TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

ROGINA WATER COMPANY, INC. (RWC) hereby transmits for filing one original and one copy each of the following tariffs schedules which are attached hereto:

The present rates of RWC became effective on August 22, 2018 through Advice Letter No. 74, through which the Commission authorized RWC a CPI Increase of \$5,822 or 0.71% for year 2017. The last general rate increase was effective on July 14, 2016 pursuant to Resolution W-5094, which authorized an increase of \$87,071 or 11.88% for test year 2016.

**Summary**

This advice letter is filed to inform the California Public Utilities Commission of RWC's compliance with Resolution M-4849 and will extend the Emergency Customer Protections due to the Covid-19 Pandemic until June 30, 2021, as well as extend the appropriate memorandum account to June 30, 2021.

**Background**

On April 30, 2020 RWC filed Advice Letter No. 80, which reported on all customer protection measures the utility had implemented in response to Covid-19 and to activate its CEMA to track any costs related to Covid-19. These customer protections included suspending disconnection of water service for customers as well as waiving late fees for bills due during the public health crisis. To protect the Public Health and in compliance with Resolution M-4849, RWC will extend these customers protections and appropriate memorandum account to June 30, 2021.

**Requested Effective Date**

This filing is a Tier 1 advice letter. RWC respectfully requests an effective date of April 1, 2021 for Advice Letter No. 82.

**Notice**

In compliance with Section 4.3 of General Order 96-B, a copy of this advice letter has been mailed to all parties listed on the enclosed service list. In conformance with Ordering Paragraph No. 3 of Resolution No. W-4664, RWC will provide notice to its customers of the increase in dollar and percentage terms with the first bill that includes the increase.

This filing is made under the provision of General Order No. 96-B.

This filing will not cause withdrawal of service nor conflict with any other schedule or rule.
