Re: Application for a New California State Video Franchise

Dear Mr. Morris:

Pursuant to your request, enclosed are the revisions to question 15 of the application for a new California State Video Franchise for Mediacom California LLC. As discussed, Mediacom is resubmitting question 15 in a shapefile in a geographic projection in the most recent PUC application template. We have revised the responses to questions 13 and 19 to reflect the additional areas included in this application.

Pursuant to the California Public Utilities Code, enclosed in hard copy are the original and one copy of Mediacom's application and attachments originally submitted on October 29, 2008 and the requested revisions as of today's date. We are also forwarding this package electronically to your attention.

Should you or anyone at the Commission need any further information, you may contact me at (845) 695-2650 or by email at bgluckman@mediacomcc.com.

Very truly yours,

Bruce Gluckman
Vice President, Legal and Regulatory Affairs
