REVISIONS  
ATTACHED  
AS REQUESTED  
THANKS

CHAND 11-7-07

Re: Ostrom Family Trust Debt

In connection with your letter dated October 12, 2007, it is recommended that the Ostrom Family Trust long-term debt of \$46,235.15 (which have been carried in your books since 1988, and apparently created as a balancing amount), be re-classified to retained earnings. The retained earnings account accumulates as the company earns profits and reinvests or retains profits in the company.

Using your 2006 Annual Report, the following entries are suggested:

	<u>Debit</u>	<u>Credit</u>
Long-term debt	\$46,235.15	
Retained Earnings		\$46,235.15

The above entries will reduce long-term debt to \$18,772.85 and produce a net negative balance in retained earnings of \$630.85. Total Equity and Liabilities remain at \$49,144.00.

Please do the necessary corrections, and provide us with the revised Schedule A-Balance Sheet (December 31, 2006) and revised Schedule E - Long Term Debt, by November 5, 2007.

If you have any questions, please call Ramon Go at (415) 703-1350.

Very truly yours,  
  
Kayode Kajopaiye, Chief  
Utility Audit, Finance & Compliance Branch
