Advice Letter No. 6-S

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Mayacama Sewer Company (MAYACAMA) hereby transmits for filing one original and one copy of this advice letter (AL) and the following tariff sheets which are enclosed:

<u>NEW SHEET #</u>	<u>TITLE</u>	<u>CANCELLING SHEET #</u>
128-S	Schedule No. 1, General Flat Rate Service	124-S
129-S	Table of Contents	127-S

REQUEST

By AL No. 6-S, MAYACAMA requests permission to increase its revenues (based on increase to the present monthly quantity rate and service charge) by 3.4%, the Consumer Price Index (CPI) for 2023. The projected revenue increase of \$5,096 will not result in a rate of margin which exceeds the authorized rate of margin of 19%. Workpapers justifying this increase are enclosed.

BACKGROUND

The present rates became effective on January 5, 2006, by approval of AL No. 2-S, which established the present rates.

Decision 03-08-056 granted a certificate of public convenience and necessity to construct and operate a public utility sewer system with a rate of margin of 19%.

AL No. 6-W is filed pursuant to Ordering Paragraphs No. 1 of Decision 92-03-093 and Resolution W-4493, which authorize Class C and D water and sewer utilities to file a request for a CPI increase once a year by AL. The increase is to be passed on to the utility's customers in their quantity rate and service charge.

TIER DESIGNATION AND REQUESTED EFFECTIVE DATE

This AL and the enclosed tariff sheets are submitted pursuant to General Order (GO.) 96-B. AL No. 6-S is designated as a Tier 1 AL and the enclosed tariff sheets will become effective upon

filing.¹

NOTICE

This AL does not require notice;² however, the utility shall inform its customers, by bill insert in the first bill that includes the increase, of the amount of the increase expressed in dollar and percentage terms.³ A copy of this AL has been served to all parties listed on the service list⁴ on the last page of this AL. This filing will not cause withdrawal of service nor conflict with any other schedule or rule.

RESPONSE OR PROTEST⁵

Anyone may respond to or protest this AL. A response supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A protest objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. The Water Division (DW) must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. The addresses for submitting a response or protest are:
