August 2, 2022

**PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Suburban Water Systems (Suburban) submits this Tier 1 Advice Letter to inform the Commission that Suburban proposes to temporarily transfer out 285 acre feet of Central Basin water production rights to Montebello Land and Water Company through June 30, 2022 at no cost.

This information is provided to the Commission in compliance with Decision (D.) 21-10-024, Decision Approving and Adopting Settlement Agreement, Resolving Remainder of Disputed Issues and Authorizing Suburban Water Systems’ General Rate Increases For 2021, 2022, and 2023 which adopted the settlement agreement.

Ordering Paragraph No. 2 of D.21-10-024 states:

*The joint motion (filed on April 14, 2021) for adoption of the Settlement Agreement is granted, and the Settlement Agreement attached to this decision as Appendix A is approved and adopted.*

Appendix A, Revised Settlement Agreement Between Suburban Water Systems and the Public Advocates Office, section J (Water Rights Leases), first bullet point states:

*Suburban will file a Tier 1 Advice Letter with the Commission before leasing its water rights out to other entities.*

A copy of the “Water Right License and Agreement” has been included as Attachment B.

**Tier Designation and Effective Date**

This is a Tier 1 filing – the advice letter is a compliance advice letter.

Suburban requests that the temporary transfer out of 285 acre feet of Central Basin water production rights to Montebello Land and Water Company which is the subject of this advice letter be effective on June 30, 2022, the last day of the fiscal year water production year.

In compliance with Water Industry Rule 4.3 of General Order 96-B, a copy of this advice letter has been mailed or electronically transmitted to all interested and affected parties as detailed in Attachment A.

**Response or Protest**

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter.

A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds may be based upon the following:

- (1) The utility did not properly serve or give notice of the advice letter; or
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies; or

- (3) The analysis, calculations, or data in the advice letter contain material error or omissions; or
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require re-litigating a prior order of the Commission).

A protest may not rely on policy objections to an Advice Letter (AL) where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed.

The addresses for submitting a response or protest are:

Email Address:  
Water.Division@cpuc.ca.gov

Mailing Address:  
California Public Utilities Commission  
Division of Water and Audits, 3rd Floor

On the same date any protest or response is submitted to the Water Division, the respondent or protestant must serve a copy of the protest or response to: Suburban Water Systems, Kiki Carlson, Regulatory Affairs Manager, 1325 N. Grand Ave., Suite 100, Covina, CA 91724-4044, and email kcarlson@swwc.com

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform the Water Division, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies: The utility shall reply to each protest and may reply to any response. Each reply must be received by the Division of Water and Audits within 5 business days after the end of the protest period, and shall be served on the same day to the person who filed the protest or response. If you have not received a reply to your protest within 10 business days, contact Suburban Water Systems at (626) 543-2500.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

Sincerely,

/s/Kiki Carlson
