

**NINTH AMENDED APPLICATION OF
COMCAST CABLE COMMUNICATIONS MANAGEMENT, LLC
FOR AN AMENDED CALIFORNIA STATE VIDEO FRANCHISE
CALIFORNIA PUBLIC UTILITIES COMMISSION**

Definitions for the purposes of this Application:

- A. “Access” means that the holder is capable of providing video service at the household address using any technology, other than direct-to-home satellite service, providing two-way broadband Internet capability and video programming, content, and functionality, regardless of whether any customer has ordered service or whether the owner or landlord or other responsible person has granted access to the household. If more than one technology is utilized, the technologies shall provide similar two-way broad band Internet accessibility and similar video programming.
- B. “Affiliate” means any company 5 per cent or more of whose outstanding securities are owned, controlled, or held with power to vote, directly or indirectly either by a state video franchise holder or any of its subsidiaries, or by that state video franchise holder’s controlling corporation and/or any of its subsidiaries as well as any company in which the state video franchise holder, its controlling corporation, or any of the state video franchise holder’s affiliates exert substantial control over the operation of the company and/or indirectly have substantial financial interests in the company exercised through means other than ownership.
- C. “Applicant” means any person or entity that files an application seeking to provide Video Service in the state pursuant to a State Video Franchise.
- D. “Application” means the form prescribed by the Commission through which an Applicant may apply for a State Video Franchise or amend its Video Service Area.
- E. “Application Fee” means any fee that the Commission imposes to recover its actual and reasonable costs of processing an Application.¹
- F. “Area” means a set of contiguous (i) collections of census block groups or (ii) regions that are mapped using geographic information system technology.
- G. “Broadband” or “Broadband Service” means any service defined as Broadband, or having advanced telecommunications capability, in the most recent Federal Communications Commission inquiry pursuant to Section 706 of the Telecommunications Act of 1996 (P.L. 104-104).²

¹ CAL. PUB. UTIL. CODE § 5840(c). This fee is not levied for general revenue purposes, consistent with Public Utilities Code § 5840(c).

² *Id.* at § 5830(a). The Federal Communications Commission currently uses the term “broadband” and “advanced telecommunications capability” to describe services and facilities with an upstream (customer-to-provider) and downstream (provider-to-customer) transmission (footnote continued)

- H. "Census Block Group" has the same meaning as used by the U.S. Census Bureau.
- I. "Census Tract" has the same meaning as used by the U.S. Census Bureau.³
- J. "Census Tract Basis" means pursuant to the reporting standards articulated in Appendix D and Appendix E, Section II of D.07-03-014.
- K. "Commission" means the Public Utilities Commission.
- L. "Company" means the Applicant and its Affiliates.
- M. "Consultant" means the third party source of census household projections including low income household projections.
- N. "DIVCA" means Assembly Bill 2987, the Digital Infrastructure and Video Competition Act of 2006 (Ch. 700, Stats. 2006).
- O. "Household" means, consistent with the U.S. Census Bureau, a house, apartment, a mobile home, a group of rooms, or a single room that is intended for occupancy as separate living quarters.⁴ Separate living quarters are those in which the occupants live and eat separately from any other persons in building and which have direct access from the outside of the building or through a common hall.⁵
- P. "Local Entity" means any city, county, city and county, or joint powers authority within the state within whose jurisdiction a State Video Franchise Holder may provide Video Service.⁶
- Q. "Low-Income Household" means a residential Household where the average annual Household income is less than \$35,000, as based on U.S. Census Bureau estimates adjusted annually to reflect rates of change and distribution through January 1, 2007.⁷
- R. "State Video Franchise" means a franchise issued by the Commission pursuant to DIVCA.⁸

speed of more than 200 kilobits per second. FEDERAL COMMUNICATIONS COMMISSION, AVAILABILITY OF ADVANCED TELECOMMUNICATIONS CAPABILITY IN THE UNITED STATES, FOURTH REPORT TO CONGRESS, FCC 04-208, 10 (Sept. 9, 2004). This definition, however, is under review by the Commission, and it may evolve in response to rapid technological changes in the marketplace. Id.

APPENDIX B

AFFIDAVIT

STATE OF CALIFORNIA

COUNTY OF CONTRA COSTA

My name is Johnnie Giles. I am a Vice President of Government Affairs for Comcast Cable Communications Management, LLC. My personal knowledge of the facts stated herein has been derived from my employment with Comcast Cable Communications Management, LLC.

I swear or affirm that I have personal knowledge of the facts stated in this Application for a California State Video Franchise to provide Video Service, I am competent to testify to them, and I have the authority to make this Application on behalf of and to bind the Company.

I further swear or affirm that Comcast Cable Communications Management, LLC shall fulfill the following requirements:

1. Applicant has filed or will timely file with the Federal Communications Commission all forms required by the Federal Communications Commission before offering Video Service in this state.
2. Applicant agrees to comply with all lawful city, county, or city and county regulations regarding the time, place, and manner of using the public rights-of-way, including but not limited to, payment of applicable encroachment, permit, and inspection fees.
3. Applicant will concurrently deliver a copy of this Application to any Local Entity in the Video Service Area.
4. Applicant possesses the financial, legal, and technical qualifications necessary to construct and operate the proposed system and promptly repair any damage to the public rights-of-way caused by Applicant.
5. Applicant is not in violation of any final nonappealable order relating to either the Cable Television and Video Providers Customer Service and Information Act (California Public Utilities Code Article 3.5 (commencing with § 53054) of Chapter 1 of Part 1 of Division 2 of Title 5 of the Government Code) or the Video Customer Service Act (California Public Utilities Code Article 4.5 (commencing with § 53088) of Chapter 1 or Part 1 of Division 2 of Title 5 of the Government Code).
6. If it has not done so in the Application, Applicant shall provide the Commission, no later than 90 calendar days after the date of the Commission's issuance of a State Video Franchise to the Applicant, a complete description of residents' socioeconomic status information, as required by and detailed in Questions 14 and 15 of the Application.
7. In connection with its original application for a state video franchise, Applicant has already provided a copy of a fully executed bond in the amount of \$500,000 to the Executive Director. The bond lists the Commission as obligee and was issued by a corporate surety authorized to transact a surety business in California. No further bond is required in connection with this application for an amendment to Applicant's current franchise.

APPENDIX B

AFFIDAVIT

I further swear or affirm that Comcast Cable Communications Management, LLC agrees to comply with all federal and state statutes, rules, and regulations, including, but not limited to, the following:

1. As provided in Public Utilities Code § 5890, Applicant will not discriminate in the provision of Video Service.
2. Applicant will abide by all applicable consumer protection laws and rules as provided in Public Utilities Code § 5900.
3. Applicant will remit the fee required by California Public Utilities Code § 5860(a) to the Local Entity.
4. Applicant will provide public, educational, and governmental access channels and the required funding as required by Public Utilities Code § 5870.
5. Applicant and any and all of its Affiliates' operations in California now and in the future shall be included for the purposes of applying Public Utilities Code §§ 5840, 5890, 5960, and 5940. Applicant specifically attests to the following:
 - a. Reporting Requirements: Either (i) Applicant or (ii) the parent company of Applicant shall produce Commission-mandated reports for and on behalf of Applicant and any and all of its Affiliates that operate in California. Only one report required pursuant to Public Utilities Code § 5960 shall be filed annually, such report to include all pertinent data for the Company.
 - b. Antidiscrimination:
 - i. If Applicant and its Affiliates together have more than 1,000,000 telephone customers in California, Applicant shall satisfy the build-out requirements set forth in Public Utilities Code § 5890(b) & (e).
 - ii. If Applicant and its Affiliates together have less than 1,000,000 telephone customers in California, Applicant shall satisfy any build-out requirements established pursuant in Public Utilities Code § 5890(c).
 - c. Cross-subsidization: If Applicant or its Affiliates provide stand-alone, residential, primary-line basic telephone service, Applicant shall refrain from using any increase of the rate of this service to finance the cost of deploying a network to provide video service.
 - d. "Affiliate," as referenced herein, means any company 5 per cent or more of whose outstanding securities are owned, controlled, or held with power to vote, directly or indirectly either by a state video franchise holder or any of its subsidiaries, or by that state video franchise holder's controlling corporation and/or any of its subsidiaries as well as any company in which the state video franchise holder, its controlling corporation, or any of the state video franchise holder's affiliates exert substantial control over the operation of the company and/or indirectly have substantial financial interests in the company exercised through means other than ownership.

APPENDIX B

AFFIDAVIT

6. Applicant shall fulfill all other requirements imposed by the Digital Infrastructure and Video Competition Act.
7. Comcast Cable Communications Management, LLC is a single identifiable entity that is qualified to do business in California and has verifiable assets. This entity shall accept service of process, either directly or through an agent, and submit to the jurisdiction of California courts.

I swear or affirm that all of the statements and representations made in this Application are true and correct.
