Advice Letter No. 25-W

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Mecchi Water Company (Mecchi) hereby transmits for filing a PDF copy of this advice letter 25-W:

REQUEST\PURPOSE

By AL 25-W, MECCHI requests compliance with the March 26, 2020 letter to Class B, C, and D Water and Sewer Utilities, signed by Alice Stebbins, Executive Director, regarding Emergency Customer Protections to Support Customers Affected by the COVID-19 State of Emergency. Please activate MECCHI CEMA on the effective date of Advice Letter 25-W.

BACKGROUND

On March 4, 2020, Governor Newsom declared a Statewide emergency due to an outbreak of a respiratory illness caused by COVID-19. In response, MECCHI suspended disconnections for nonpayment and implemented flexible payment plans for all residential and non-residential customers. These measures will remain in place until further notice.

ELIGIBILITY REQUIREMENTS FOR EMERGENCY CUSTOMER PROTECTIONS

Through this advice letter, MECCHI will implement consumer protections as described below for customers who self-certify that they have been financially affected by COVID-19, effective March 4, 2020, and will remain in place until March 4, 2021, or until otherwise ordered by the Commission.

MECCHI customers who self-certify that they are experiencing economic hardship due to COVID-19 will have their accounts identified or flagged in MECCHI's Customer Service System (CSS) as eligible for billing and credit protections as extended by the Commission. MECCHI will provide the following billing and credit protections:

1. Suspend disconnections for affected customers

When a customer self-identifies to MECCHI as being affected by COVID-19, MECCHI will suspend disconnections activities for those customers.

2. Waive deposit requirements and late fees

Mecchi Water Company

When a customer self-identifies to MECCHI as affected by COVID-19, MECCHI will immediately confirm that the customer accounts are flagged and ensure that late fees and deposit requirements for reestablishment of credit are waived.

3. **Implement flexible payment plan options**

MECCHI will collaborate with affected customers to establish reasonable payment arrangements based upon the individual customer's needs. MECCHI may also recommend agency assistance and programs available to qualifying, affected customers. At a minimum, MECCHI will collaborate with customers who have prior arrearages to establish the following bill payment arrangements:

- Initial payment no greater than 20 percent of the amount due; and
- The remainder in equal installments over at least 12 billing cycles.

For those affected customers with utility service but who go into arrearage after March 4, 2020, MECCHI will establish the following bill payment arrangement:

- Initial payment no greater than 20 percent of the amount due; and
- The remainder in equal installments over at least 8 billing cycles.
