Advice Letter No. 1893-W **(U 133 W)**

California Public Utilities Commission

PURPOSE

Pursuant to Rule VIII.D of the Affiliate Transaction Rules ("Rules"), Golden State Water Company ("GSWC") submits this Advice Letter No. 1893-W to notify the California Public Utilities Commission ("Commission") that, as of November 30, 2022, State Street Corporation has acquired more than 10% of American States Water Company ("AWR"), GSWC's parent, outstanding shares and thereby definition is an Affiliate.[1] GSWC further requests that the Rules VII.B, VIII.A, VIII.B and VIII.D not be applied to State Street Corporation and its affiliates on the following conditions: (1) that there are no affiliate transactions between State Street Corporation and GSWC; and (2) that State Street Corporation continues to file a Schedule 13G with the Securities and Exchange Commission ("SEC") for acquisition of AWR stock. GSWC's request for a conditional waiver of the Rules is permitted by and consistent with Rule VIII.D. The waiver request is consistent with GSWC's Advice Letter No. 1640-W approved by the Commission on November 17, 2015 in which GSWC similarly requested a waiver from Rules VII.B, VIII.A, VIII.B and VIII.D for its affiliate, The Vanguard Group ("Vanguard"), attached hereto as **Attachment A**.

BACKGROUND

In accordance with Decision No. ("D.") 10-10-019, D.11-10-034 and as modified by D.12-01-042, GSWC must notify the Commission of the creation of a new affiliate and may request that the Commission waive application of the Rules by Tier 2 advice letter. While GSWC believes that the entity in question, State Street Corporation and its affiliates, should not be considered an affiliate under the Rules, GSWC files this Advice Letter 1893-W to notify the Commission of an acquisition of AWR stock by State Street Corporation and to request that the Commission not apply the Rules to State Street Corporation and its affiliates, as permitted by Rule VIII.D. GSWC requests a waiver from Rules VII.B, VIII.A, VIII.B and VIII.D with respect to State Street Corporation and its affiliates, provided certain conditions are met, and pursuant to the process established by the Commission.

---

[1] Rule II.E – "For purposes of these Rules, "affiliate" includes . . . any company that directly or indirectly owns, controls, or holds the power to vote more than 10 percent of the outstanding voting securities of a utility or its parent company."

On or about November 30, 2022, the State Street Corporation, a self-described parent holding company, and SSGA Funds Management, Inc., an affiliate of State Street Corporation ("State Street Corp. and its Affiliate"), jointly filed a Schedule 13G with the SEC indicating State Street Corporation acquired 10.08% and SSGA Funds Management, Inc. acquired 6.37% of the common stock of AWR, GSWC's parent company. In that schedule, State Street Corp. and its Affiliate certified that the stock was acquired and held "in the ordinary course of business" and was not acquired and not held "for the purpose or with the effect of changing or influencing the control of the issuer" or "in connection with or as a participant in any transaction having that purpose or effect". A copy of Schedule 13G is attached hereto as **Attachment B**.

GSWC became aware of the stock acquisition after State Street Corporation and SSGA Funds Management, Inc. jointly filed Schedule 13G with the SEC. To GSWC's knowledge, State Street Corporation is a financial holding company incorporated in Massachusetts and does not provide water or wastewater related products or services. State Street Corporation has a market capitalization of approximately 29.8 billion dollars[2], with a credit rating of A1/A.[3] To GSWC's knowledge, SSGA Funds Management, Inc. is an affiliate and the investment management division of State Street Corporation, is incorporated in Massachusetts, and does not provide water or wastewater related products and services. SSGA Funds Management, Inc. manages about $3.26 trillion in global assets as of September 30, 2022.[4]

GSWC believes that State Street Corporation and its Affiliate are not considered an affiliate of GSWC under the Rules and as a result, no further action is required. However, GSWC has determined that the third party purchaser of more than 10% of the stock of a utility's parent company is considered an affiliate of the utility, according to Rule II.E (definition of affiliate). Based on that potential interpretation of the Rules, GSWC is filing this Advice Letter No. 1893-W.

As permitted by Rule VIII.D, GSWC requests a waiver from Rules VII.B, VIII.A, VIII.B and VIII.D with respect to State Street Corp. and its Affiliate on the following conditions: (1) there are no affiliate transactions between State Street Corp. and its Affiliate, and GSWC; and (2) State Street Corp. and its Affiliate continue to file a Schedule 13G with the SEC for acquisition of AWR stock[5].

[5] In Schedule 13G, State Street Corporation and SSGA Funds Management, Inc. certify that they are not holding AWR stock for the purpose or with the effect of changing or influencing the control of the issuer.

Rule VIII.D Request for Waiver:
GSWC's Request for a Conditional Waiver as to State Street Corp. and its Affiliate is Consistent with the Rules.

Under Rule VIII.D, a utility may request, through a Tier 2 advice letter, that the Rules not be applied to a new affiliate. If the utility makes such a request, it must include an explanation of why the Rules should not apply to the new affiliate.

This Advice Letter No. 1893-W complies with the requirements of Rule VIII.D:

(1) Consistent with Rule VIII.D, Advice Letter No. 1893-W is filed within 60 days of State Street Corporation's acquisition of more than 10% of the stock of GSWC's parent company. State Street Corp. and its Affiliate filed a Schedule 13G with the SEC disclosing State Street Corporation's 10.08% interest in AWR on November 30, 2022. GSWC is filing Advice Letter No. 1893-W notifying the Commission of the State Street Corporation stock acquisition today, January 9, 2023.

(2) As specifically authorized by Rule VIII.D, Advice Letter No. 1893-W properly requests that the Rules not be applied to the new affiliate and explains why the Rules should be waived in this instance. First, GSWC requests that Rules VII.B, VIII.A, VIII.B and VIII.D not be applied to State Street Corp. and its Affiliate. Instead of requesting waiver from all applicable Rules, which is permitted under Rule VIII.D, GSWC is merely requesting a limited and conditional waiver. Specifically, GSWC is requesting that Rules VII.B, VIII.A, VIII.B and VIII.D not apply to State Street Corp. and its Affiliate on the following conditions: (1) there are no affiliate transactions between State Street Corp. and its Affiliate, and GSWC; and (2) State Street Corp. and its Affiliate continue to file a Schedule 13G with the SEC for acquisition of AWR stock.

The Rules should be conditionally waived as to State Street Corp. and its Affiliate because: State Street Corp. and its Affiliate certified in its Schedule 13G filed that its acquisition of AWR stock was acquired and held "in the ordinary course of business" and was not acquired and not held "for the purpose of with the effect of changing or influencing the control of the issuer" and State Street Corp. and its Affiliate are not owned or controlled by AWR or GSWC. Further, State Street Corp. and its Affiliate are global investment management companies that do not provide water or wastewater products or services.

- Rule VII.B (bond downgrading) should be waived because the downgrading of State Street Corporation's credit rating will have no impact on GSWC, and AWR stock value will continue to be based on market conditions applicable to AWR, not State Street Corp. and its Affiliate. Moreover, State Street Corp. and its Affiliate have no legal obligation or business reason to inform GSWC of bond downgrading.

- Rule VIII.A (access to officers and employees) should be waived as to State Street Corp. and its Affiliate because GSWC does not have access to or control over State Street Corp. and its Affiliate's officers or employees. Further, State Street Corp. and its Affiliate have no legal obligation or business reason for providing GSWC with access to its officers and employees.

- Rule VIII.B (access to books and records) should be waived as to State Street Corp. and its Affiliate because GSWC does not have access to or control over State Street Corp. and its Affiliate's books and records. Further, State Street Corp. and its Affiliate have no legal obligation or business reason for providing GSWC with access to its books and records.

- Rule VIII.D (creation of new affiliates) should be waived as to State Street Corp. and its Affiliate because GSWC does not have access or control over State Street Corp. and its Affiliate's books or records regarding the creation of any new affiliates by State Street Corporation, SSGS Funds Management, Inc. or its affiliates. Further, State Street Corp. and its Affiliate have no legal obligation or business reason for providing GSWC with this information. In addition, given State Street Corp. and its Affiliate's size, it is extremely unlikely that any entity would acquire an interest in State Street Corp. and its Affiliate sufficient to trigger Rule VIII.D.

GSWC's requested limited and conditional exemption is justified because GSWC does not intend to engage in transactions with State Street Corp. and its Affiliate. In addition, as stated in State Street Corp. and its Affiliate's Schedule 13G filing, State Street Corp. and its Affiliate did not acquire AWR's stock for the purpose of influencing the control of American States Water Company. Further, State Street Corp. and its Affiliate have no legal obligation or business reason to inform GSWC of bond downgrading or to provide access to its books, records, officers or employees.

REQUEST

Pursuant to Rule VIII.D, GSWC requests that Rules VII.B, VIII.A, VIII.B, and VIII.D not be applied to State Street Corporation and its affiliate, SSGA Funds Management, Inc. so long as there are no affiliate transactions found to occur between State Street Corp. and its Affiliate and GSWC, Public Advocates Office is made aware of any State Street Corp. and its Affiliate shareholder resolutions, and State Street Corp. and its Affiliate continue to file a Schedule 13G with the SEC related to the accumulation of AWR stock.

EFFECTIVE DATE

GSWC is requesting that this filing become effective upon approval.

TIER DESIGNATION

Pursuant to General Order No. 96-B, this advice letter is submitted with a Tier 2 designation.

RESPONSE OR PROTEST[6]

Anyone may submit a response or protest for this advice letter ("AL"). When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds[7] are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

6 G.O. 96-B, General Rule 7.4.1
7 G.O. 96-B, General Rule 7.4.2

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

Water Division ("WD") must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Email Address:	**Mailing Address:**
Water.Division@cpuc.ca.gov	CA Public Utilities Commission Water Division 505 Van Ness Avenue San Francisco, CA 94102

On the same day the response or protest is submitted to WD, the respondent or protestant shall send a copy of the protest to Golden State Water Company at:

Email Address:	**Mailing Address:**
regulatoryaffairs@gswater.com	Golden State Water Company Attn: Jenny Darney-Lane 630 East Foothill Blvd. San Dimas, CA 91773

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

REPLIES[8]

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

8 G.O. 96-B, General Rule 7.4.3

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

Sincerely,
