Dear Mr. Morris:

Charter Communications is submitting a first amendment for American Cable Entertainment Company (ACEC) to be included in the legal entity's State franchise area. This amendment is for Charter's remaining service boundaries in the unincorporated area of San Bernardino County. This is a small pocket of customers previously overlooked. I have attached an amended application, Data file, and Shapefiles for your review. Please advise if additional information is needed to complete the amendment.

I have advised San Bernardino County of the State application and provided a copy of the application as well. I would like to thank you and your staff for the guidance during this process.

Sincerely,

Susie Evans  
Director of Government Relations
