Dear Mr. Morris:

WaveDivision VI, LLC d/b/a Wave Broadband is filing an application with the California Public Utilities Commission to amend its State video franchise, which became effective September 17, 2007 (Franchise Number 0004). Enclosed are two copies of the completed application form, including Appendixes A and B, and two CDs for each application. One CD contains confidential information pursuant to GO-66-C and the other CD contains information which is non-confidential. The CDs are marked accordingly.

In addition, pursuant to Question 13 of the application date template and Section 5840(o)(3) of the California Public Utilities Code, the application includes the Section 5840(n) notices from another state franchisee indicating that it is about to provide service in those jurisdictions that are part of this application.

Please do not hesitate to contact me should you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink that reads "David Hankin".
