ADVICE LETTER NO. 1383

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Pursuant to General Order 96-B, California-American Water Company (“California American Water”) (U210W) hereby submits for review this advice letter, including tariff sheets applicable to California American Water’s Southern Division.

Background:

California American Water filed Application (“A.”) 20-04-017 requesting the approval of the sale of Warring Water Service, Inc.’s (“Warring”) assets to California American Water. On August 4, 2022, the Commission approved the asset sale in Decision (“D.”) 22-08-005.

Discussion:

The requests contained in this advice letter relate to Ordering Paragraphs (“OP”) 7 & 10 of D. 22-08-005, which state:

7. *California American Water Company shall file within 10 days of this decision a Tier 1 Advice Letter to establish a Warring Transaction Cost Memorandum Account and to include Warring in its existing Memorandum Account for Environmental Improvement and Compliance Issues for Acquisitions.*

10. *California American Water Company’s request for authorization to establish a Warring Transaction Memorandum Account to record all of its future transaction costs consistent with this Decision is granted.*

Based on the foregoing OPs, California American Water submits the following requests to incorporate Warring’s memorandum accounts into California American Water’s tariffs.

Request:

In accordance with OP 7 of D.22-08-005, California American Water requests authorization to establish the Warring Transaction Costs Memorandum Account (WTCMA) and to expand California American Water’s existing Memorandum Account for Environmental Improvement and Compliance Issues with Acquisitions to include Warring.

Effective Date:

California American Water submits this as a Tier 1 advice letter and requests an effective date of August 15, 2022.

Notice:

Pursuant to Section 4.3 of General Order No. 96-B, a copy of this advice letter is being provided to those entities listed in the attached “SERVICE LIST PURSUANT TO SECTION 4.3 OF G.O. NO. 96-B.” Per guidance from the California Public Utilities Commission’s Water Division, during the COVID-19 pandemic, advice letters will only be delivered electronically to the service list.

Hardcopy advice letters will be mailed as soon as administrative staff are able to return to California American Water offices.

- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A debit or credit entry equal to interest on the balance in the account at the beginning of the month and half the balance after the above entries, at a rate equal to one-twelfth of the rate on 90-day non-financial Commercial Paper, as reported in the Federal Reserve Statistical Release, H.15 or its successor.
- c. A credit entry will be made to transfer the balances to the appropriate district Consolidated Expense Balancing Account's ("CEBA") upon Commission approval.
