any Governmental Authority, person or entity to assess such NERC Standards Non-Compliance Penalties against SCE, except to the extent solely due to SCE's negligence in performing its role as Seller's Scheduling Coordinator throughout the Delivery Term;
- (iv) injury or death to persons, including SCE employees, and physical damage to property, including SCE property, where the damage arises out of, is related to, or is in connection with, Seller's obligations or performance under this Agreement;
- (v) injury or death to any person or damage to any property, including the personnel or property of SCE, to the extent that SCE would have been protected had Seller complied with all of the provisions of Section 10.11; *provided*, the inclusion of this Section 10.03(b)(v) is not intended to create any express or implied right in Seller to elect not to provide the insurance required under Section 10.11;
- (vi) any breach by Seller of the covenants set forth in Section 2.06(b).

This indemnity applies notwithstanding SCE's active or passive negligence. However, SCE will not be indemnified under Section 10.03(b)(i) through Section 10.03(b)(iv) for its loss, liability, damage, claim, cost, charge, demand or expense to the extent caused by its gross negligence or willful misconduct.

(c) Mutual Indemnification.

Each Party shall indemnify, defend and hold harmless the other Party and the other Party's directors, officers, employees, and agents, assigns, and successors in interest, from and against any and all loss, liability, damage, claim, cost, charge, demand, fine, penalty or expense of any kind or nature (including direct, indirect, or consequential loss, damage, claim, cost, charge, demand, or expense, including attorneys' fees (including costs of in-house counsel) and other costs of litigation, arbitration or mediation), arising out of or in connection with a Party's failure to pay any Governmental Charges for which such Party is responsible under Article Nine.

(d) Indemnification Claims.

All claims for indemnification by a Party entitled to be indemnified under this Agreement (an "Indemnified Party") by the other Party (the "Indemnitor") will be asserted and resolved as follows:

- (1) If a claim or demand for which an Indemnified Party may claim indemnity is asserted against or sought to be collected from an Indemnified Party by a third party, the Indemnified Party shall as promptly as practicable give Notice to the Indemnitor; *provided*, failure to provide this Notice will relieve Indemnitor only to the extent that the failure actually prejudices Indemnitor.
- (2) Indemnitor will have the right to control the defense and settlement of any claims in a manner not adverse to Indemnified Party but cannot admit any liability or enter into any settlement without Indemnified Party's approval.
- (3) Indemnified Party may employ counsel at its own expense with respect to any claims or demands asserted or sought to be collected against it; *provided*, if counsel is employed due to a conflict of interest or because Indemnitor does not assume control of the defense, Indemnitor will bear the expense of this counsel.

(e) Survival of Indemnification Rights and Obligations.

All indemnity rights and obligations survive the termination of this Agreement for twelve (12) months.

10.04 Assignment.

- (a) Except as provided in Section 10.05, neither Party can assign this Agreement or its rights hereunder without the prior written consent of the other Party, which consent shall not be unreasonably withheld.
- (b) Any direct or indirect Change of Control of Seller, except to a Permitted Transferee, (whether voluntary or by operation of law) will be deemed an

assignment and will require the prior written consent of SCE, which consent shall not be unreasonably withheld.

10.05 Consent to Collateral Assignment.

Subject to the provisions of this Section 10.05, Seller has the right to assign this Agreement as collateral for any financing or refinancing of the Generating Facility.

In connection with any financing or refinancing of the Generating Facility by Seller, SCE shall in good faith work with Seller and Lender to enter into a consent to collateral assignment of this Agreement (“Collateral Assignment Agreement”).

The Collateral Assignment Agreement must be in form and substance agreed to by SCE, Seller and Lender, including, among others, the following provisions (or such other substantially similar provisions as agreed to in writing by and between SCE, Seller and Lender):

- (a) SCE shall give Notice of an Event of Default by Seller, to the person(s) to be specified by Lender in the Collateral Assignment Agreement, before exercising its right to terminate this Agreement as a result of such Event of Default;
- (b) Following an Event of Default by Seller under this Agreement, SCE may require Seller or Lender to provide to SCE a report concerning:
 - (i) The status of efforts by Seller or Lender to develop a plan to cure the Event of Default;
 - (ii) Impediments to the cure plan or its development;
 - (iii) If a cure plan has been adopted, the status of the cure plan’s implementation (including any modifications to the plan as well as the expected timeframe within which any cure is expected to be implemented); and
 - (iv) Any other information which SCE may reasonably require related to the development, implementation and timetable of the cure plan.

Seller or Lender must provide the report to SCE within ten (10) Business Days after Notice from SCE requesting the report. SCE will have no further right to require the report with respect to a particular Event of Default after that Event of Default has been cured;

- (c) Lender will have the right to cure an Event of Default on behalf of Seller, only if Lender sends a written notice to SCE before the end of any cure period indicating Lender’s intention to cure. Lender must remedy or cure the Event of Default within the cure period under this Agreement; *provided*, such cure period may, in SCE’s sole discretion, be extended by no more than an additional one hundred eighty (180) days;

- (d) Lender will have the right to consent before any termination of this Agreement which does not arise out of an Event of Default;
- (e) Lender will receive prior Notice of and the right to approve material amendments to this Agreement, which approval will not be unreasonably withheld, delayed or conditioned;
- (f) If Lender, directly or indirectly, takes possession of, or title to the Generating Facility (including possession by a receiver or title by foreclosure or deed in lieu of foreclosure), Lender must assume all of Seller's obligations arising under this Agreement and all related agreements (subject to such limits on liability as are mutually agreed to by Seller, SCE and Lender as set forth in the Collateral Assignment Agreement);

provided that, Lender will have no personal liability for any monetary obligations of Seller under this Agreement which are due and owing to SCE as of the assumption date; provided, however, that before such assumption, if SCE advises Lender that SCE will require that Lender cure (or cause to be cured) any Event of Default existing as of the possession date in order to avoid the exercise by SCE (in its sole discretion) of SCE's right to terminate this Agreement with respect to such Event of Default, then Lender at its option, and in its sole discretion, may elect to either:

- (i) Cause such Event of Default to be cured, or
 - (ii) Not assume this Agreement;
- (g) If Lender elects to sell or transfer the Generating Facility (after Lender directly or indirectly, takes possession of, or title to the Generating Facility), or sale of the Generating Facility occurs through the actions of Lender (for example, a foreclosure sale where a third party is the buyer, or otherwise), then Lender must cause the transferee or buyer to assume all of Seller's obligations arising under this Agreement and all related agreements as a condition of the sale or transfer.

Such sale or transfer may be made only to an entity with financial qualifications (including collateral support and any other additional security as may be required by SCE) and Operating experience meeting the requirements set forth in the definition of Permitted Transferee as determined by SCE in its sole discretion; and

- (h) If this Agreement is rejected in Seller's Bankruptcy or otherwise terminated in connection therewith and if Lender or its designee, directly or indirectly, takes possession of, or title to, the Generating Facility (including possession by a receiver or title by foreclosure or deed in lieu of foreclosure), Lender must itself or must cause its designee to promptly enter into a new agreement with SCE having substantially the same terms as this Agreement.

10.06 Abandonment.

Seller may not relinquish its possession and control of the Generating Facility without the prior written consent of SCE except under circumstances provided for in Sections 10.04 and 10.05.

For purposes of this Section 10.06, Seller will have been deemed to relinquish possession of the Generating Facility if, with respect to any time prior to the Commercial Operation Date, Seller has ceased work on the Generating Facility (such as design, permitting, development, construction) for a consecutive one hundred and eighty (180) day period or, with respect to any time as of and after the Commercial Operation Date, the Generating Facility has ceased production and delivery of the Product for a consecutive sixty (60) day period and such cessation is not a result of an event of Force Majeure.

10.07 Governing Law.

THIS AGREEMENT AND THE RIGHTS AND DUTIES OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED, ENFORCED AND PERFORMED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. TO THE EXTENT ENFORCEABLE AT SUCH TIME, EACH PARTY WAIVES ITS RESPECTIVE RIGHT TO ANY JURY TRIAL WITH RESPECT TO ANY LITIGATION ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT.

- (d) Notice of curtailment will be deemed given on the date and time made by SCE and will be effective immediately.

A Party may change its designated representatives, addresses and other contact information by providing Notice of same in accordance herewith.

All Notices, requests, invoices, statements or payments for this Generating Facility must reference the RAP ID.

(a) Starting on the Effective Date until the end of the Term and for such additional periods as may be specified below, Seller shall, at its own expense, provide and maintain in effect the insurance policies and minimum limits of coverage specified below, and such additional coverage as may be required by applicable law, with insurance companies which are authorized to do business in the state in which the services are to be performed and which have an A.M. Best's Insurance Rating of not less than A-:VII. The minimum insurance requirements specified herein do not in any way limit or relieve Seller of any obligation assumed elsewhere in this Agreement, including, but not limited to, Seller's defense and indemnity obligations.

(i) Workers' Compensation Insurance with the statutory limits required by the state having jurisdiction over Seller's employees;

(ii) Employer's Liability Insurance with limits of not less than:

(1) Bodily injury by accident – One Million dollars (\$1,000,000) each accident

(2) Bodily injury by disease – One Million dollars (\$1,000,000) policy limit

(3) Bodily injury by disease – One Million dollars (\$1,000,000) each employee

(iii) Commercial General Liability Insurance, (which, except with the prior written consent of SCE and subject to subsections (1) and (2) below, shall be written on an "occurrence," not a "claims-made" basis), covering all operations by or on behalf of Seller arising out of or connected with this Agreement, including coverage for bodily injury, broad form property damage, personal and advertising injury, products/completed operations, and contractual liability. Such insurance shall bear a combined single limit per occurrence and annual aggregate of not less than one million dollars (\$1,000,000), exclusive of defense costs, for all coverages. Such insurance shall contain standard cross-liability and severability of interest provisions.

If Seller elects, with SCE's written concurrence, to use a "claims made" form of Commercial General Liability Insurance, then the following additional requirements apply:

(1) The retroactive date of the policy must be prior to the Effective Date; and

(2) Either the coverage must be maintained for a period of not less than four (4) years after the Agreement terminates, or the policy must provide for a supplemental extended reporting

period of not less than four (4) years after the Agreement terminates.

- (iv) Commercial Automobile Liability Insurance covering bodily injury and property damage with a combined single limit of not less than One Million dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of Seller's use of all owned (if any), non-owned and hired automobiles in the performance of the Agreement.
 - (v) Umbrella/Excess Liability Insurance, written on an "occurrence," not a "claims-made" basis, providing coverage excess of the underlying Employer's Liability, Commercial General Liability, and Commercial Automobile Liability insurance, on terms at least as broad as the underlying coverage, with limits of not less than Ten Million Dollars (\$10,000,000) per occurrence and in the annual aggregate. The insurance requirements of this Section 10.11 can be provided by any combination of Seller's primary and excess liability policies.
- (b) The insurance required above shall apply as primary insurance to, without a right of contribution from, any other insurance maintained by or afforded to SCE, its subsidiaries and affiliates, and their respective officers, directors, shareholders, agents, and employees, regardless of any conflicting provision in Seller's policies to the contrary. To the extent permitted by law, Seller and its insurers shall be required to waive all rights of recovery from or subrogation against SCE, its subsidiaries and affiliates, and their respective officers, directors, shareholders, agents, employees and insurers. The Commercial General Liability and Umbrella/Excess Liability insurance required above shall name SCE, its subsidiaries and affiliates, and their respective officers, directors, shareholders, agents and employees, as additional insureds for liability arising out of Seller's construction, ownership or Operation of the Generating Facility.
- (c) At the time this Agreement is executed, or within a reasonable time thereafter, and within a reasonable time after coverage is renewed or replaced, Seller shall furnish to SCE certificates of insurance evidencing the coverage required above, written on forms and with deductibles reasonably acceptable to SCE. All deductibles, co-insurance and self-insured retentions applicable to the insurance above shall be paid by Seller. All certificates of insurance shall note that the insurers issuing coverage shall endeavor to provide SCE with at least thirty (30) days' prior written notice in the event of cancellation of coverage. SCE's receipt of certificates that do not comply with the requirements stated herein, or Seller's failure to provide certificates, shall not limit or relieve Seller of the duties and responsibility of maintaining insurance in compliance with the requirements in this Section 10.11 and shall not constitute a waiver of any of the requirements in this Section 10.11.

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (d) If Seller fails to comply with any of the provisions of this Section 10.11, Seller, among other things and without restricting SCE's remedies under the law or otherwise, shall, at its own cost and expense, act as an insurer and provide insurance in accordance with the terms and conditions above. With respect to the required Commercial General Liability, Umbrella/Excess Liability and Commercial Automobile Liability insurance, Seller shall provide a current, full and complete defense to SCE, its subsidiaries and affiliates, and their respective officers, directors, shareholders, agents, employees, assigns, and successors in interest, in response to a third party claim in the same manner that an insurer would have, had the insurance been maintained in accordance with the terms and conditions set forth above.

10.12 Nondedication.

Notwithstanding any other provisions of this Agreement, neither Party dedicates any of the rights that are or may be derived from this Agreement or any part of its facilities involved in the performance of this Agreement to the public or to the service provided under this Agreement, and this service shall cease upon termination of this Agreement.

10.13 Mobile Sierra.

Absent the agreement of all Parties to the proposed change, the standard of review for changes to any rate, charge, classification, term or condition of this Agreement, whether proposed by a Party (to the extent that any waiver in the paragraph below is unenforceable or ineffective as to such Party), a non-party or FERC acting sua sponte, shall be the 'public interest' standard of review set forth in *United Gas Pipe Line Co. v. Mobile Gas Service Corp.*, 350 U.S. 332 (1956) and *Federal Power Commission v. Sierra Pacific Power Co.*, 350 U.S. 348 (1956) (the 'Mobile Sierra' doctrine).

Notwithstanding any provision of this Agreement, and absent the prior written agreement of the Parties, each Party, to the fullest extent permitted by Applicable Laws, for itself and its respective successors and assigns, hereby also expressly and irrevocably waives any rights it can or may have, now or in the future, whether under Sections 205, 206, or 306 of the Federal Power Act or otherwise, to seek to obtain from FERC by any means, directly or indirectly (through complaint, investigation, supporting a third party seeking to obtain or otherwise), and each hereby covenants and agrees not at any time to seek to so obtain, an order from FERC changing any Section of this Agreement specifying any rate or other material economic terms and conditions agreed to by the Parties.

10.16 Seller Ownership and Control of Generating Facility.

Seller agrees, that, in accordance with FERC Order No. 697, upon request of SCE, Seller shall submit a letter of concurrence in support of any affirmative statement by SCE that the contractual arrangement set forth in this Agreement does not transfer “ownership or control of generation capacity” from Seller to SCE as the term “ownership or control of generation capacity” is used in 18 CFR Section 35.42. Seller also agrees that it will not, in filings, if any, made subject to FERC Order Nos. 652 and 697, claim that the contractual arrangement set forth in this Agreement conveys ownership or control of generation capacity from Seller to SCE.

10.17 Required Material.

Seller acknowledges and agrees that, notwithstanding anything to the contrary set forth herein, any review, approval, request, or requirement of any Required Material shall mean only that such Required Material is acceptable to SCE solely for SCE’s internal purposes and benefit, and will not in any way be construed to mean that such Required Material is accurate, suitable for its intended purpose, in compliance with any Applicable Law or other requirement, or endorsed for the benefit of any other party, including Seller. Further, Seller acknowledges and agrees that SCE shall have no liability to Seller or any other third party with respect to any Required Material so reviewed, approved, requested or required by SCE or on SCE’s behalf.

ARTICLE ELEVEN. CHANGE IN ELECTRIC MARKET DESIGN

If a Change in CAISO Tariff renders this Agreement or any terms herein incapable of being performed or administered, then either Party, on Notice, may request the other Party to enter into negotiations to make the minimum changes to this Agreement necessary to make this Agreement capable of being performed and administered, while attempting to preserve to the maximum extent possible the benefits, burdens and obligations set forth in this Agreement as of the Effective Date.

Upon receipt of a Notice requesting negotiations, the Parties shall negotiate in good faith.

If the Parties are unable, within sixty (60) days after the sending of the Notice requesting negotiations, either to agree upon changes to this Agreement or to resolve issues relating to changes to this Agreement, then either Party may submit issues pertaining to changes to this Agreement to mediation and arbitration as provided in Article Twelve.

A change in cost will not in itself be deemed to render this Agreement or any terms therein incapable of being performed or administered, or constitute, or form the basis of, a Force Majeure Event.

*** End of ARTICLE ELEVEN ***

ARTICLE TWELVE. MEDIATION AND ARBITRATION**12.01 Dispute Resolution.**

Other than requests for provisional relief under Section 12.04, any and all Disputes which the Parties have been unable to resolve by informal methods after undertaking a good faith effort to do so, must first be submitted to mediation under the procedures described in Section 12.02 below, and if the matter is not resolved through mediation, *then* for final and binding arbitration under the procedures described in Section 12.03 below; *provided*, if a Party receiving Notice of mediation in accordance with Section 12.02 does not respond to the Notice within forty-five (45) days of its receipt, the other Party may immediately pursue arbitration in accordance with Section 12.03.

The Parties waive any right to a jury and agree that there will be no interlocutory appellate relief (such as writs) available.

12.02 Mediation.

Either Party may initiate mediation by providing Notice to the other Party in accordance with Section 10.08 of a written request for mediation, setting forth a description of the Dispute and the relief requested.

The Parties will cooperate with one another in selecting the mediator (“Mediator”) from the panel of neutrals from Judicial Arbitration and Mediation Services, Inc. (“JAMS”), its successor, or any other mutually acceptable non-JAMS Mediator, and in scheduling the time and place of the mediation.

Such selection and scheduling will be completed within forty-five (45) days after Notice of the request for mediation.

Unless otherwise agreed to by the Parties, the mediation will not be scheduled for a date that is greater than one hundred twenty (120) days from the date of Notice of the request for mediation.

The Parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs (other than each Party’s individual attorneys’ fees and costs related to the Party’s participation in the mediation, which fees and costs will be borne by such Party).

All offers, promises, conduct and statements, whether oral or written, made in connection with or during the mediation by either of the Parties, their agents, representatives, employees, experts and attorneys, and by the Mediator or any of the Mediator’s agents, representatives and employees, will not be subject to discovery and will be confidential, privileged and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding between or involving the Parties, or either of them, *provided*, evidence that is otherwise admissible or discoverable will not be rendered inadmissible or non-discoverable as a result of its use in the mediation.

12.03 Arbitration.

Either Party may initiate binding arbitration with respect to the matters first submitted to mediation by providing Notice in accordance with Section 10.08 of a demand for binding arbitration before a single, neutral arbitrator (the "Arbitrator") at any time following the unsuccessful conclusion of the mediation provided for in Section 12.02, above.

The Parties will cooperate with one another in selecting the Arbitrator within sixty (60) days after Notice of the demand for arbitration and will further cooperate in scheduling the arbitration to commence no later than one hundred eighty (180) days from the date of Notice of the demand.

If, notwithstanding their good faith efforts, the Parties are unable to agree upon a mutually-acceptable Arbitrator, the Arbitrator will be appointed as provided for in California Code of Civil Procedure Section 1281.6.

To be qualified as an Arbitrator, each candidate must be a retired judge of a trial court of any state or federal court, or retired justice of any appellate or supreme court.

Unless otherwise agreed to by the Parties, the individual acting as the Mediator will be disqualified from serving as the Arbitrator in the dispute, although the Arbitrator may be another member of the JAMS panel of neutrals or such other panel of neutrals from which the Parties have agreed to select the Mediator.

Upon Notice of a Party's demand for binding arbitration, such Dispute submitted to arbitration, including the determination of the scope or applicability of this agreement to arbitrate, will be determined by binding arbitration before the Arbitrator, in accordance with the laws of the State of California, without regard to principles of conflicts of laws.

Except as provided for herein, the arbitration will be conducted by the Arbitrator in accordance with the rules and procedures for arbitration of complex business disputes for the organization with which the Arbitrator is associated.

Absent the existence of such rules and procedures, the arbitration will be conducted in accordance with the California Arbitration Act, California Code of Civil Procedure Section 1280 *et seq.* and California procedural law (including the Code of Civil Procedure, Civil Code, Evidence Code and Rules of Court, but excluding local rules).

Notwithstanding the rules and procedures that would otherwise apply to the arbitration, and unless the Parties agree to a different arrangement, the place of the arbitration will be in Los Angeles County, California.

Also notwithstanding the rules and procedures that would otherwise apply to the arbitration, and unless the Parties agree to a different arrangement, discovery will be limited as follows:

- (a) Before discovery commences, the Parties shall exchange an initial disclosure of all documents and percipient witnesses which they intend to rely upon or

- use at any arbitration proceeding (except for documents and witnesses to be used solely for impeachment);
- (b) The initial disclosure will occur within thirty (30) days after the initial conference with the Arbitrator or at such time as the Arbitrator may order;
 - (c) Discovery may commence at any time after the Parties' initial disclosure;
 - (d) The Parties will not be permitted to propound any interrogatories or requests for admissions;
 - (e) Discovery will be limited to twenty-five (25) document requests (with no subparts), three (3) lay witness depositions, and three (3) expert witness depositions (unless the Arbitrator holds otherwise following a showing by the Party seeking the additional documents or depositions that the documents or depositions are critical for a fair resolution of the Dispute or that a Party has improperly withheld documents);
 - (f) Each Party is allowed a maximum of three (3) expert witnesses, excluding rebuttal experts;
 - (g) Within sixty (60) days after the initial disclosure, or at such other time as the Arbitrator may order, the Parties shall exchange a list of all experts upon which they intend to rely at the arbitration proceeding;
 - (h) Within thirty (30) days after the initial expert disclosure, the Parties may designate a maximum of two (2) rebuttal experts;
 - (i) Unless the Parties agree otherwise, all direct testimony will be in form of affidavits or declarations under penalty of perjury; and
 - (j) Each Party shall make available for cross examination at the arbitration hearing its witnesses whose direct testimony has been so submitted.

Subject to Article Seven, the Arbitrator will have the authority to grant any form of equitable or legal relief a Party might recover in a court action. The Parties acknowledge and agree that irreparable damage would occur if certain provisions of this Agreement are not performed in accordance with the terms of the Agreement, that money damages would not be a sufficient remedy for any breach of these provisions of this Agreement, and that the Parties shall be entitled, without the requirement of posting a bond or other security, to specific performance and injunctive or other equitable relief as a remedy for a breach of Section 2.06(b), 3.01, 3.02, 3.06(i), 3.09 or 10.10 of this Agreement.

Judgment on the award may be entered in any court having jurisdiction.

The Arbitrator must, in any award, allocate all of the costs of the binding arbitration (other than each Party's individual attorneys' fees and costs related to the Party's participation in the arbitration, which fees and costs will be borne by such Party),

including the fees of the Arbitrator and any expert witnesses, against the Party who did not prevail.

Until such award is made, however, the Parties will share equally in paying the costs of the arbitration.

12.04 Provisional Relief.

The Parties acknowledge and agree that irreparable damage would occur if certain provisions of this Agreement are not performed in accordance with the terms of this Agreement, that money damages would not be a sufficient remedy for any breach of these provisions of this Agreement, and that the Parties shall be entitled, without the requirement of posting a bond or other security, to seek a preliminary injunction, temporary restraining order, or other provisional relief as a remedy for a breach of Section 2.06(b), 3.01, 3.02, 3.06(i), 3.09 or 10.10 of this Agreement in any court of competent jurisdiction, notwithstanding the obligation to submit all other disputes (including all claims for monetary damages under this Agreement) to arbitration pursuant to Section 12.01. The Parties further acknowledge and agree that the results of the arbitration may be rendered ineffectual without the provisional relief.

Such a request for provisional relief does not waive a Party's right to seek other remedies for the breach of the provisions specified above in accordance with Section 12.01, notwithstanding any prohibition against claim-splitting or other similar doctrine. The other remedies that may be sought include specific performance and injunctive or other equitable relief, plus any other remedy specified in this Agreement for the breach of the provision, or if the Agreement does not specify a remedy for the breach, all other remedies available at law or equity to the Parties for the breach.

- (a) Comply with CAISO Tariff changes;
- (b) Accommodate changes to their respective generation technology and organizational structure; and
- (c) Address changes in the operating and Scheduling procedures of both SCE and the CAISO, including but not limited to, automated forecast and outage submissions.

2. Seller's Forecasting Requirements.

Seller must meet all of the following requirements for Forecasting as specified below.

- (a) No later than sixty (60) days before any day designated for Initial Synchronization, Seller shall provide SCE, via the Web Client, with a 30-day, hourly Forecast of Capacity, in MW, as directed by SCE, for the thirty (30) day period commencing on Initial Synchronization.
- (b) If, after submitting the Forecast pursuant to Item 2(a), Seller learns that Initial Synchronization will occur on a date and time other than that reflected on the Forecast, Seller shall provide an updated Forecast reflecting the new Initial Synchronization date at the earliest practicable time but no later than 5:00 p.m. Pacific Prevailing Time ("PPT") on the Wednesday before the revised Initial Synchronization date, if Seller has learned of the new Initial Synchronization date by that time, but in no event less than three (3) Business Days before the actual Initial Synchronization date.
- (c) If the Web Client becomes unavailable, Seller shall provide SCE with the Forecast by e-mailing SCE.
- (d) The Forecast, and any updated Forecasts provided pursuant to this Item 2, must:
 - (i) Not include any anticipated or expected electric energy losses after the CAISO Approved Meter or Check Meter; and
 - (ii) Limit hour-to-hour Forecast changes to no less than two hundred fifty (250) kWh or 0.25 MW, as applicable, during any period when the Web Client is unavailable. Seller shall have no restriction on hour-to-hour Forecast changes when the Web Client is available.

The contents of this document are subject to restrictions on disclosure as set forth herein.

(e) Commencing on or before 5:00 p.m. PPT of the Wednesday before the first week covered by the Forecast provided pursuant to Item 2(a) above and on or before 5:00 p.m. PPT every Wednesday thereafter until the end of the Term, Seller shall update the Forecast for the thirty (30) day period commencing on the Sunday following the weekly Wednesday Forecast update submission. Seller shall use the Web Client, if available, to supply this weekly update or, if the Web Client is not available, Seller shall provide SCE with the weekly Forecast update by e-mailing SCE.

(f) Forecasting Available Capacity.

**A. COST RESPONSIBILITY, INVOICING AND PAYMENTS
THROUGHOUT THE DELIVERY TERM**

1.01 Cost Responsibility for the Startup Period and upon commencement of the Term.

(a) SCE Cost Responsibility.

Throughout the Delivery Term,

- (i) Except under the circumstances set forth in Section 4.01(c), SCE shall make monthly Product Payments to Seller for Product delivered to SCE calculated in the manner described in Item 1.02 below and Exhibit Q;
- (ii) Except as set forth in Section 4.01(c) and Exhibit Q, SCE shall be responsible for all CAISO Costs and CAISO Sanctions and have the right to receive all CAISO Revenues; and
- (iii) To the extent that SCE requires Seller to participate in the PIRP program, SCE shall be responsible for PIRP forecasting fees.

(b) Seller Cost Responsibility.

Throughout the Delivery Term:

- (i) If Seller fails to comply with the Forecasting provisions set forth in Exhibit D, Seller shall pay an SCE Penalty as set forth in Exhibit Q.
- (ii) Seller shall be responsible for CAISO Costs and CAISO Sanctions under the circumstances specified in Sections 4.01(c) and 4.02(c) and Exhibit Q.

1.02 Product Payment Calculations during the Delivery Term.

For the purpose of calculating Product Payments for Product delivered during the Delivery Term, Metered Amounts will be time-differentiated according to the TOD Periods set forth in Exhibit K and the pricing will be weighted by the Product Payment Allocation Factors set forth in Exhibit K.

Monthly Product Payments will equal the sum of (i) the sum of the TOD Period Product Payments for all TOD Periods in the month and (ii) the Curtailed Product Payment. Each TOD Period Product Payment will be calculated pursuant to the following formula, where “n” is the TOD Period being calculated:

$$\text{TOD PERIOD}_n \text{ PRODUCT PAYMENT} = A \times B \times (C - D) \times E$$

Where:

The contents of this document are subject to restrictions on disclosure as set forth herein.

- A = Product Price specified in Exhibit O in \$/kWh (i.e., \$/MWh/1000), for the applicable Term Year.
- B = Product Payment Allocation Factor, set forth in Exhibit K, for the TOD Period being calculated.
- C = The sum of Metered Amounts in all hours for the TOD Period being calculated in kWh.
- D = Any electric energy produced by the Generating Facility for which SCE is not obligated to pay Seller as set forth in Section 4.01(c).
- E = Any applicable LF, in percent.

1.03 Payment Statement and Invoices during the Delivery Term.

Throughout the Delivery Term, no later than the 10th Business Day immediately following each calendar month during the Term Year during which: (w) Metered Amounts are provided to SCE; (x) CAISO Sanctions or any SCE Penalties are incurred by Seller; (y) there is Curtailed Product or OSGC Quantity; or (z) Adjustments for payment errors are made as set forth below; Seller shall send a Payment Invoice to SCE showing:

- (a) The Metered Amounts for each TOD Period during the month for which the payment is being made;
- (b) The amount of Curtailed Product and OSGC Quantity, if any;
- (c) A calculation of the amount payable to Seller for the month pursuant to Item 1.02 above of this Exhibit E; and
- (d) A calculation of the net amount due either to Seller or SCE.

1.04 Payment during the Delivery Term.

Throughout the Delivery Term, on or before the later of the last Business Day of the month in which SCE receives a Payment Invoice from Seller, or the tenth (10th) Business Day after receipt of the Payment Invoice, or, if such day is not a Business Day, then on the next Business Day, SCE shall:

- (a) Send to Seller, via wire transfer, SCE's payment of said net amount, less any applicable SCE Penalties, CAISO Costs or CAISO Sanctions per Exhibit Q, or other applicable charges or offsets plus, if such payment is late, a Simple Interest Payment calculated using the Interest Rate and the number of days that such payment is late;
- (b) If SCE, in good faith, Disputes the correctness of the Payment Invoice or a portion thereof, SCE will pay only the undisputed portion of the Payment Invoice and state, in writing, the basis for the Dispute. Payment of the Disputed portion of the Payment Invoice shall not be required until the Dispute is resolved. Upon resolution of the Dispute, any required payment

shall be made within two (2) Business Days of such resolution along with interest accrued at the Interest Rate from and including the due date but excluding the date paid; and

- (c) Provide Seller with documentation supporting any SCE Penalty, CAISO Cost or CAISO Sanction, per Exhibit Q, or other applicable charges and offsets which affected the net amount in the Payment Invoice.

B. RECOMPUTATION, PAYMENT ADJUSTMENT AND NETTING RIGHTS

2.01 Recomputation and Payment Adjustments.

- (a) If Seller or SCE determines that a calculation of Metered Amounts, CAISO Sanctions, or SCE Penalties is incorrect as a result of inaccurate meters, the correction of data by the CAISO in OMAR, or a recalculation of CAISO Sanctions, SCE Penalties or other amounts owing between the Parties, Seller or SCE, as the case may be, shall promptly recompute the Metered Amounts, CAISO Sanctions, SCE Penalties or other amounts for the period of the inaccuracy based upon an adjustment of inaccurate meter readings, correction of data or recalculation of CAISO Sanctions in accordance with the CAISO Tariff and any payment affected by the adjustment or correction.

In the event SCE believes that any CAISO Charge, CAISO Revenue, or CAISO Sanction is incorrect and disputable under the CAISO Tariff SCE may dispute any such CAISO Charge, CAISO Revenue, or CAISO Sanction in accordance with the procedures set forth under the CAISO Tariff.

- (b) Payment Adjustment.

Any amount due from SCE to Seller, or Seller to SCE, as the case may be, will be made as an adjustment to the next monthly payment statement that is calculated after Seller's or SCE's recomputation using corrected measurements.

If the recomputation results in a net amount owed to SCE after applying any amounts owing to Seller as shown on the next monthly payment statement, any such amount owing to SCE will at SCE's discretion be netted against amounts owed to Seller in any subsequent monthly Payment Invoice or separately invoiced to Seller, in which case Seller must pay the amount owing to SCE within twenty (20) days after receipt of that invoice.

SCE may make payment adjustments arising from a recalculation of CAISO Costs, CAISO Sanctions, SCE Penalties, or as a result of inaccurate meters after the end of the Term Year, *provided*, the Parties will be deemed to have waived any such payment adjustments which are not communicated as provided in this Item 2.01 of this Exhibit E within twelve (12) months after the end of the Term Year.

Adjustment payments for meter inaccuracy will not bear interest.

2.02 Netting Rights.

SCE reserves the right to net amounts that would otherwise be due to Seller under this Agreement in payment of any amounts:

- (a) Owing and unpaid by Seller to SCE under this Agreement; or
- (b) Owed to SCE by Seller arising out of, or related to, any other SCE agreement, tariff, obligation or liability.

Nothing in this Item 2.02 limits SCE's rights under applicable tariffs, other agreements or Applicable Law.

C. PAYMENT ERRORS

3.01 Notice of Error in Payment.

Except as provided in Items 1.03 and 2.01 of this Exhibit E, if within ninety (90) days after receipt of SCE's Payment, Seller does not give SCE Notice of an error in the payment amount, then Seller will be deemed to have waived any error in the payment.

3.02 Reimbursement for Underpayments and Overpayments.

If Seller identifies a payment error in Seller's favor and SCE agrees that the identified error occurred, SCE shall reimburse Seller for the amount of the underpayment caused by the error and apply the additional payment to the next monthly Payment Invoice that is calculated.

If Seller identifies a payment error in SCE's favor and SCE agrees that the identified error occurred, SCE may net the amount of overpayment caused by the error against amounts otherwise owed to Seller in connection with the next monthly Payment Invoice that is calculated.

3.03 Late Payments.

Late payments to Seller resulting from SCE's errors, or overpayments to Seller by SCE, will include a Simple Interest Payment calculated using the Interest Rate and the number of days between the date due (or, in the case of overpayments by SCE, commencing five (5) Business Days from the date SCE provides Notice of such overpayments to Seller) and the date paid; *provided*, that changes made because of settlement, audit or other information provided by the CAISO and not available to SCE when SCE rendered its original Payment Invoice will not bear interest.

3.04 Netting after Recomputation.

If the recomputation for an error results in a net amount still owing to SCE after applying the amounts owed to SCE against any amounts owed to Seller in the payment statement, as described above, then SCE may, in its discretion, either net this

net remaining amount owed to SCE against amounts owed to Seller in any subsequent monthly Payment Invoice to Seller or invoice Seller for such amount, in which case Seller must pay the amount owing to SCE within twenty (20) days after receipt of such invoice.

3.05 Resolution of Disputes.

The Parties shall negotiate in good faith to resolve any disputes regarding claimed errors in a Payment. Any disputes which the Parties are unable to resolve through negotiation may be submitted for resolution through the mediation and arbitration as provided in Article Twelve.

EXHIBIT F

Product Replacement Damage Amount

In accordance with the provisions of Section 3.07, if at the end of any Term Year, commencing with the end of the second Term Year, Seller fails to meet Seller's Energy Delivery Obligation over the Calculation Period, *then* Seller shall be subject to a Product Replacement Damage Amount penalty calculated as follows:

PRODUCT REPLACEMENT DAMAGE AMOUNT =

$$[(A - B - C) \times (D - E)]$$

Where:

- A = Seller's Energy Delivery Obligation in kWh.
- B = Sum of Qualified Amounts over the Calculation Period in kWh.
- C = Sum of Lost Output over the Calculation Period in kWh.
- D = Simple average of the Green Market Price for all Settlement Intervals during the Calculation Period in \$/kWh.
- E = Simple average of the Product Price over the Calculation Period, in \$/kWh (i.e., \$/MWh/1000).

Notes:

1. In the above calculation, the result of "(D - E)" will not be greater than five cents (\$0.05) per kWh or less than two cents (\$0.02) per kWh.
2. In no event will SCE pay a Product Replacement Damage Amount.

Form of Guaranty Agreement

1. Guaranty.

For valuable consideration, [Guarantor's legal name], [legal status] (“**Guarantor**”) guarantees payment to Southern California Edison Company, a California corporation (“**Beneficiary**”), its successors and assigns, of all amounts owed to Beneficiary by [Seller's legal name], [legal status] (“**Principal**”) under that certain Renewable Power Purchase and Sale Agreement between Beneficiary and Principal dated [date], as amended from time to time (“**Agreement**”) (said amounts are hereinafter referred to as the “**Obligations**”).

Initially capitalized words that are used but not otherwise defined in this agreement (“**Guaranty**”) shall have the meanings given them in the Agreement.

Upon the failure or refusal by Principal to pay all or any portion of the Obligations, the Beneficiary may make a demand upon the Guarantor.

Such demand shall be in writing and shall state the amount Principal has failed to pay and an explanation of why such payment is due, with a specific statement that Beneficiary is calling upon Guarantor to pay under this Guaranty.

Guarantor shall promptly, but in no event less than ten Business Days following demand by Beneficiary, pay such Obligations in immediately available funds.

The obligations of Guarantor hereunder shall not be subject to any counterclaim, setoff, withholding, or deduction unless required by applicable law.

A payment demand satisfying the foregoing requirements shall be deemed sufficient notice to Guarantor that it must pay the Obligations.

2. Guaranty Limit.

Subject to Paragraph 13, the liability of Guarantor hereunder shall not exceed \$_____ in the aggregate, which amount shall include all interest that has accrued on any amount owed hereunder.

3. Guaranty Absolute.

Guarantor agrees that its obligations under this Guaranty are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor. In furtherance of the foregoing and without limiting the generality thereof, Guarantor agrees as follows:

- (a) The liability of Guarantor under this Guaranty is a continuing guaranty of payment and not of collectibility, and is not conditional or contingent upon the genuineness, validity, regularity or enforceability of the Agreement or the pursuit by Beneficiary of any remedies which it now has or may hereafter have under the Agreement;

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (b) Beneficiary may enforce this Guaranty upon the occurrence of a default by Principal under the Agreement notwithstanding the existence of a dispute between Beneficiary and Principal with respect to the existence of the default;
- (c) The obligations of Guarantor under this Guaranty are independent of the obligations of Principal under the Agreement and a separate action or actions may be brought and prosecuted against Guarantor whether or not any action is brought against Principal or any other guarantors and whether or not Principal is joined in any such action or actions;
- (d) Beneficiary may, at its election, foreclose on any security held by Beneficiary, whether or not the means of foreclosure is commercially reasonable, or exercise any other right or remedy available to Beneficiary without affecting or impairing in any way the liability of Guarantor under this Guaranty, except to the extent the amount(s) owed to Beneficiary by Principal have been paid; and
- (e) Guarantor shall continue to be liable under this Guaranty and the provisions hereof shall remain in full force and effect notwithstanding:
 - (i) Any modification, amendment, supplement, extension, agreement or stipulation between Principal and Beneficiary or their respective successors and assigns, with respect to the Agreement or the obligations encompassed thereby;
 - (ii) Beneficiary's waiver of or failure to enforce any of the terms, covenants or conditions contained in the Agreement;
 - (iii) Any release of Principal or any other guarantor from any liability with respect to the Obligations or any portion thereof;
 - (iv) Any release, compromise or subordination of any real or personal property then held by Beneficiary as security for the performance of the Obligations or any portion thereof, or any substitution with respect thereto;
 - (v) Without in any way limiting the generality of the foregoing, if Beneficiary is awarded a judgment in any suit brought to enforce a portion of the Obligations, such judgment shall not be deemed to release Guarantor from its covenant to pay that portion of the Obligations which is not the subject of such suit;
 - (vi) Beneficiary's acceptance and/or enforcement of, or failure to enforce, any other guaranties or any portion of this Guaranty;
 - (vii) Beneficiary's exercise of any other rights available to it under the Agreement;

- (viii) Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of the Principal and to any corresponding restructuring of the Obligations;
- (ix) Any failure to perfect or continue perfection of a security interest in any collateral that secures the Obligations;
- (x) Any defenses, setoffs or counterclaims that Principal may allege or assert against Beneficiary with respect to the Obligations, including, without limitation, failure of consideration, breach of warranty, statute of frauds, statute of limitations and accord and satisfaction; and
- (xi) Any other act or thing or omission, or delay to do any other act or thing that might in any manner or to any extent vary the risk of Guarantor as an obligor with respect to the Obligations.

4. Termination; Reinstatement.

- (a) The term of this Guaranty is continuous until the earlier of: (i) the date on which the Obligations have been performed or paid in full or (ii) with regard to future transactions, the date on which Guarantor provides Beneficiary with written notice of termination, with such termination becoming effective sixty (60) calendar days from the date Beneficiary receives such written notice from Guarantor.

No such notice or termination shall release Guarantor from any liability as to any amount or performance that is owing under the Agreement as of the termination date.

- (b) This Guaranty shall be reinstated if at any time following the termination of this Guaranty, any payment by Guarantor under this Guaranty or pursuant hereto is rescinded or must otherwise be returned by the Beneficiary or other person upon the insolvency, bankruptcy, reorganization, dissolution or liquidation of Principal, Guarantor or otherwise, and is so rescinded or returned to the party or parties making such payment, all as though such payment had not been made.

If all or any portion of the Obligations are paid by Principal, the obligations of Guarantor hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, If all or any part of such payment(s) are rescinded or recovered directly or indirectly from Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Obligations for all purposes under this Guaranty.

5. Bankruptcy; Post-Petition Interest.

- (a) So long as any Obligations remain outstanding, Guarantor shall not, without the prior written consent of Beneficiary, commence or join with any other

person in commencing any bankruptcy, reorganization or insolvency proceedings of or against Principal.

The obligations of Guarantor under this Guaranty shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of the Principal or by any defense which Principal may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

- (b) Any interest on any portion of the Obligations which accrues after the commencement of any such proceeding (or, if interest on any portion of the Obligations ceases to accrue by operation of law by reason of the commencement of said proceeding, such interest as would have accrued on such portion of the Obligations if said proceedings had not been commenced) shall be included in the Obligations.

Guarantor will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar person to pay Beneficiary, or allow the claim of Beneficiary in respect of, any such interest accruing after the date on which such proceeding is commenced.

6. Subrogation.

Guarantor shall be subrogated to all rights of the Beneficiary against Principal with respect to any amounts paid by the Guarantor pursuant to the Guaranty, *provided that* Guarantor postpones all subrogation rights until all Obligations have been irrevocably paid in full to the Beneficiary.

If any amount shall be paid to Guarantor on account of such subrogation, reimbursement, contribution or indemnity rights at any time when all the Obligations guaranteed hereunder shall not have been indefeasibly paid in full, Guarantor shall hold such amount in trust for the benefit of Beneficiary and shall promptly pay such amount to Beneficiary.

7. Subordination.

- (a) Any indebtedness of Principal now or hereafter held by Guarantor is hereby subordinated in right of payment to the Obligations.

Guarantor assigns all such indebtedness to Beneficiary as security for this Guaranty and the Agreement.

Guarantor shall make no claim for such indebtedness until all Obligations of Principal have been fully discharged.

Guarantor shall not assign all or any part of such indebtedness unless Beneficiary is given prior notice and such assignment is expressly made subject to the terms of this Guaranty.

The contents of this document are subject to restrictions on disclosure as set forth herein.

- (b) If Beneficiary so requests:
 - (i) All instruments evidencing such indebtedness shall be duly endorsed and delivered to Beneficiary;
 - (ii) All security for such indebtedness shall be duly assigned and delivered to Beneficiary;
 - (iii) Such indebtedness shall be enforced, collected and held by Guarantor as trustee for Beneficiary and shall be paid over to Beneficiary on account of the Obligations but without reducing or affecting in any manner the liability of Guarantor under the other provisions of this Guaranty; and
 - (iv) Guarantor shall execute, file and record such documents and instruments and take such other actions as Beneficiary deems necessary or appropriate to perfect, preserve and enforce Beneficiary's rights in and to such indebtedness and any security therefor.
- (c) If Guarantor fails to take any such action, Beneficiary, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor.

The foregoing power of attorney is coupled with an interest and cannot be revoked.

8. Waivers of Guarantor.

- (a) Guarantor waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability under this Guaranty or the enforcement of this Guaranty.
- (b) Guarantor waives any right to require Beneficiary to proceed against or exhaust any security held from Principal or any other party acting under a separate agreement.
- (c) Guarantor waives all of the rights and defenses described in subdivision (a) of Section 2856 of the California Civil Code, including any rights and defenses that are or may become available to the Guarantor by reason of Sections 2787 to 2855 thereof, inclusive. Without limiting the generality of the foregoing waiver:
 - (i) The guarantor waives all rights and defenses that the guarantor may have because the debtor's debt is secured by real property.

- a. The creditor may collect from the guarantor without first foreclosing on any real or personal property collateral pledged by the debtor.
- b. If the creditor forecloses on any real property collateral pledged by the debtor:

- (1) The amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price.
- (2) The creditor may collect from the guarantor even if the creditor, by foreclosing on the real property collateral, has destroyed any right the guarantor may have to collect from the debtor.

This is an unconditional and irrevocable waiver of any rights and defenses the guarantor may have because the debtor's debt is secured by real property. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d, or 726 of the California Code of Civil Procedure.

- (ii) The guarantor waives all rights and defenses arising out of an election of remedies by the creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed the guarantor's rights of subrogation and reimbursement against the principal by the operation of Section 580d of the Code of Civil Procedure or otherwise.
- (d) Guarantor assumes all responsibility for keeping itself informed of Principal's financial condition and all other factors affecting the risks and liability assumed by Guarantor hereunder, and Beneficiary shall have no duty to advise Guarantor of information known to it regarding such risks.
- (e) Guarantor waives any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Principal, including, without limitation, any defense based on or arising out of the lack of validity or enforceability of the Obligations or by reason of the cessation of liability of the Principal under the Agreement for any reason other than full performance or payment;
- (f) Guarantor waives any defense based upon Beneficiary's errors or omissions in the administration of the Obligations;
- (g) Guarantor waives its right to raise any defenses based upon promptness, diligence, and any requirement that Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto;
- (h) Guarantor waives its right to raise any principles of law, statutory or otherwise, that limit the liability of or exonerate guarantors, provide any legal or equitable discharge of Guarantor's obligations hereunder, or which may conflict with the terms of this Guaranty;
- (i) Other than demand for payment, the Guarantor hereby expressly waives all notices between the Beneficiary and the Principal including without limitation

The contents of this document are subject to restrictions on disclosure as set forth herein.

all notices with respect to the Agreement and this Guaranty, notice of acceptance of this Guaranty, any notice of credits extended and sales made by the Beneficiary to Principal, any information regarding Principal's financial condition, and all other notices whatsoever; and

- (j) Guarantor waives filing of claims with a court in the event of the insolvency or bankruptcy of the Principal.

9. No Waiver of Rights by Beneficiary.

No right or power of Beneficiary under this Guaranty shall be deemed to have been waived by any act or conduct on the part of Beneficiary, or by any neglect to exercise a right or power, or by any delay in doing so, and every right or power of Beneficiary hereunder shall continue in full force and effect until specifically waived or released in a written document executed by Beneficiary.

10. Assignment, Successors and Assigns.

This Guaranty shall be binding upon Guarantor, its successors and assigns, and shall inure to the benefit of, and be enforceable by, the Beneficiary and its successors, assigns and creditors.

The Beneficiary shall have the right to assign this Guaranty to any person or entity without the prior consent of the Guarantor; *provided, however*, that no such assignment shall be binding upon the Guarantor until it receives written notice of such assignment from the Beneficiary.

SCE and SunPower shall sometimes be referred to in this Agreement individually as a “Party” and jointly as the “Parties.”

RECITALS

- A. SCE initiated a request for proposals (“RFP”) to supply energy and associated Green Attributes, Capacity Attributes and Resource Adequacy Benefits from eligible renewable resources (“ERRs”) on June 29, 2009, with a goal of negotiating and executing power purchase agreements with ERRs whose proposals are selected pursuant to the RFP.
- B. SunPower desires to submit a proposal in response to the RFP.
- C. The Parties desire to keep confidential any confidential or proprietary information disclosed by SunPower to SCE as part of SunPower’s submission of a proposal in response to the RFP (the “Proposal”), or any confidential or proprietary information that may be disclosed by either Party to the other Party as part of discussions or negotiations with SunPower concerning SunPower’s Proposal.

AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

1. For purposes of this Agreement, all oral or written (including electronic) communications exchanged between the Parties on or after the Effective Date (as set forth in Section 10 of this Agreement) as part of, or arising out of, the Proposal (including the fact that SunPower has submitted the Proposal and, if applicable, the facts that: (i) SCE has short-listed the Proposal; and (ii) the Parties are negotiating the Proposal) shall be referred to as "Confidential Information."
2. Each Party agrees to treat Confidential Information as confidential with respect to third parties and shall not disclose Confidential Information except as specifically authorized herein or as specifically agreed to by each Party in writing.

Accordingly, each Party must take all necessary precautions and implement all requisite procedures and practices to protect Confidential Information provided by the other Party. Each Party may disclose Confidential Information only to its employees, directors, advisors, attorneys, consultants or accountants who have a strict need to know solely for the purpose of directly assisting such disclosing Party in evaluating the Proposal ("Permitted Disclosee"), or in subsequent discussions or negotiations regarding the Proposal and so long as such disclosing Party advises each Permitted Disclosee of the confidential nature of the Confidential Information and uses reasonable efforts to prevent or limit the disclosure of Confidential Information by such Permitted Disclosee. In addition, the Independent Evaluator (as described in that certain Procurement Protocol for SCE's 2009 Request for Proposals from Eligible Renewable Energy Resource Suppliers for Electric Energy) is and must be deemed to be a Permitted Disclosee.

Each Party may also disclose Confidential Information to representatives of its rating agencies who have a strict need to know solely for the purpose of directly assisting such disclosing Party in evaluating the Proposal, so long as such disclosing Party advises the rating agency of the confidential nature of the Confidential Information and uses reasonable efforts to prevent or limit the disclosure of Confidential Information by any such rating agency.

3. SCE and the Independent Evaluator may also disclose Confidential Information to the following entities and their staff and divisions thereof in furtherance of the RFP: (i) the California Public Utilities Commission ("CPUC"), (ii) the Procurement Review Group established pursuant to D.02-08-071 and D.03-06-071 ("PRG"), (iii) the California Energy Commission ("CEC"), (iv) the California Independent System Operator ("CAISO"), and (v) the Federal Energy Regulatory Commission ("FERC").

Although SCE will seek confidential treatment of any Confidential Information submitted by it to the CPUC, by means of a motion for protective order under Public Utilities Code section 583 and General Order 66-C, or by appropriate application to

or agreement with, the PRG, CAISO and CEC, SCE may disclose Confidential Information under this Paragraph even if no protective order is issued and no confidentiality or non-disclosure agreements are entered into.

Neither SCE nor the Independent Evaluator shall have any liability whatsoever to any party in the event of any unauthorized use or disclosure by a governmental or regulatory agency or entity, including, without limitation, the CPUC and all divisions thereof, CEC, FERC, PRG or CAISO, of any Confidential Information or other information disclosed to any of them by SCE or its representatives.

SCE may also disclose Confidential Information as may be reasonably required to participate in any auction, market or other process pertaining to the allocation of priorities or rights related to the transmission of electrical energy sold or to be sold to SCE under any agreement reached as a result of discussions or negotiations

4. Notwithstanding anything to the contrary set forth herein, the obligations set forth in this Agreement shall not apply to and the term "Confidential Information" shall not include:
 - a. Information which is in the public domain as of the Effective Date or which later comes into the public domain from a source other than from the other Party, its Permitted Disclosee or representatives of its rating agencies;
 - b. Information which SCE or SunPower can demonstrate in writing was already known to SCE or SunPower prior to the Effective Date;
 - c. Information which comes to SCE or SunPower from a bona fide third party source not under an obligation of confidentiality; or
 - d. Information which is independently developed by SCE or SunPower without use of or reference to Confidential Information or information containing Confidential Information.
5. The Parties agree that irreparable damage would occur if this Agreement were not performed in accordance with its terms or were otherwise breached. Accordingly, a Party may be entitled to seek an injunction or injunctions to prevent a breach of this Agreement and to enforce specifically its provisions in any court of competent jurisdiction, in addition to any other remedy to which such Party may be entitled by law or equity.
6. A Party disclosing Confidential Information in hard copy or electronic form shall use best efforts to label it with the following legend:

*"CONFIDENTIAL INFORMATION.
THE CONTENTS OF THIS DOCUMENT ARE SUBJECT TO
A NON-DISCLOSURE AGREEMENT"*

A Party's failure to label Confidential Information will not preclude it from later claiming that the information is confidential.

7. The Parties agree not to introduce (in whole or in part) into evidence or otherwise voluntarily disclose in any administrative or judicial proceeding, any Confidential Information, except as required by law, legal compulsion, or with the written consent of the Party providing the Confidential Information or as SCE or SunPower may be required to disclose to duly authorized governmental or regulatory agencies, including the CPUC or any division thereof, in order to demonstrate the reasonableness of its actions.

Neither Party shall be liable for disclosure of the Confidential Information belonging to the other Party if disclosure was required by subpoena or other judicial process, or by law, rule or regulation.

8. All written Confidential Information supplied by a Party, and all copies or translations thereof made by the Party or Permitted Disclosee who received the Confidential Information, shall, upon written request of the Party who initially provided the Confidential Information, be returned to that Party, destroyed, or held and maintained subject to the terms of this Agreement; provided, however, that electronic copies of or containing Confidential Information that are automatically generated through data backup and/or archiving systems and which are not readily accessible by receiving Party's business personnel (the "electronic copies"), shall not be deemed to violate this Agreement, so long as such Confidential Information is not disclosed or used in violation of the terms of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall prohibit receiving Party's legal counsel from retaining one (1) copy, including any electronic copy, of any of the Confidential Information as necessary to comply with applicable law or any regulatory recordkeeping requirements applicable to it. Such retained copy shall remain subject to the terms and conditions of this Agreement.
9. Nothing in this Agreement is intended to waive any attorney-client, work-product or other privilege applicable to any statement, document, communication, or other material of a Party or the Parties.
10. Any notice or communication given pursuant to this Agreement shall be in writing and:

- a) Delivered personally, in which case delivery is given upon written acknowledgment of receipt;
