Protests and Responses

Anyone may protest and respond to this Advice Letter. A Response supports the filing and may contain information that proves useful to the Commission in evaluating the Advice Letter. A Protest objects to the Advice Letter in whole or in part and must set forth specific grounds on which it is based.

These grounds may be based upon the following:

- (1) The utility did not properly serve or give notice of the Advice Letter; or
- (2) The relief requested in the Advice Letter would violate a statute or Commission order, or is not authorized by statute or Commission order on which the utility relies; or
- (3) The analysis, calculations, or data in the Advice Letter contain material error or omissions; or
- (4) The relief requested in the Advice Letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the Advice Letter requires consideration in a formal hearing, or is otherwise inappropriate for the Advice Letter process; or
- (6) The relief requested in the Advice Letter is unjust, unreasonable, or discriminatory (provided that such a Protest may not be made where it would require re-litigating a prior order of the Commission).

Any Protest or Response must be made in writing or by electronic mail and must be received by the Water Division of the Commission within 20 days of the date this Advice Letter is filed. The Advice Letter process does not provide for any Protests, Responses, or other comments, except for a reply by Utility Name, after the 20-day comment period expires.
