Dear Mr. Graves:

As you may be aware, the California State legislature passed the Digital Infrastructure and Video Competition Act (DIVCA) in 2006 that pertains to video franchising in California.

This communication is to notify you that Falcon Cable System Company II (FCSC II), dba Charter Communications received a State franchise on December 18, 2007 from the California Public Utilities Commission effective January 2, 2008. Falcon Cable System Company II (FCSC II) has applied for an amendment to the State franchise to include the areas currently served by Charter Communications in the County of Santa Clara under section 5920 (a) of DIVCA. I have provided a copy of the application to amend the State franchise for your files.

Lisa Ludivici or Del Heintz will continue to be your key contact for non-State franchise issues. Please feel free to contact me if you have any questions at 626-201-0471.

Sincerely,

A handwritten signature in black ink that reads 'Susie Evans' in a cursive script.
