Advice Letter No. 32-W

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

MEYERS WATER COMPANY, INC. (MWC) hereby transmits for filing one original letter and one copy of this advice letter (AL #32-W).

SUMMARY

MWC is filing this Advice Letter in compliance with Directives D.19-07-015 and D.19-08-025 and Resolution M-4849 and in response to the Commission's March 17, 2021 letter with the subject, "Extension of Emergency Customer Protections to Support California Customers Through June 30, 2021."

BACKGROUND

On March 17, 2021 MWC was instructed by letter from Rachel Peterson, Executive Director, to file a Tier 1 Advice Letter to continue to provide customer protections as directed in D.19-07-015 and D.19-08-025 and Resolution M-4849 in response to the declared state of emergency caused by the COVID-19 pandemic. The following measures will be taken:

1. MWC will suspend disconnections of water service for delinquent accounts. Customers that are unable to pay their water bill as a result of the COVID-19 Pandemic State of Emergency, should contact MWC. These customers will still be responsible for paying their water bills once the current public health crisis has passed. Normal procedures will be restored, including those for addressing nonpayment of accrued amounts owed for past service.
2. Customer protections will extend to June 30, 2021.
3. MWC will continue to track incremental costs associated with complying with that resolution to its Catastrophic Event Memorandum Account (CEMA) and will also extend the appropriate memorandum account to June 30, 2021.

REQUESTED EFFECTIVE DATE

This filing is a Tier 1 advice letter per D.19-07-015 and D.19-08-025 and Resolution M-4849. MWC respectfully requests an effective date of April 1, 2021 for Advice Letter No. 32-W.

RESPONSE OR PROTEST¹

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the ADVICE LETTER;
2. The relief requested in the ADVICE LETTER would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the ADVICE LETTER contain material letter error or omissions;
4. The relief requested in the ADVICE LETTER is pending before the Commission in a formal letter proceeding; or
5. The relief requested in the ADVICE LETTER requires consideration in a formal letter hearing, or is otherwise inappropriate for the ADVICE LETTER process; or
6. The relief requested in the ADVICE LETTER is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest may not rely on policy objections to an ADVICE LETTER where the relief requested in the ADVICE LETTER follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. DWA must receive a response or protest via email (or postal letter mail) within 20 days of the date the ADVICE LETTER is filed. The addresses for submitting a response or protest are:
