RE: Amendment 9 to CA State Franchise No. 0005

Dear Mr. Morris:

Time Warner NY Cable LLC ("TWC"), doing business as Time Warner Cable, hereby submits an application for an amendment to its California State Video Franchise footprint. This request is to increase the footprint to include the following community as a newly franchised area.

City of Eastvale

Additionally, TWC currently holds state issued authority to provide service in the unincorporated portion of Riverside County which was annexed into, and is now part of, the incorporated City of Eastvale ("City"). In order to avoid overlap of franchise areas TWC is decreasing the portion of the footprint that was incorporated into the City.

I have enclosed an original and one copy of the Application, an electronic copy of the video franchise data and franchise area maps.

If you have any questions regarding this matter, please contact the undersigned.

Sincerely,

Monique Crawford
