Mr. Darren Hernandez
Director of Administrative Services
City of Santa Clarita
23920 Valencia Blvd
Santa Clarita, CA 91355

Dear Director Hernandez:

Reference: AT&T California Video Franchise 0002

AT&T California has been providing its U-verse TV service in Santa Clarita since 2007 pursuant to the Public Benefits Agreement with the City. When that agreement expires on November 11, 2009, AT&T intends to offer service under its state-issued video franchise. In order to do this, we are filing a supplemental application with the California Public Utilities Commission ("CPUC") to amend the state-issued video franchise we received in March 2007, so that it will now include Santa Clarita.

Attached is a copy of the supplemental application. The CPUC has 30 days to determine the completeness of the application.

If you have any questions, please feel free to contact me directly or you can call Dana Cop on (213)743-7030.

Sincerely,

A handwritten signature in cursive script that reads "Rhonda J. Johnson".
