Enclosures

**Easton Estates Water Company
Discontinuation of Service for Nonpayment Policy
Effective September 30, 2024**

Delinquent Accounts

Upon a bill becoming delinquent, the Utility shall give the person or entity responsible for payment of the bill (hereinafter referred to as "customer") a notice of delinquency stating that water service will be discontinued after 60 days. A bill is considered delinquent if it is not paid within 19 days of mailing. The delinquent notice will be mailed to the mailing address designated on the account. If the mailing address and the address of the property to which water service is provided are different, a second notice will be mailed to the service address and addressed to "Occupant".

Alternative Payment Arrangements or Extensions

Any customer who is unable to pay for water service within the normal payment period may request an alternative payment arrangement or extension to avoid disruption of service by calling (559) 439-0198 before discontinuance of service to request a deferred (paying at a later date), reduced, or some other alternative payment schedule, including amortization (spreading payments out over an agreed upon period of time not to exceed 12 months) of the unpaid charges as set forth in Rule No. 11.B.1.e. Services will not be discontinued for nonpayment for any customer who complies with an alternate payment arrangement, as long as the customer also keeps current on his or her account for water service as charges accrue in each subsequent billing period.

Customers who would like to contest or appeal their bill can do so through the California Public Utilities Commission's (CPUC) informal or formal process. Information is located on the back of the bill. Billing complaints are handled by the CPUC's Consumer Affairs Branch (CAB) and can be submitted online: <http://www.cpuc.ca.gov/complaints/>, by telephone: 1-800-649-7570 (8:30 AM to 4:30 PM, Monday through Friday) or by mail: California Public Utilities Commission, Consumer Affairs Branch, 505 Ban New Avenue, 3rd Floor, San Francisco, CA 94102. The appeal of the disputed bill to the Commission shall be in accordance with the Commission's Rules of Practice and Procedure. Customers who would like to discuss options to avoid a shutoff for non-payment may contact the utility. Additional information on disputing bills is available in Rule No. 10.

Notice to Tenants or Occupants

The Utility will make a reasonable, good faith effort to inform the occupants, by means of written notice, when the water service account is in arrears and subject to disconnection at least 10 days before water service is shut off. The written notice will advise the tenants/occupants that they have the right to become customers of the Utility.

Final Disconnection Notice

Failure to comply with the terms of a payment plan for 60 days or more, or failure to pay current residential service charges for 60 days or more, will result in the issuance of a final disconnection notice. The final disconnection notice will be in the form of a door hanger delivered to the premises no less than 5 business days in advance of discontinuance of service.

Restoration of Service

In order to resume or continue service that has been disconnected for non-payment, the customer may be required to pay a re-connection charge. The terms and conditions for the re-establishment charges are available for reference in Rule No. 11.C.

(1) Where individually metered water service is provided, the utility will make every good faith effort to inform the occupants by means of a notice at least 10 days prior to any discontinuance, when the account is in arrears, that service will be discontinued. In addition to including the information prescribed in Rule No. 5, the notice will inform the occupants that, if the utility's verification and other requirements are met, they have the right to become a customer, to whom the service will then be billed, without being required to pay any amount which may be due to the delinquent account.

(2) Where master metered service is provided, the written notice will be at least 15 days prior to discontinuance of service. The notice will be posted on the door of each residential unit. If it is not reasonable or practical to post the notice on the door of each residential unit, the utility will post two copies of the notice in each accessible common area and at each point of access to the structure or structures.

(3) Notice to occupants shall be independent of, and in addition to, other notice(s) as may be prescribed in the utility's tariffs.

c. All notices of discontinuance for nonpayment relating to residential services will be in English, the languages listed in Section 1632 of the Civil Code (Spanish, Chinese, Korean, Vietnamese, Tagalog), and any other language spoken by 10 percent or more of the customers in the utility's service area. The notice will include the information prescribed in Rule No. 5.C.

A. Correctness of Bill (T)

Any customer (or adult occupant of a residential service address) who has initiated a complaint to the utility or requested an investigation by the utility within five days of receiving a contested bill shall be given an opportunity for review of such complaint or investigation by a review manager of the utility. The review shall include consideration of whether the customer should be permitted to amortize the unpaid balance of her or his account over a reasonable period of time.

B. Notice of Deposit to Avoid Discontinuance (T)

If an explanation satisfactory to the customer is not made by the utility and the bill is not paid within 19 days after its presentation or at the time the explanation is made, whichever is longer, the utility will notify the customer in writing substantially as follows:

1. To avoid discontinuance of service, in lieu of paying the bill in question, the residential customer within 15 days and the nonresidential customer within 7 days of the date of this notice, may deposit with the California Public Utilities Commission, Consumer Affairs Branch, 505 Van Ness Avenue, 3rd Floor, San Francisco, California 94102 the amount of the bill claimed by the utility to be due. Review of the dispute will be conducted by the Commission's Consumer Affairs Branch. Pending the Commission's review of the disputed bill, water service will not be discontinued.

C. Commission Appeal (C)

When a customer and the utility fail to agree on a bill for service:

1. In lieu of paying the disputed bill, the customer may deposit, with the California Public Utilities Commission, Consumer Affairs Branch, 505 Van Ness Avenue, 3rd Floor, San Francisco, California 94102, the amount claimed by the utility to be due. Whether or not the residential customer makes a deposit with the California Public Utilities Commission, the utility shall not discontinue the water service of any residential customer for a minimum total of 79 days from the date of mailing its bill for services, postage prepaid.
2. Checks or other forms of remittance for such deposit should be made payable to the California Public Utilities Commission and should be accompanied with the bill in question and a statement setting forth the basis for the dispute of the amount of the bill.
3. Upon receipt of the deposit, the bill and the customer's statement of the dispute, the Commission will notify the utility, will review the basis of the billed amount, and will advise both parties of its findings and disburse the deposit in accordance therewith.

DISCONTINUANCE AND RESTORATION OF SERVICE

A. Customer's Request for Discontinuance of Service

1. A customer may have service discontinued by giving not less than two days' advance notice thereof to the utility. Charges for service may be required to be paid until the requested date of discontinuance or such later date as will provide not less than the required two days' advance notice.
2. When such notice is not given, the customer may be required to pay for service until two days after the utility has knowledge that the customer has vacated the premises or otherwise has discontinued water service.

B. Discontinuance of Service by Utility

(C)

1. For Nonpayment of Bills

a. Past-Due Bills.

When bills are rendered monthly or bimonthly, they will be considered past due if not paid within 19 days from the date of mailing.

(1) Residential Service

For the purposes of this rule, residential service means water service to a residential connection that includes single-family residences, multifamily residences, mobilehomes, including, but not limited to, mobilehomes in mobilehome parks, or farmworker housing. When bills are rendered monthly or bimonthly, they will be considered past due if not paid within 19 days from the date of mailing. The utility shall allow every residential customer a total of 79 days from the date of mailing its bill for services, postage prepaid, to make payment of the bill prior to discontinuance of service. The utility shall not discontinue residential service for nonpayment of a delinquent account unless the utility first gives notice of the delinquency and impending discontinuance, in conformance with Rule No. 8.A.3, which establishes notice periods ranging from 7 to 15 days, depending on the occupancy type. The utility will provide notices timely to ensure that the applicable notice period is included in the total 79-day period referenced above and does not provide additional time to pay.

(2) All Other Service (nonresidential)

The utility shall not discontinue nonresidential service for nonpayment of a delinquent account unless the utility first gives notice of the delinquency and impending discontinuance in conformance with Rule No. 8.A.4.

(3) Waiving of Late Payment Charge. In accordance with Resolution W-5323, a customer taking Residential Service who demonstrates household income below 200 percent of the federal poverty level (or is otherwise deemed by the Water Shutoff Protection Act as having a household income of below 200 percent of the federal poverty level), the Late Payment Charge on past-due bills as authorized in Schedule No.LC shall be waived once every 12 months."

The customer's service, however, will not be discontinued for nonpayment until the amount of any deposit made to establish credit for that service has been fully absorbed.

g. Timing of Disconnection

Service will not be discontinued by reason of delinquency in payment for service on any Saturday, Sunday, legal holiday, or at any time during which the business offices of the utility are not open to the public. The utility will avoid disconnection of service on Fridays and a day prior to a holiday. The utility will inform customers of the option to reconnect during regular business hours to avoid the more costly fees associated with after-hours service.

h. Where the owner, manager, or operator of the dwelling, structure, or park is listed by the utility as the customer of record, and water service is provided to residential occupants in a detached single-family dwelling, a multi-unit residential structure, mobilehome park, or permanent residential structure in a labor camp the utility will make every good faith effort to inform the residential occupants, by written notice in conformance with Rule No. 8.A.3.b.
