It is not the intent of Energy Division to manage the Working Group or record the Working Group's proposals. Once formed the working group will propose modifications to the low-income assistance component of the Reporting Requirements Manual (RRM) to be used during the program year 2002 planning cycle and will be used by the utilities for reporting in their May 1, 2001 Annual Reports.

Interested participants should review the April 28, 2000 ACR for a full listing of the scope intended to be covered by the Working Group. A copy of the April 28, 2000 ACR is available on the library page of the Low Income Advisory Board's website at <http://www.liab.org> or a copy can be obtained by contacting Mike Rosauer of the Energy Division (phone 415-703-2579, e-mail fly@cpuc.ca.gov). Workshop Notice

July 21, 2000 9:30 am	California Public Utilities Commission 505 Van Ness Avenue, Hearing Room A (Corner of Van Ness and McAllister) San Francisco
--------------------------	--

The Commission will conduct a workshop where persons interested in discovery practice at the Commission will have an opportunity to discuss their views on proposed changes or additions to the Commission's discovery rules in formal Commission proceedings. Prior to the workshop, it would be useful if interested persons have reviewed a conceptual discussion on this topic, as well as the cover letter to that discussion, which are both on the Commission's web site at http://www.cpuc.ca.gov/divisions/alj/alj_div_home.htm.

In addition to attending the workshop, persons may comment in writing no later than July 6, 2000, on the scope of the issues set forth in the conceptual discussion and whether they are sufficiently inclusive. At the workshop, interested persons will have a further opportunity to discuss their views on these issues and hear the concerns of others. The Commission is seeking these comments before considering a possible rulemaking to revise the Commission's discovery rules applicable in formal Commission proceedings.

There is currently no docket number to this matter. The service requirements for written comments are set forth in the conceptual discussion. For further information contact Administrative Law Judge Janet A. Econome at (415) 703-1494.
