Dear Mr. Morris:

This letter is to inform you that on August 26, 2008, Marcus Cable Associates, d/b/a Charter Communications completed the transaction to transfer the cable system known as Mountain House Community Services District (unincorporated San Joaquin County) to Comcast Cable Communications Management, LLC d/b/a Comcast.

It is our understanding that Comcast received a State Video Franchise Certificate from the California Public Utilities Commission to provide service to the community known as Mountain House Community Services District on July 28, 2008 and therefore has met the requirements of a transfer.

I have included an amendment for Marcus Cable Associates to reduce the franchise boundary area. If you have any questions, please feel free to contact me at 530-229-2213.

Sincerely,

A handwritten signature in cursive script that reads 'Susie Evans'.
