RE: Audit Report due April 8, 2016

Dear Mr. Kahlon,

This letter is being provided pursuant to the request of the Division of Water and Audits in its correspondence to Liberty Utilities (Park Water) Corp. dated March 25, 2016. Decision (D.) 11-10-034, Appendix A, Rule VIII, Section VIII.E. requires Class A and Class B water and sewer utilities to biennially have an audit performed by independent auditors and submit the resulting audit report to the Commission if the sum of all unregulated affiliates' revenue during the last two calendar years exceeds 5% of the total revenue of the utility and all of its affiliates during that period. For Liberty Utilities (Park Water) Corp., the sum of all unregulated affiliates' revenue during calendar years 2013 and 2014 did not exceed the 5% threshold, and therefore an audit was not required nor completed.

If you have any questions regarding the above, please contact me.

LIBERTY UTILITIES (PARK WATER) CORP.
