Dear Mr. Morris:

This is in reference to the State video franchise application filed by WaveDivision VI, LLC, ("Wave") with the California Public Utilities Commission on August 9, 2007. Enclosed herein is additional information that further describes the video service areas in the data template.

Wave is providing this information because some of the Census Bureau maps had misidentified the census tracts and the color coating on the Census Bureau maps creates ambiguity in translating the mapping information.

Please do not hesitate to contact me should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "David Hankin".
