Dear Mr. Morris:

Charter Communications is submitting a second amendment for a State franchise for Marcus Cable Associates (MCA). I have attached an amended application, data file and shapefiles for your review. Please advise if additional information is needed to complete the amendment. I have used the most recent data template and amended application form.

The area included in the MCA filing qualifies because of competition from a new entrant. The area is in the unincorporated area of San Joaquin County known as Mountain House Community Services District. The County Board of Supervisors serves as the Board of Directors of the Mountain House Community Services District and therefore the signatory on the existing franchise.

I have advised the County Administrative Officer of the State application and provided a copy of the application as well. I would like to thank you and your staff for your guidance during this process.

Sincerely,

Susie Evans  
Division Director of Government Relations
