Tahoe Park Water Company 5000 Windplay Dr., Suite 4 El Dorado Hills, CA 95762

December 19, 2024

Advice Letter No. 82

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Tahoe Park Water Company (TPWC) hereby transmits for filing the following changes in its tariff schedules and two copies of each are attached hereto:

Cal. P.U.C.			Cancelling
Sheet No.	Title of Sheet	Schedule No.	Sheet No.
540-W	Annual Metered Service	1A	532-W
541-W	Annual Metered Service	1B	533-W
542-W	Annual Residential Flat Rate Service	2RA-TP	534-W
543-W	Annual Residential Flat Rate Service	2RA-SKY	535-W
544-W	Private Fire Protection Service	4	536-W
545-W	Table of Contents	None	537-W

The present rates became effective on December 11, 2023 pursuant to Advice Letter No. 80, which implemented the CPI-U increase for 2022. The resulting revenues are shown on the attached Earnings Test.

The last General Rate Case increase became effective November 4, 2021 pursuant to ResolutionW-5246, which authorized a general rate increase of \$99,148 or 15.3% with a 10.4% return on rate base.

These tariffs are submitted pursuant to Ordering Paragraph No. 1 of Decision No. 92-03-093, dated March 3, 1992, Ordering Paragraph No. 2 of Resolution (Res.) W-4493, dated September 2, 2004, or Ordering Paragraph No. 1 of Res. W-4540, dated June 16, 2005. The decision and resolutions authorized Class B, C, and D water utilities and sewer utilities to file a request for a Consummer Price Index increase once a year by advice letter. The increase is to be passed on to the utility's customers in their quantity rate and service charge. The above referenced decision and resolutions authorize Tahoe Park to file the attached rate schedules and to concurrently withdraw and cancel its present schedules for such service.

TPWC requests permission to increase its revenues (based on increase to the present monthly quantity rate and service charge) by 3.4%, the CPI-U for 2023. This projected revenue increase of \$27,048.87 will not result in a Rate of Return that exceeds the authorized 10.4% approved by Res. No. W-5246, Nov. 4, 2021. Workpapers justifying this increase have been provided to the CPUC Water Division staff.

This AL and the enclosed tariff sheets are submitted pursuant to General Order (GO.) 96-B. AL 82 is designated as a Tier 1 AL and the enclosed tariff sheets will become effective upon filing.⁶

NOTICE

This AL does not require notice; however, the utility shall inform its customers, by bill insert in the first bill that includes the increase, of the amount of the increase expressed in dollar and percentage terms. A copy of this AL has been served to all parties listed on the service list on the last page of this AL. This filing will not cause withdrawal of service nor conflict with any other schedule or rule.

RESPONSE OR PROTEST¹⁰

Anyone may respond to or protest this AL. A response supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A protest objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- 1. The utility did not properly serve or give notice of the AL.
- 2. The relief requested in the AL would violate statute or Commission order or is not authorized by statute or Commission order on which the utility relies.
- 3. The analysis, calculations, or data in the AL contain material error or omissions.
- 4. The relief requested in the AL is pending before the Commission in a formal proceeding or
- 5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process or
- 6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

⁶ GO. 96-B, Water Industry Rule 7.3.1

⁷ GO. 96-B, General Rule 4.2

⁸ GO. 96-B, General Rule 3.2

⁹ GO. 96-B, Water Industry Rule 4.1

¹⁰ GO. 96-B, General Rule 7.4.1

Cities and counties that need Board of Superstants or Board of Commissioners approval to protest should indoes WD within the 20-day protest parted, as that a list filled protest can be constrained. The informing document should methods an astimute of the date the proposed p myle be wated an

served on the same day on each person who filed the protest or response to the AL The actiting shall empty to exact precises and may really to any response. Any reply must be received by WD within five business days after the end of the process period, and shall be

Cal. P.U.C. Sheet No. Cal. P.U.C. Sheet No.

544-W 536-W

Schedule No. 4

PRIVATE FIRE PROTECTION SERVICE

APPLICABILITY

Applicable to all water service furnished for private fire systems and to private fire hydrants.

TERRITORY

This schedule is applicable within the entire territory served by the utility.

(T)

RATES

Per Year

For each inch of diameter of service connection

\$515.18

(1)

SPECIAL CONDITIONS

1. The customer will pay, without refund, the entire cost of the private fire facilities.

(T)

- The private fire service facilities shall be installed by the utility or under the utility's
 direction and shall be the sole property of the applicant but subject to the control of
 the utility, with the right to alter, repair, replace, and the right to remove upon
 discontinuance of service.
- 3. The minimun diameter for the private fire service connection will be 1 inch. The maximun diameter shall not be larger than the diameter of the water main to which the private fire service facilities are connected.
- 4. If a water main of adequate size is not available adjacent to the premises to be served, then a new main from the nearest existing main of adequate size will be installed by the utility at the cost of the customer. Such cost shall not be subject to refund.
