**RE: Compliance with General Order No. 77-M
Confidential Report Subject to PU Code 583**

Dear Mr. Kahlon,

In compliance with the requirements of General Order No. 77-M, enclosed please find two versions of the report containing information regarding compensation and other required expenses paid by California Utilities Service (CUS) during 2017. One version is a confidential version, per California Public Utilities Code Section 583, and is so annotated, therefore CUS requests that the information contained in this correspondence, including all attachments, not be made public or open to public inspection. The other version is a public version, which includes all the information required by GO 77-M redacted to exclude the names of CUS's officers or employees contained in the confidential version, and is so annotated.

If you have any questions, please do not hesitate to contact me at (831) 424-0441.

Sincerely,

Thomas R. Adcock
President
