SUBJECT: Cox Communications Video Service Application for the City of San Diego

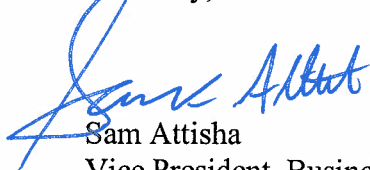

Dear Mr. Bollinger:

In accordance with California's Digital Infrastructure Competition Act (DIVCA), CoxCom Inc., doing business as Cox Communications, is planning to standardize our franchise operations and is seeking a state authorized franchise to provide video service in areas of the city of San Diego, currently covered by a local franchise agreement with the City. Cox will continue to pay franchise fees to the City on a quarterly basis, maintain our awarding-winning customer service and continue to support community initiatives.

Enclosed is a copy of the state authorized franchise application submitted to the California Public Utilities Commission on February 1, 2011 pursuant to California Public Utilities Code § 5840(e)(1)(D).

If you have additional questions or require additional information, please don't hesitate to contact me at (619) 266-5653 or Joe Gabaldon/Ileana Ovalle, Senior Manager, Government and Community Relations at (619) 266-5370/(619) 266-5261

Sincerely,

Sam Attisha
Vice President, Business Development and External Affairs
