Dear Mr. Morris:

Charter Communications is submitting a ninth Amendment for Falcon Cable Systems Company II (FCSCII) to be included in the legal entity's State franchise area. This amendment is for Charter's service boundaries in the county of Santa Clara. I have attached an amended application, Data file, and Shapefiles for your review. Please advise if additional information is needed to complete the amendment.

I have advised the Santa Clara County of the State application and provided a copy of the application as well. I would like to thank you and your staff for the guidance during this process. Best wishes for a Happy New Year.

Sincerely,
