84-SS	Table of Contents	82-SS

REQUEST

To adopt the surcharge rate to fund the Public Utilities Commission Reimbursement Fee pursuant to Resolution (Res.) M-4841 issued July 17, 2020.

BACKGROUND

By Res. M-4841, the Commission authorized the Public Utilities Commission Utilities Reimbursement Account User Fees that will become effective October 1, 2020.

As indicated in Res. M-4841, the Water and Sewer user fee rate which was previously 1.23% will be 1.43% effective October 1, 2020.

TIER DESIGNATION AND REQUESTED EFFECTIVE DATE

This AL and the enclosed tariff sheets are submitted pursuant to General Order (GO.) 96-B. AL 7-S is designated as a Tier 1 AL and the enclosed tariff sheets will become effective upon filing.¹

NOTICE

A copy of this AL has been served to all parties listed on the service list² on the last page of this AL. This filing will not cause withdrawal of service nor conflict with any other schedule or rule.

RESPONSE OR PROTEST³

Anyone may respond to or protest this AL. A response supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A protest objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;

¹ GO. 96-B, Water Industry Rule 7.3.1

² GO. 96-B, Water Industry Rule 4.1

³ GO. 96-B, General Rule 7.4.1

5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. The addresses for submitting a response or protest are:

The informing document should include an estimate of the date the proposed protest might be voted on.

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.⁴
