Mr. Steven Adams
City Manager
214 E. Branch Street
Arroyo Grande, Ca 93421

Dear Mr. Adams:

As you may be aware, the California State legislature passed the Digital Infrastructure and Video Competition Act (DIVCA) in 2006 that pertains to video franchising in California.

This communication is to notify you that CCO SoCal I, LLC - Charter Communications received a State franchise on December 18, 2007 from the California Public Utilities Commission effective January 2, 2008. CCO SoCal I LLC has applied for an amendment to their State franchise to include the area currently served by Charter Communications in the City of Arroyo Grande under section 5840 (o) (1) of DIVCA. I have provided a copy of the application to amend the State franchise for your files. Charter will continue to serve its customers in the city during this process and thereafter. The transition to a State franchise should be seamless to customers.

Lisa Ludovici will continue to be your key contact for non-State franchise issues. Please feel free to contact me if you have any questions at 626-201-0471.

Sincerely,

A handwritten signature in black ink that reads 'Susie Evans Wood'.
