

Lake Alpine Water Company

November 8, 2021

Advice Letter No. 132

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA:

LAKE ALPINE WATER COMPANY (LAWC), U148W, hereby transmits for filing this advice letter (AL).

Request:

To notify CPUC of the transfer of shares from the partnership known as Aspen Forest Investment Company, LLC (Aspen) to two individuals who are currently partners in that partnership. The partnership of Aspen is comprised of three individuals, Dan Breeding, Charles Toeniskoetter and Steve Hallgrimson. The Aspen portion of shares owned by Dan Breeding are being transferred to the individuals, Charles Toeniskoetter and Steven Hallgrimson. As a result, Charles Toeniskoetter will own 2750 shares or 27.5% of LAWC and Steve Hallgrimson will own 2250 shares or 22.50% of LAWC.

Background:

General Order 96B directs for Tier 1 advice Letter filings for information purposes. The transfer of issued shares of stocks between current stockholders does not fall under the requirements of PU Code Section 818 because Lake Alpine is not requesting to issue new shares of stocks or debt and the transaction does not involve any proceeds to Lake Alpine. There is also no change in control of the utility.

Tier Designation and Requested Effective Date:

This AL is submitted pursuant to GO 96-B. AL 131 is designated as a Tier 1 AL and will become effective upon filing.

Notice:

A copy of this AL has been served to all parties listed on the service list on the last page of this AL. This filing will not cause withdrawal of service nor conflict with any other schedule or rule.

Response or Protest:

Anyone may respond to or protest this AL. A response supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A protest objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the AL;
- (2) The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the AL contain material error or omissions;
- (4) The relief requested in the AL is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or

Lake Alpine Water Company

(6) The relief requested in the AL is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.)

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Division of Water and Audits within 20 days of the date this AL is filed.

The address for mailing or delivering a response or protest is:

California Public Utilities Commission
Water Division, 3rd Floor
505 Van Ness Avenue, San Francisco, CA 94102
water.division@cpuc.ca.gov

On the same date the response or protest is submitted to the CPUC, the respondent or protestant shall send a copy by mail (or e-mail) to us, addressed to:

Kimi Johnson, General Manager
Lake Alpine Water Company
PO BOX 5013
Bear Valley, CA 95223
Email: info@lakealpinewater.com

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform the Division of Water and Audits, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies:

The utility shall reply to each protest and may reply to any response. Any reply must be received by the Division of Water and Audits within 5 business days after the end of the protest period, and shall be served on the same day to the person who filed the protest or response.
