A protest shall provide citations or proofs where available to allow staff to properly consider the protest. A response or protest must be made in writing or by electronic mail and must be received by DWA within 20 days of the date this AL is filed.

**DISCONTINUANCE AND RESTORATION OF SERVICE**

A. Customer's Request for Discontinuance of Service

- 1. A customer may have service discontinued by giving not less than two days' advance notice thereof to the utility. Charges for service may be required to be paid until the requested date of discontinuance or such later date as will provide not less than the required two days' advance notice.
- 2. When such notice is not given, the customer may be required to pay for service until two days after the utility has knowledge that the customer has vacated the premises or otherwise has discontinued water service.

B. Discontinuance of Service by Utility

1. For Nonpayment of Bills

a. Past-Due Bills.

When bills are rendered monthly or bimonthly, they will be considered past due if not paid within 19 days from the date of mailing.

(1) Residential Service

For the purposes of this rule, residential service means water service to a residential connection that includes single-family residences, multifamily residences, mobilehomes, including, but not limited to, mobilehomes in mobilehome parks, or farmworker housing. When bills are rendered monthly or bimonthly, they will be considered past due if not paid within 19 days from the date of mailing. The utility shall allow every residential customer a total of 79 days from the date of mailing its bill for services, postage prepaid, to make payment of the bill prior to discontinuance of service. The utility shall not discontinue residential service for nonpayment of a delinquent account unless the utility first gives notice of the delinquency and impending discontinuance, in conformance with Rule No. 8.A.3, which establishes notice periods ranging from 7 to 15 days, depending on the occupancy type. The utility will provide notices timely to ensure that the applicable notice period is included in the total 79-day period referenced above and does not provide additional time to pay.
