Re: Time Warner Cable's Application for a  
State Franchise In Thousand Oaks, California

Dear Mr. Clanon:

We are in receipt of the correspondence forwarded to you by the City of Thousand Oaks in response to Time Warner Cable's application for a state-issued franchise for the City. It was not Time Warner Cable's intent in filing for a state-issued franchise to put the Commission in the position of having to engage in an analysis of Time Warner Cable's eligibility. Nor indeed was it our intent to upset the City. Time Warner Cable is pleased to have established a good working relationship with the City since acquiring the franchise in August, 2006. Accordingly, Time Warner Cable withdraws its application and, as such, does not believe it is necessary to respond to the City's correspondence at this time.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patricia N. McCausland".
