Dear Michael:

In the process of preparing the bonds for the various legal entities in California for Charter's State Franchise application it came to my attention that an error was made in the filing of Charter Communications Properties II, LLC. The application was inadvertently filed under the name of Charter Communications **Partners** II, LLC. The legal entity is Charter Communications Properties II, LLC. The Ownership Chart and Directors list are correct.

Please let me know the appropriate action necessary to correct the filing. I would also like to restate how much I appreciate the support and cooperation your staff has shown during the application process. It has made the transition much easier.

Wishing a safe and Happy New Year to you and your family.

Sincerely,

A handwritten signature in cursive script that reads 'Susie Evans'.
