Bakman Water Company was awarded grant funding for its Water Supply Reliability and Conservation Project through a Proposition 84 Round 2 Integrated Regional Water Management (IRWM) Implementation Grant, administered by the Department of Water Resources. Bakman's Agreement No. 4600010593, made with the Upper Kings Basin Integrated Regional Water Management Authority, is in the amount of \$2,907,000. The Project commenced September 2014 and was completed at the end of June 2018 with final invoices including retention funds being reimbursed from the State shortly thereafter. The Project comprised of installing approximately 2,400 meters and well-head treatment on a well with water quality issues. Also, of material financial interest is the fact that Bakman Water Company incurred costs during 2018 relating to Resolution W-5184, effective January 31, 2019, which granted Bakman Water Company the authority to acquire the Rolling Hills water system, under the terms and conditions set forth in the October 23, 2018 Asset Purchase and Sale Agreement.
