Dear Mr. Morris:

In the process of reviewing our franchise files for the Annual Report for the various legal entities in California for Charter Communications, it came to my attention that a typographical error was made in the filing of Charter Communications Properties, LLC. The application was inadvertently filed under the name of Charter Communications Properties II, LLC. The legal entity is Charter Communications Properties, LLC. The Ownership Chart submitted was correct. I have attached a copy of that document for your review.

Please let me know the appropriate action necessary to correct the filing.

Sincerely,

Susie Evans
Director of Government Relations
