For 3-inch meter.....	\$ 16,838.23	(I)
For 4-inch meter.....	\$ 28,063.72	(I)

The annual service charge is applicable to all metered service. It is a readiness to serve charge to which is added the charge for water used during the billing period computed at the Quantity Rate.

SPECIAL CONDITIONS

1. The annual service charge applies to service during the 12-month period commencing January 1 and is due in advance. If a permanent resident of the area has been a customer of the utility for at least 12 months, he may elect, at the beginning of the calendar year, to pay prorated service charges in advance at intervals of less than one year (monthly, bimonthly or quarterly) in accordance with the utility's established billing periods.

2. The opening bill for metered service, except upon conversion from flat rate service, shall be the established annual service charge for the service. Where initial service is established after the first day or any year, the portion of such annual charge applicable to the current year shall be determined by the multiplying the annual charge by one three-hundred-sixty-fifth (1/365) of the number of days remaining in the calendar year. The balance of the payment of the initial annual charge shall be credited against the charges for the succeeding annual period. If a service is not continued for a least one year after the date of initial service, no refund of the initial annual charges shall be due the customer.

3. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
