Dear Michael:

Charter Communications is submitting amendments for three of its legal entities to be included in their State franchise, Charter Communications Entertainment II (CCEII), Marcus Cable Associates (MCA) and Falcon Cable Systems Company II (FCSCII). I have attached an amended application, Data file and Shapefiles for your review. Please advise if additional information is needed to complete the amendment.

The amendment for CCEII includes the City of Duarte. The franchise for that area is due to expire on June 29, 2008. The other areas included in the CCEII filings and the MCA filings are areas that qualify because of competition from a new entrant. The FCSCII filing is a new application to serve a small area in the County of Modoc contiguous to the City of Alturas.

I have advised the appropriate jurisdictions of the State application and provided a copy of the application as well. I would like to thank you and your staff for the guidance during this process.

Sincerely,

Susie Evans
Division Director of Government Relations
