Dear Mr. Morris:

Charter Communications is submitting a seventh Amendment for Charter Communications Entertainment II (CCEII) to be included in the legal entity's State franchise area. This amendment is for Charter's service boundaries in the newly incorporated City of Eastvale and a reduction in the boundary for the County of Riverside. Charter, ATT and Time Warner all serve in the City of Eastvale. I have attached an amended application reflecting Charter's service area, Data file and Shapefiles for your review. Please advise if additional information is needed to complete the amendment.

I have advised the City of the State application and provided a copy of the application as well. I would like to thank you and your staff for the guidance during this process.

Sincerely,

A handwritten signature in black ink that reads 'Susie Evans-Wood'. The signature is written in a cursive, flowing style.
