**Re: Errata to SoCalGas Application 01-05-017
Annual Earnings Assessment Proceeding**

Dear Sir or Madam:

Pursuant to the procedural schedule set forth on page 10 of the Scoping Memo and Ruling of Assigned Commissioner and Administrative Law Judge Establishing Category, Setting Schedule, and Assigning Principal Hearing Officer issued on July 23, 2001, enclosed for filing are an original and seven (7) copies of Errata to the above-referenced Application of Southern California Gas Company ("SoCalGas"). SoCalGas is also serving the enclosed Errata on all parties of record in Application 01-05-003, with which the above-referenced Application is consolidated.

The enclosed Errata arises out of the reduction of SoCalGas' earnings claim in this proceeding by \$95,455, because of the recent determination that SoCalGas did not successfully complete Residential Milestone R4 - Upstream Water Heater. The attached Errata is comprised of a table indicating the changes to be made to SoCalGas' Application the Testimony of Frank Spasaro, and SoCalGas' 2000 Annual Report, together with the replacement pages for those documents in both redlined and clean format.

Very truly yours,

Judith L. Young
Attorney for
Southern California Gas Company

Testimony of Frank Spasaro	13	Part 1B		Milestone Results should be changed to read as follows: “SoCalGas did not successfully complete this milestone. By the end of program year 2000, just under 50% of the plumbers in the SoCalGas service territory had increased sales of high efficiency (.60+ energy factor) water heaters by 25% over program year 1999 sales of high efficiency units. So, while the program did produce significant energy savings, it fell just short of meeting the requirements for this milestone.”
