Dear Michael:

Charter Communications is submitting amendments for two of its legal entities to be included in their State franchise, Falcon Cablevision and Falcon Cable Systems Company II. I have attached an amended application, Data file and Shapefiles for your review. Please advise if additional information is needed to complete the amendment,

I have advised the appropriate jurisdictions of the State application and provided a copy of the application as well. I would like to thank you and your staff for the guidance during this process.

Sincerely,
