Mr. Michael Morris, Director
Broadband and Video Processing Division
California Public Utilities Commission

Dear Mr. Morris:

As you may recall, we attempted to obtain an enlarged state video franchise last spring. You advised then that we either 1) obtain an early abrogation from the County for the small "Copper Cove" area covered by the County franchise [expires year end 2009], or 2) wait until just prior to regular expiration and re-file for the enlarged franchise. The County was unable to act last spring due to severe budget and related crises.

Thus, we are re-filing our request in accordance with the instructions of your letter of April 27, 2009.

Please review the requested state franchise application.

Respectfully submitted,

A handwritten signature in black ink that reads "Kirby L. Smith".
