ACCOUNTANT'S COMPILATION REPORT

May 15, 2014

Hillview Water Company
P.O. Box 2269
Oakhurst, CA 93644

We have compiled the balance sheets of Hillview Water Company, Inc. as of December 31, 2013 and 2012, and the related income statement for the year ended December 31, 2013, included in the accompanying prescribed form. We have also compiled the supplementary information included on page 6 (Balance Sheet Data and Capitalization), page 7 (Income Statement and Other Data), page 8 (Excess Capacity and Non-Tariffed Services), pages 11 (Schedule A-1) through 21 (Schedule A-17), pages 23 (Schedule B-1) through 27 (Schedule C-2), and pages 32 through 34 (For All Water Companies Safe Drinking Water Bond Act / State Revolving Fund Data and Facilities Fees Data). We have not audited or reviewed the accompanying financial statements and supplementary schedules and, accordingly, do not express an opinion or provide any assurance about whether the financial statements and supplementary schedules are in accordance with the form prescribed by the Public Utilities Commission of the State of California.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with requirements prescribed by the Public Utilities Commission of the State of California and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

These financial statements (including related disclosures) are presented in accordance with the requirements of the Public Utilities Commission of the State of California, which differ from accounting principles generally accepted in the United States of America.

The supplementary information contained on page 5 (General Information), pages 27 (Schedule C-3) through page 31, page 35, and Supplementary 28a of the accompanying prescribed form has not been audited, reviewed, or compiled by us, and, accordingly, we assume no responsibility for that information.

We are not independent with respect to Hillview Water Company.

Instructions for Preparation of Schedule of Contributions in Aid of Construction

1. The credit balance in the account other than that portion of the balance relating to non-depreciable property (column d), to property retired prior to January 1, 1955 (column e), shall be written off through charges to this account and credits to Account No. 108, Accumulated depreciation of water plant, over a period equal to the estimated service life of the property involved. Upon retirement of depreciable property for which a depreciation reserve has been created through charges to this account, the cost thereof shall be credited to the appropriate plant account and concurrently charged to Account No. 108. If the property is retired prior to the service life originally estimated, the balance in this account with respect to the retired property shall be transferred to the depreciation reserve account.
2. That portion of the balance applicable to non-depreciable property shall remain unchanged until the property is sold or otherwise retired. Upon retirement, the cost of such non-depreciable property acquired by donation or through use of donated funds shall be credited to the appropriate plant account and charged to this account to clear the credit balance carried herein.
3. That portion of the balance representing donations on property retired prior to January 1, 1955 (column e), and the amount of depreciation accrued to January 1, 1955, on property in service (column f), shall not be transferred from this account or otherwise disposed of without first receiving written authorization from the Commission.

Reconciliation of Reported Net Income for Federal Income Taxes

1 Report hereunder a reconciliation of reported net income for the year with taxable income used in computing Federal income tax accruals and show computation of such tax accruals. The reconciliation shall be submitted even though there is no taxable income for the year. Descriptions should clearly indicate the nature of each reconciling amount.

2 If the utility is a member of a group which files a consolidated Federal tax return, reconcile reported net income with taxable net income as if a separate return were to be filed, indicating, however, inter-company amounts to be eliminated in such consolidated return. State names of group members, tax assigned to each group member, and basis of allocation, assignment, or sharing of the consolidated tax amount the group members.

3 Show taxable year if other than calendar year from _____ to _____.
