Dear Mr. Leavenworth:

The Commission has determined that the application for a state video franchise submitted by C-Native Exchange I, LLC on November 19, 2007 is incomplete. The shapefile defining the franchise footprint initially submitted to the Commission was incorrect, and the substitute file has not been able to be verified. Staff will review the substitute file delivered after the close of business yesterday, and the Commission will make a further determination of completeness within 30 days.

Should you have any questions, please contact Michael Morris, at 415.703.2112.

Sincerely,

Paul Clanon
Executive Director
